Meshe!

It has been great
having you in 2nd
even though we
never got to know
each other that well.
Any way, stay cool
over the summer
and I hope to
have another class
with you next year. James

meshel,
lets been really
nice knowing you
in Algeria. you've saved
my neck a few times and
for that I thank you.
Good luck in life in whatever
you choose to do.

Meshel,
It's been another long year
but we made it. Next year will
be seniors. Time goes to fast especially
the summer so have loads of fun and maybe
we'll have another class to go to next year.

Have a blast

Sheri King, Candace Keating

When this year began, we knew it would be like no other. We were greeted by a new principal, David Graham; Ray Braswell was named assistant principal; and Don Carlisle was named to a newly created assistant principal position.

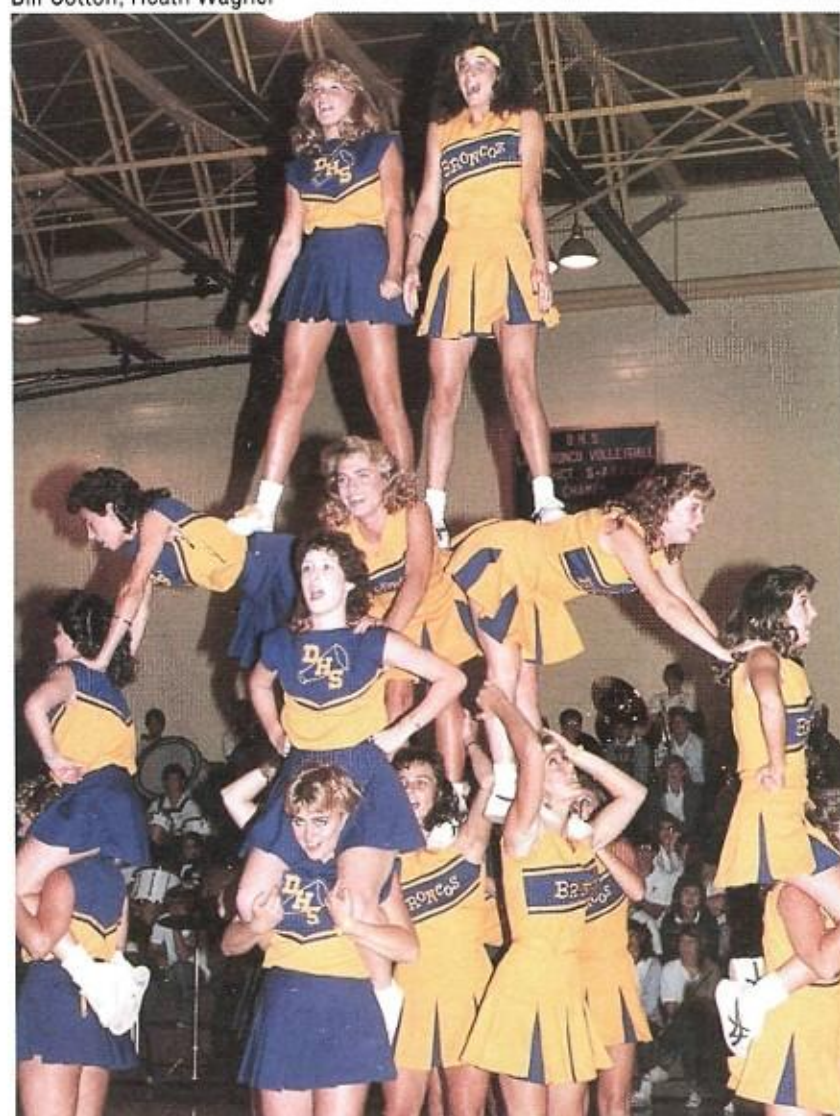

In addition to these administrative changes, construction on the cafeteria and library was well underway. The band hall was temporarily located in the Vocational Building while the old band hall was being remodeled. Drama classes practiced their productions in one of the portables that had taken up residence over the summer vacation by the tennis courts.

Spirit was also up this year. With winning athletic teams, the award-winning Pride of Bronco Country and Fillies, and powerful cheerleaders, students felt more pride in their school than ever. Because of the newly created Bleacher Creachers and Loud Crowd, pep rallies and football games were more exciting and involved a greater number of students.

As these and many other things unfolded, we knew that this year, more so than any other year, was going to be the year to say, "You won't believe your eyes!"

Student Life *You won't believe your eyes!*

Dressed as Santa Claus, Rex Jennings helps Mrs. Virginia Vaughn's Calculus class' "adopted" child unwrap his gifts.

Because of all the recent attention on school reform, the non-academic life of students has been overlooked. This facet of a student's life, however, is one of the most important of all. By being involved in extracurricular activities, participants are able to learn what they do not learn in regular curricular classes — how to deal with people.

Beth Hansen, Casey Freeman and David Denbek sing carols at the Spanish Club's Christmas party.

Matt Mailman runs a Halloween carnival booth in order to earn National Honor Society credit.

Mark Nusbaum and Andrew Miller discuss a problem during class.

Math teachers Coach Bill Peteet, Mrs. Vanna Ingram and Mrs. Virginia Vaughan help sophomores match schedules with class openings.

Mr. Carl Long explains the registration process during sophomore registration.

Adding Stuart McAlister to the roll, Mrs. Diana White works registration for the History Department.

Darren Ward gets help from Mrs. Linda Chapel and Mr. Ray Braswell.

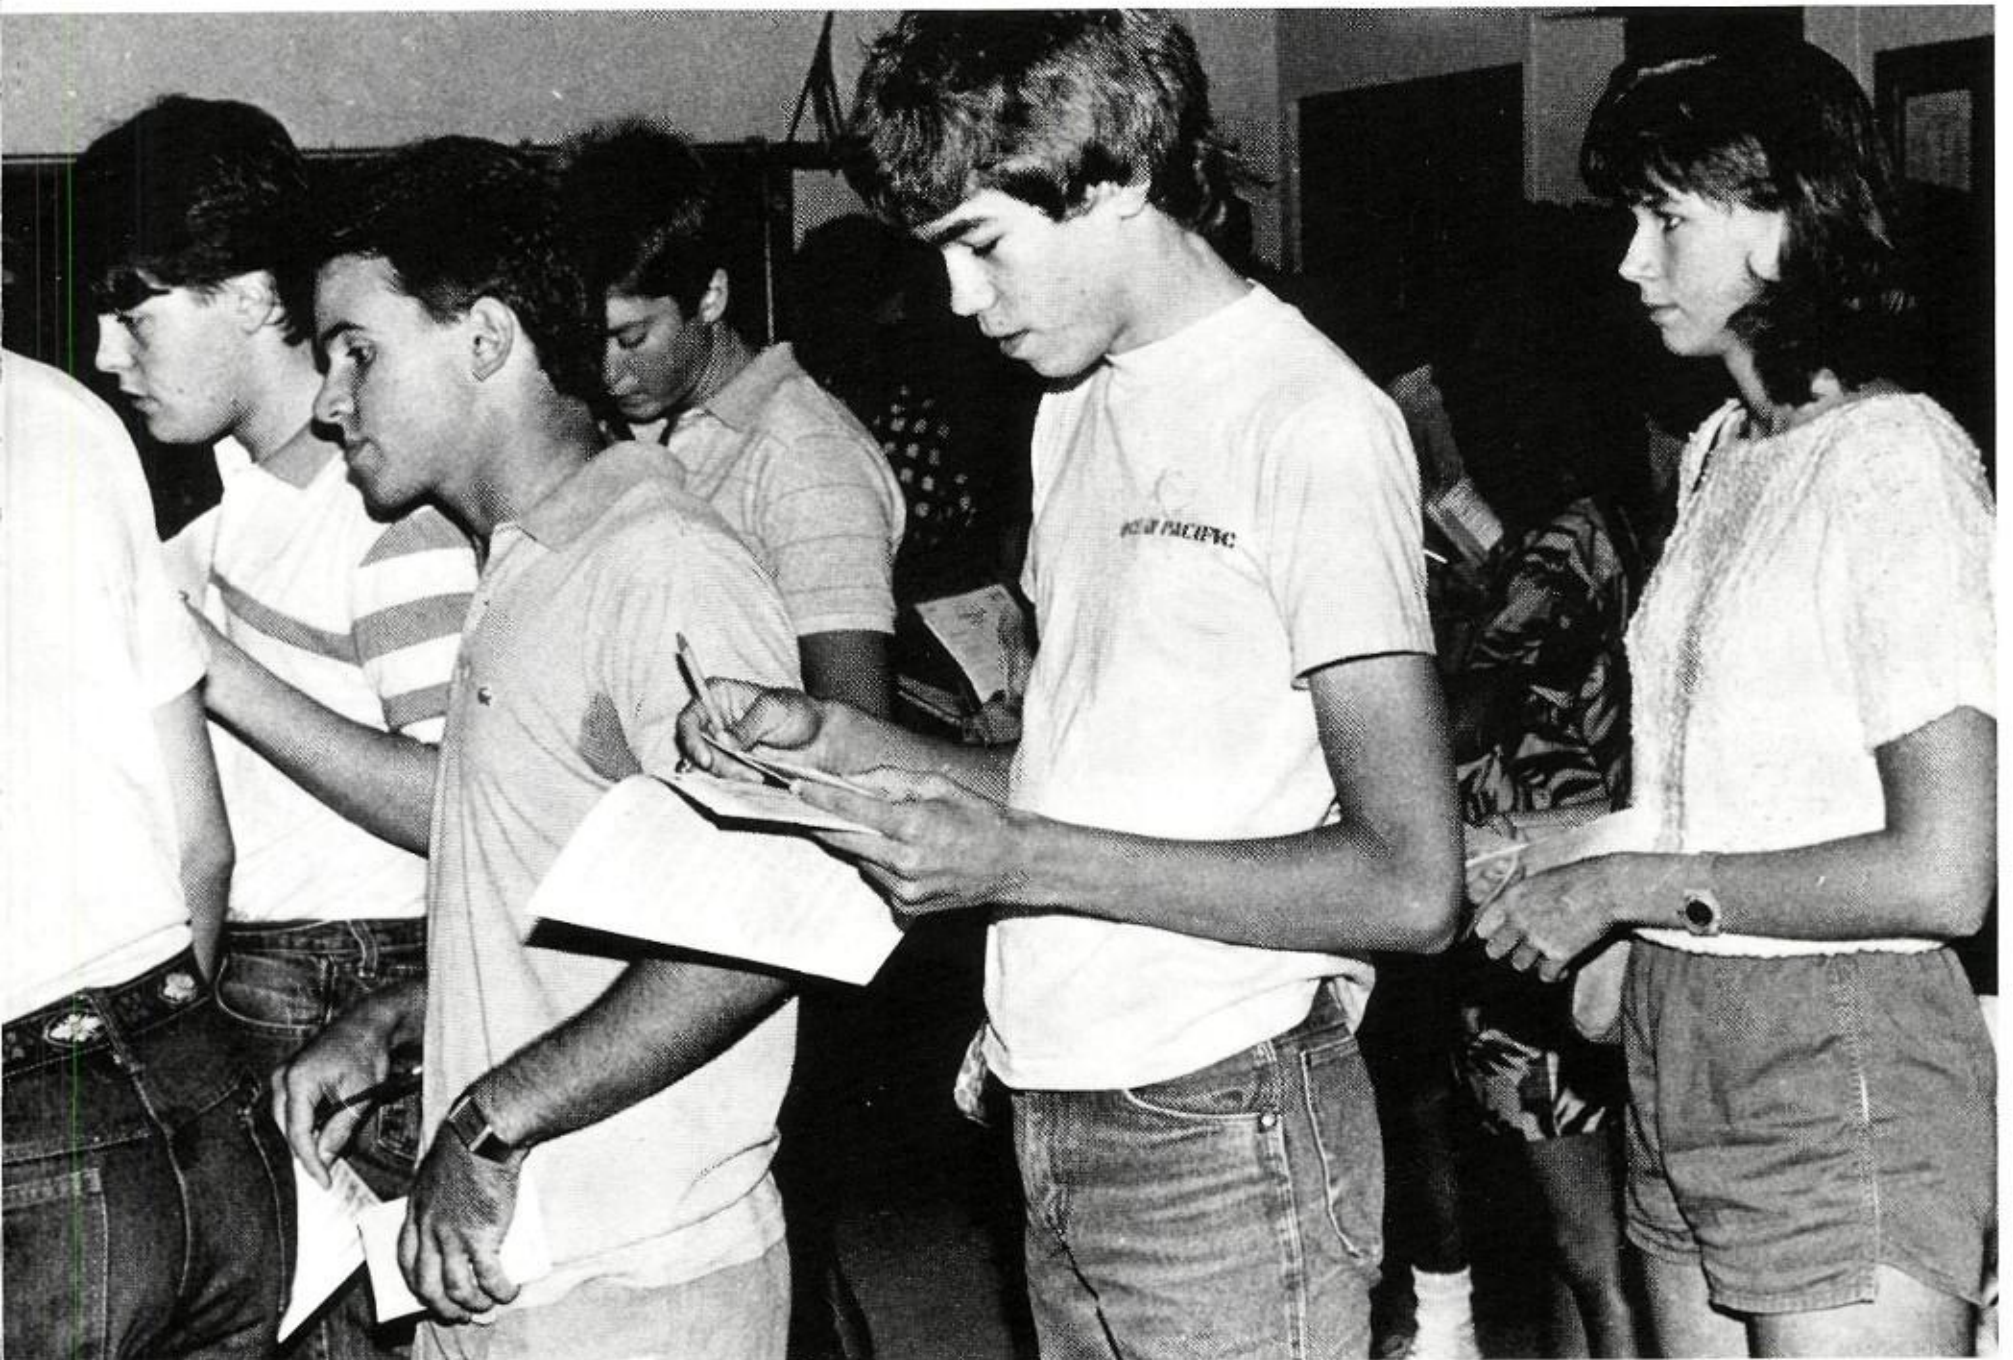

Registration Marks Year's Beginning

The rush of registration was something every student looked forward to but at the same time dreaded.

Seniors were elated to be going through registration for the last time, while sophomores were somewhat skeptical of the unknown, and juniors were more or less indifferent.

For the last time, over 2,000 students went through and selected classes, putting together a schedule while teachers sat for endless hours trying to find classes at times to accommodate that schedule. Frustration was not non-existent as students found class sections closed or that there was no way to get B-lunch. Next year schedules will be done by computer, eliminating this process.

by Joell Holly

Seniors Michael Moore, Kevin Wagley, Doug Ingram and Claudine Nicholas wait for registration to begin.

Firm and Undaunted

Students get early start at Pep Rallies

Undaunted by the early hour, students crawl out of bed to go to a Pep Rally. This year's Pep Rallies were held from 8 until 8:30. This of course did not inhibit the spirited DHS student body.

The Pep Rally starts off with a band number and the entrance of the football players. Cheers from enthusiastic cheerleaders follow and introductions of special guests such as wrestler

Brian Adias and football players from NTSU along with their coach, Corky Nelson.

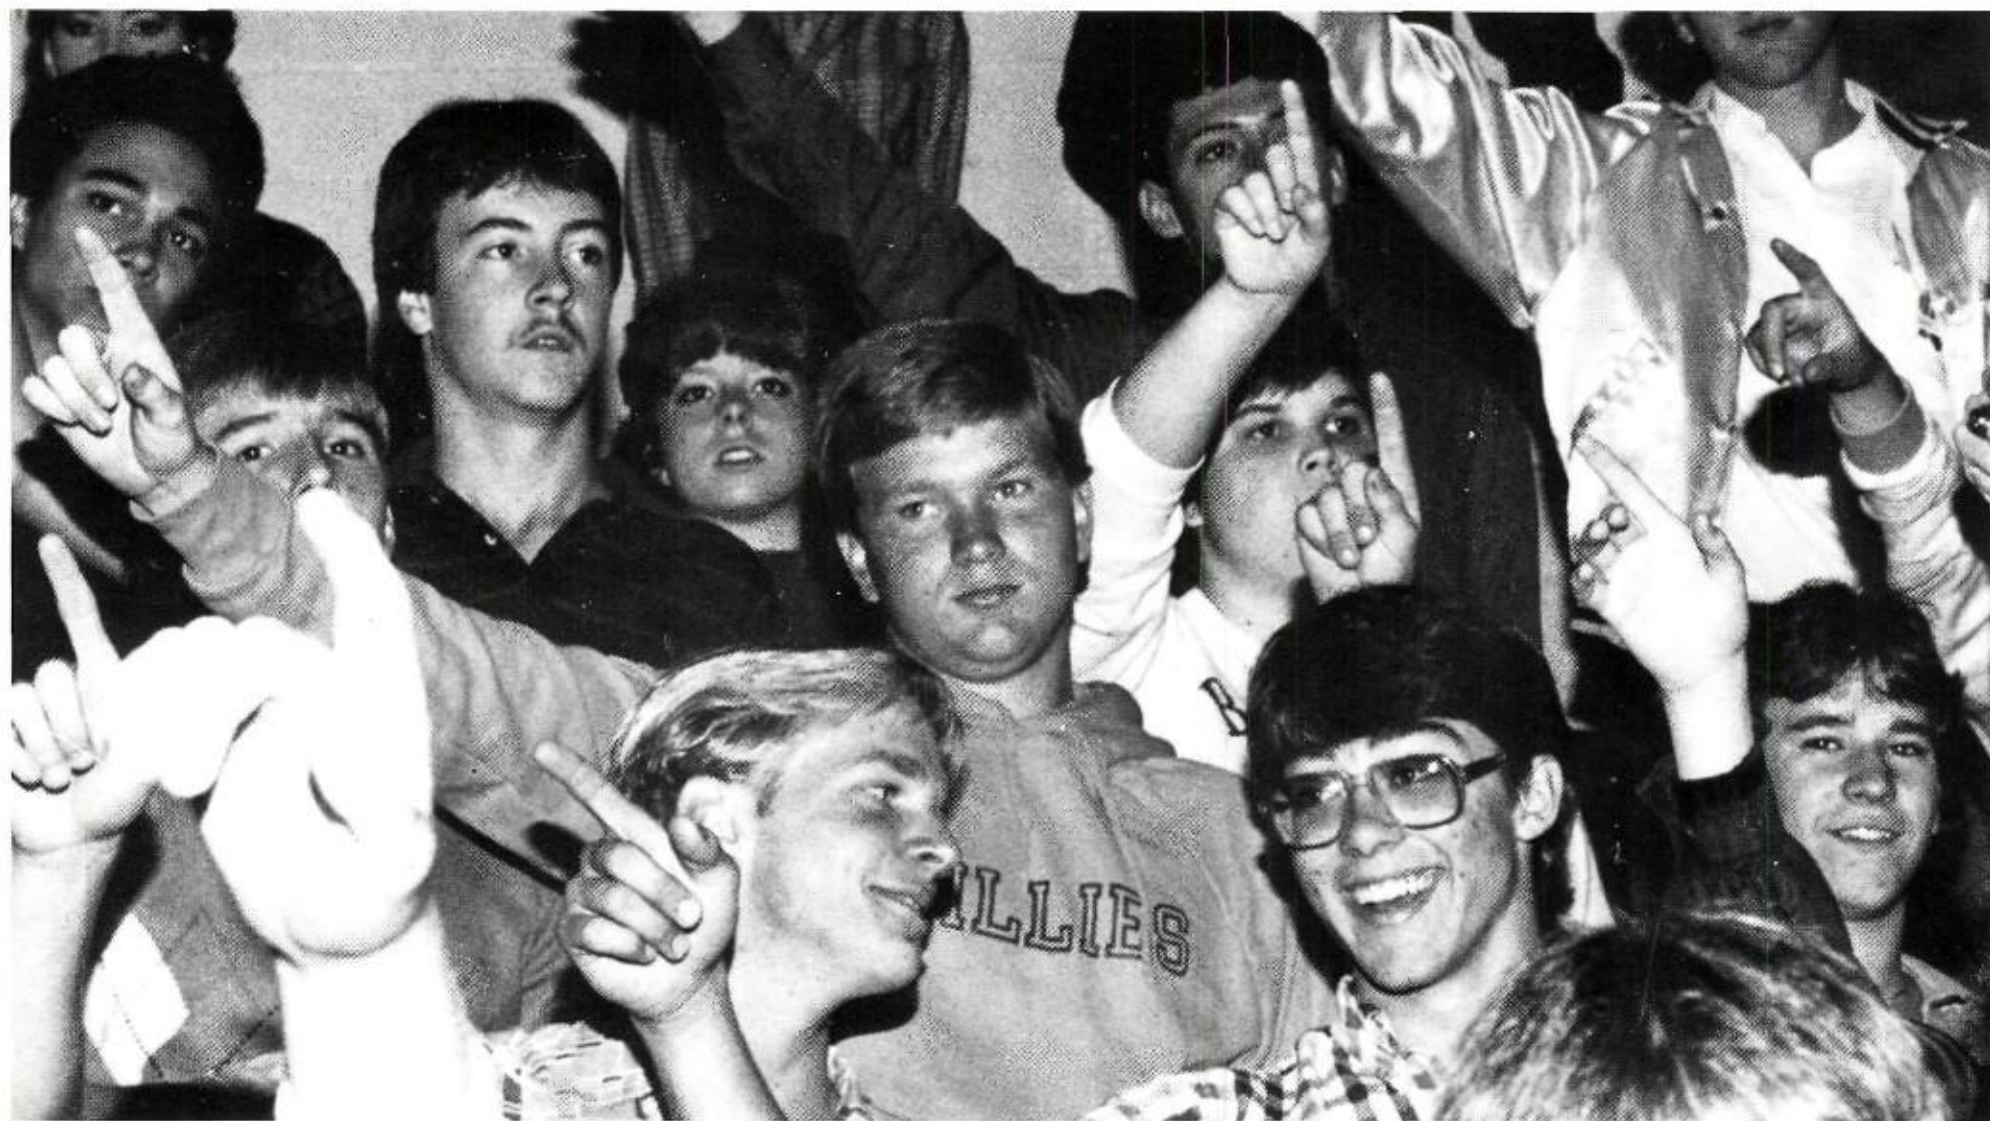

The student body is in a frenzy of spirit at this point. They are prepared to win the night's game! The feeling of school spirit and loyalty prevails throughout the long day of school ending in a glorious victory on the field.

Back to the Future

Chosen as Homecoming Theme

The atmosphere around the school abounded in spirit following traditional form but having the dance the night after the game made this year's Homecoming experience last a day longer. "Back to the Future" was this year's Homecoming theme.

Homecoming Week began with Tuesday designated as college sweat-shirt day; Wednesday was Jams Day; Thursday was Prep vs. Punk

Day; and Friday finished off as Purple and Gold Day.

The parade, held Friday afternoon, left the school and wound its way around the square. The Spanish Club won Best of Themes; German Club, Most Original; Drumline, Best Spirit; Future Farmers of America, Prettiest; and Building Trades was the biggest.

The amazing Homecoming spirit elevated throughout the week eventually cheering the Broncos on to a 37-7 victory over the Skyline Raiders Friday night. The excitement did not end there! The Victory Homecoming Dance was held on the following night at the TWU Garden Room. This was the first year DHS has had the Homecoming Dance on the night following the game.

Approximately 400 students showed up for the Homecoming Dance.

Loud Crowd and Bleacher Creachers Renew Campus Spirit

This year marked the beginning of a new generation of a peculiar, spirited group called Bleacher Creachers. After the former Rowdy Crowd fizzled out, the organization of school spirit was left up to any motivated person. A few students took on this responsibility and formed the Loud Crowd. The Loud Crowd was responsible for organizing the Bleacher Creachers. The Bleacher Creachers were a sweatshirt clad, strictly volunteer group of super spirited students. The only qualifications for a membership in this elite club is the fondness of cheering on the Broncos. This special group of people took up a bleacher section every pep rally and every game and were led by the Loud Crowd fellows into boosting cheers for the home team.

Halloween

More Than Just Trick-Or-Treating

Halloween is the time of year for dressing up in costumes, carving Jack-o-lanterns, and trick-or-treating.

Young children seem to get a thrill out of the festivities of this one evening. Although there are still a few high school students that go trick-or-treating, most are more interested in parties with friends or in putting on carnivals for the children of the community.

The original meaning of Halloween or Allhallow's Eve has become slightly distorted over the years. It was originally thought to be a time when ghosts, goblins, fairies, witches, elves, and other spirits came out into the world to harm people. Of course, everyone knows that this is just superstition.

Halloween was once a safe time for kids to have fun begging for treats. However, in recent years this holiday has become quite dangerous for young kids. Fortunately, there are a few organizations in our community who understand this problem and want to help by putting on safe carnivals and parties for children. Among these organizations are the National Honor Society and Drama Department of Denton High School. With thanks to all of the people who participate in these projects, Halloween is once again becoming a safe time for the little ghosts, goblins and witches.

Valentine's

Love is in the Air

Again this year, the Junior Class held carnation sales. Carnations were sold the first week of February, raising approximately \$1,200 for the prom.

During second period classes, students received hundreds of brightly colored carnations, balloon-o-grams, roses, and candy in the tradition of Valentine's Day. Getting into the spirit of things, many students even elected to wear pink, red and white clothing.

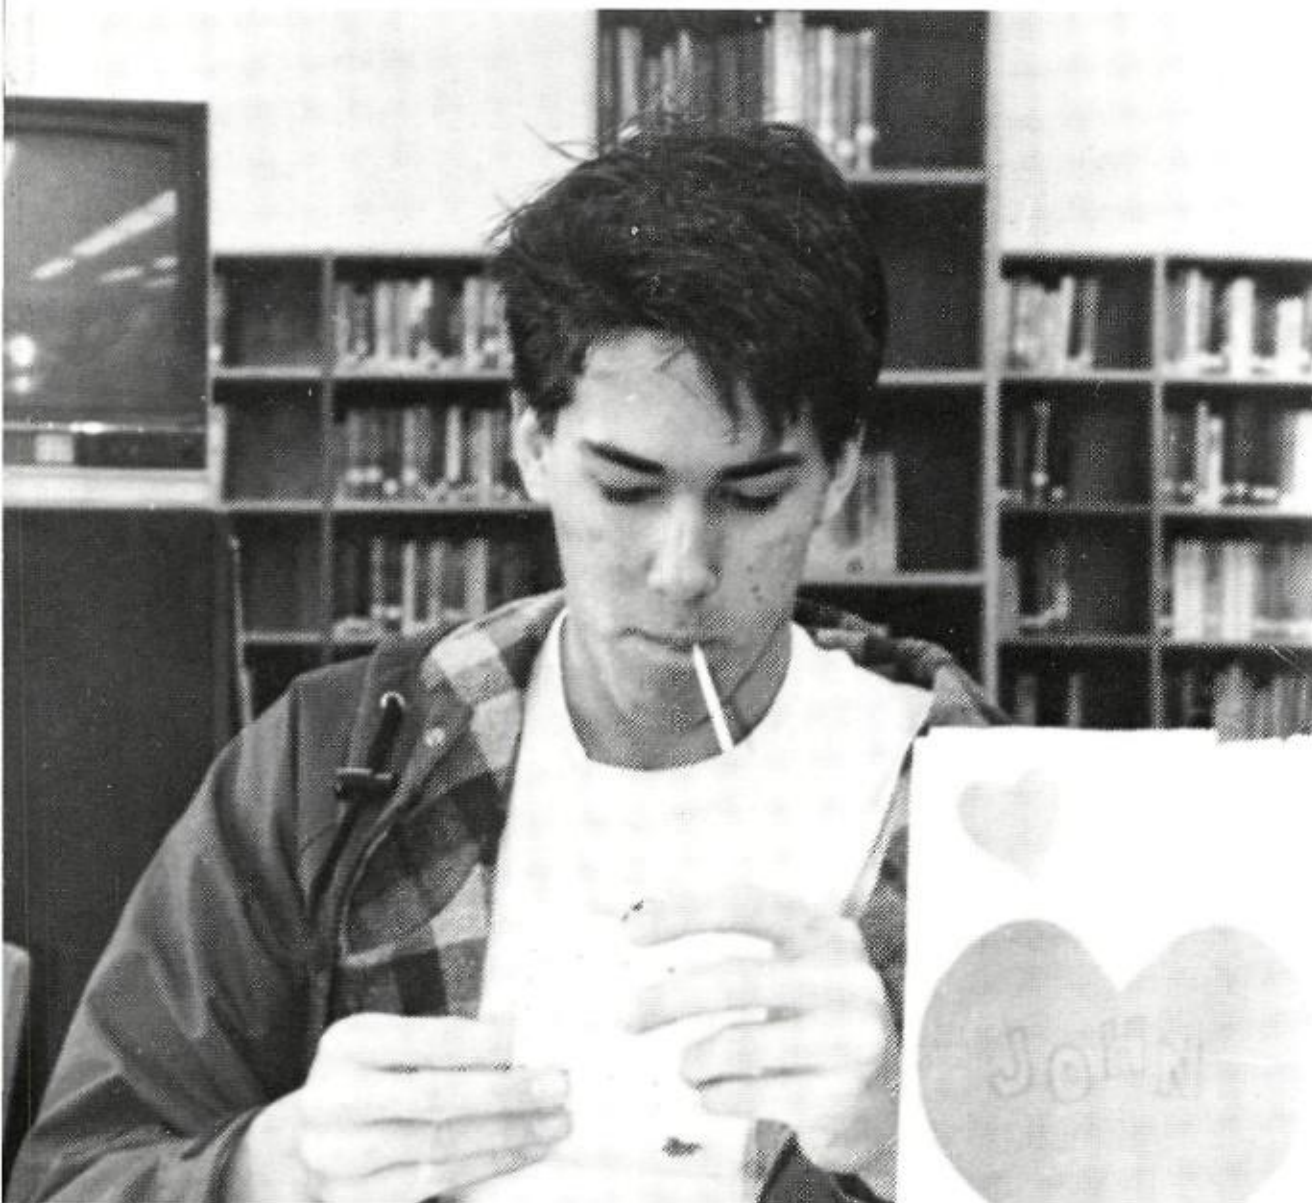

Determined junior class volunteers arrived at 6 a.m. to begin the long process of sorting carnations. Their efforts brightened the day for many.

Project Adoption

Joy to the World

Christmas '85 proved to be the most successful year ever for DHS's Project Adoption.

Sponsored by the Student Council, Project Adoption is a program that selects children who otherwise would not have a very merry Christmas.

The goals of the program are to provide a memorable Christmas for selected children and to emphasize the true meaning of Christmas.

This year all the children were four-year-olds from Stonewall Jackson Elementary's Head Start program.

To "adopt" a child, homerooms and clubs had to raise money to buy their child gifts. Up to \$150 was raised in many classes, and some classes gave extra money to other homerooms that had not raised enough or whose money was stolen.

To avoid being snowed out as in the past, the classes held their Project Adoption party the week before school let out for the holidays.

After weeks of planning and fund-raising, the day came when the shy children entered a classroom where not only gifts awaited them but also love. Through Project Adoption, DHS students were able to give love and share and experience the joy of giving.

Its success was evident in the excitement of the students and in the joy of the children as they opened present after present.

Memorable moments include a student asking, "When is our kid gonna get here?"; the children riding their new big wheels down the halls; students helping their child try on clothes or play with toys; and the list goes on.

Project Adoption was truly a beneficial program for all involved. The children had a wonderful Christmas, and DHS students learned that giving "joy to the world" is what Christmas is really all about.

The smiles of Georgia Trapp, Lori McKee, and Stephanie Becker display their happiness at seeing their adoptee, Gwen Reynolds, open her presents.

Santa Claus himself showed up at DHS to spread Christmas cheer and warmth.

Gayla Fowler and Kevin Clinton take part in a medieval dinner in London.

At a restaurant in Dijon, France, Lisa Cunningham and Aaron Busby try new foods.

Students from every part of Texas joined the crowded beaches of South Padre Island.

Spring Break

Springs Loose

After a long day of sightseeing in Lucerne, Switzerland, Darren Brock, John Batag Battaglia, Miss Karen Horn, Kevin Clinton, Mrs. Bonnie Horn, and Steve Yeager sit down to rest.

Chad Tiezen, Russ Compton, Chris Harberson, Mrs. Pat Harberson, and Michael Harberson enjoy the ski slopes in Colorado.

The arrival of spring in March is accompanied by that well-known disorder common among high school and college students: Spring Fever.

School districts, however, have found a method to combat this widespread yet popular ailment — Spring Break, a week in March which allows the student to rest, vacation, and rejuvenate in order to finish out the school year.

Some favorite Spring Break spots this year were South Padre Island, Europe, and Colorado ski resorts. Miss Karen Horn sponsored a nine-day trip to Europe, which included a tour of Germany, Switzerland, France, and England. Many students chose South Padre Island to relax on the beach and enjoy the sun and sea, not to mention the chance to get a great tan. As always, skiing was extremely popular for people not looking for relaxation but for a vigorous enjoyment of the last snow. Even those who remained in Denton were able to have a good time.

Spring Break '86 was a time for students to enjoy themselves after the long period after Christmas. Students returned to DHS rested and eager to finish the year.

Fashion

Everyone Sets Their Own Style

1985-86 proved to be a year in which fashion made a strong comeback. The new, more carefree styles, which parents probably regarded as sloppy, allowed students more comfort and greater fashion options.

Probably the most popular fashion innovation was the reappearance of prints. Popular in the 20s, paisley prints returned in 1985 on ties, shirts, sweaters, and even socks. Prints of flowers appeared on sweatshirts and skirts, which were sold at popular stores.

It became normal to wear one's shirt untucked under a sweater. This fashion innovation, which many viewed as a sign of laziness, proved to be a remarkable accessory.

Footwear also changed. Nikes were replaced by Reeboks, and black laced up boots made a big appearance. Flat-heeled boots were owned by almost everyone.

Despite all the new changes, many people stayed with the traditional style of polos, loafers, and dressy clothing.

Two things were certain at DHS: one's style of dressing was an extension of that person's personality, and any and every style of clothing was accepted.

Dating

Which type is right for you?

Dating seems to be a very important part of life for most high school students. Probably one of the biggest reasons for dating is companionship. Some people prefer a lasting relationship with one person while others prefer to date several people. Each has its advantages and disadvantages of course.

A lasting relationship provides one with such advantages as constant companionship or a date for every dance. However, some people have problems coping with each other on a day to day basis. It simply causes too many problems.

Dating several people assures one of coming into contact with new ideas constantly. It gives one a chance to find out what they really like in a person of the opposite sex. However, to some people this is a disadvantage because they can't have a date every time they want one.

No matter which type of dating is chosen, it is quite obvious that companionship is the overriding reason for dating.

After-School Jobs Provide Experience for the Future

Help Wanted.

This was a welcome sign to many Denton High School students looking for a job. We are fortunate enough to live in a country where finding a job is relatively easy. This fact enables young people to begin working at an early age.

These days, an after-school job for many students is almost a necessity. Teenagers have so many expenses, including gas money, car payments, money for clothes, and just frivolous spending money, that many parents feel should be the responsibility of the student.

Not only does a job give the student spending money, it also provides him or her with the experience of working for his or her own money.

Jobs also give teenagers a sense of independence from their parents, which is something most people value greatly. Not having to ask one's parents for money allows a student to learn to save and wisely spend the money earned.

And, of course, the sense of pride and satisfaction gained is probably the most important aspect of working.

Whether a student works in a fast-food chain, a clothing store, a movie theater, or an office, working during high school is truly beneficial.

Academics

Getting Back to the Basics

Getting back to the basics seemed to be the theme of Texas education this past year.

Extra-curricular activities restrictions such as no pass-no play were put into full force. So we found many working harder to pass that major English Literature test, or even all those semester exams so they could still perform on Friday night or play that last district game.

Science labs were filled with people studying Newton's laws of motion. The library was packed with students trying to finish an assignment while being overrun by construction workers before school or during lunch.

BRONCO FOOTBALL '85

Team Wins Area Title

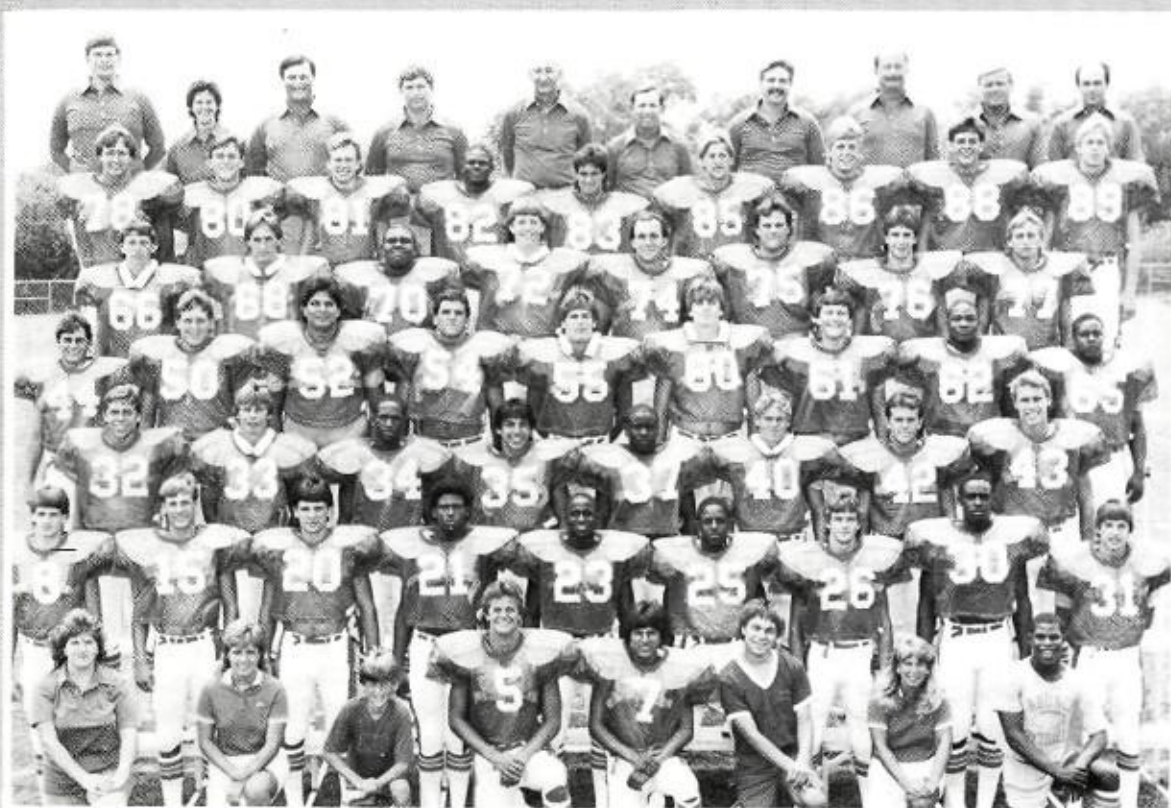

To reach further than you ever have. It is the goal of every athlete in every sport.

The 1985 Broncos proved to be no exception as they made this their goal for the year while still in spring training. To do this, they knew that a lot of hard work would have to come from everyone.

The Broncos, led by an experienced crew of seniors, rose up to meet the challenge that they had chosen for themselves and became the first

team in Denton history to reach the third round of the State AAAAA Playoffs. It is the fourth year in a row for the Broncos to be in the playoffs as their 4-1 district record was good enough to capture runner-up honors and a playoff berth.

It has been said that there are two kinds of players. One does what is easy and often loses out. The other will do whatever it takes to win. The 1985 Broncos were certainly typical of this description of a winner.

Season record 9-4

*Denotes district games

**Denotes playoff games

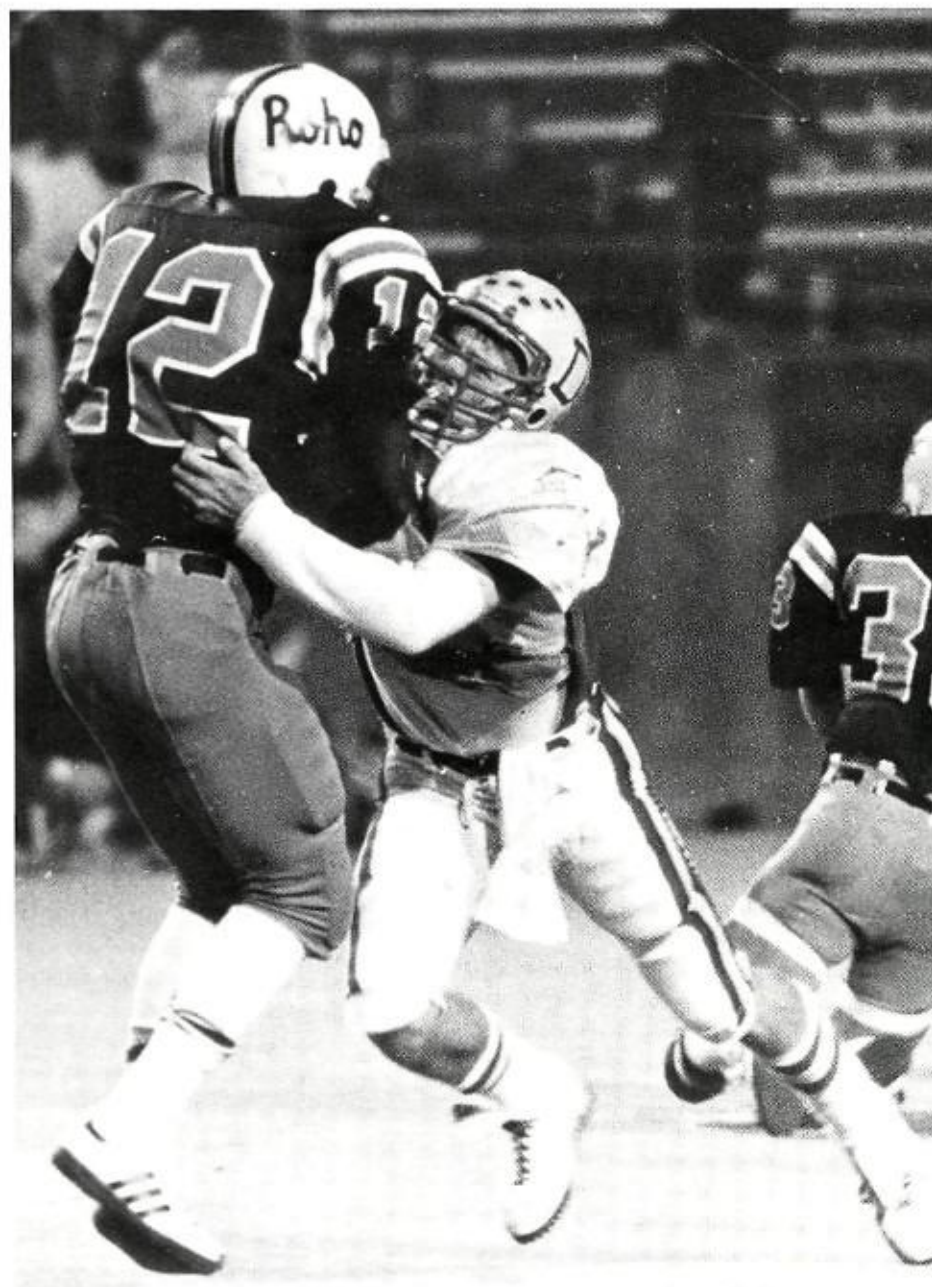

The 1985 season was one marked with outstanding achievements, both individually and as a team. Most importantly, the Broncos only lost one person to ineligibilities after the first grading period. This is a great tribute to the classroom effort of the Broncos.

Also, the Broncos placed 10 people on the first team all-district squad. These were Leroy Wilborn and Warren Wright, running backs; Mike Tansey, quarterback; Clay Bode, Craig Harris and Jackie Johnson, offensive line; Henry Mohair and Jason HeLal, defensive line; Louis Brandstetter, linebacker; and Chris Moore, defensive back. All of these individual efforts combined for a team effort which led the Broncos to a terrific 9-4 season.

The season began slowly as the Broncos dropped two of their first three games. It was a hard week of blood, sweat, and tears after the loss to Arlington, but it all paid off as the Broncos swept Skyline 35-7 in front of a capacity crowd at Bronco Field for Homecoming.

A hard fought battle against Dallas Samuell resulted in a come-from-behind victory for the Broncos as they outlasted the Spartans 35-22.

Keith Fell and Kelvin Wallace put the Bronco crunch on another quarterback.

Darren Ward makes his presence felt.

Wilborn displays the form that made him the Broncos leading rusher and scorer for 1985.

Emilio Gonzalez stretches his body as far as it will go to make the play.

Jason HeLal and Kevin Wagley prepare to stop a Permian running back.

The Broncos celebrate after another win.

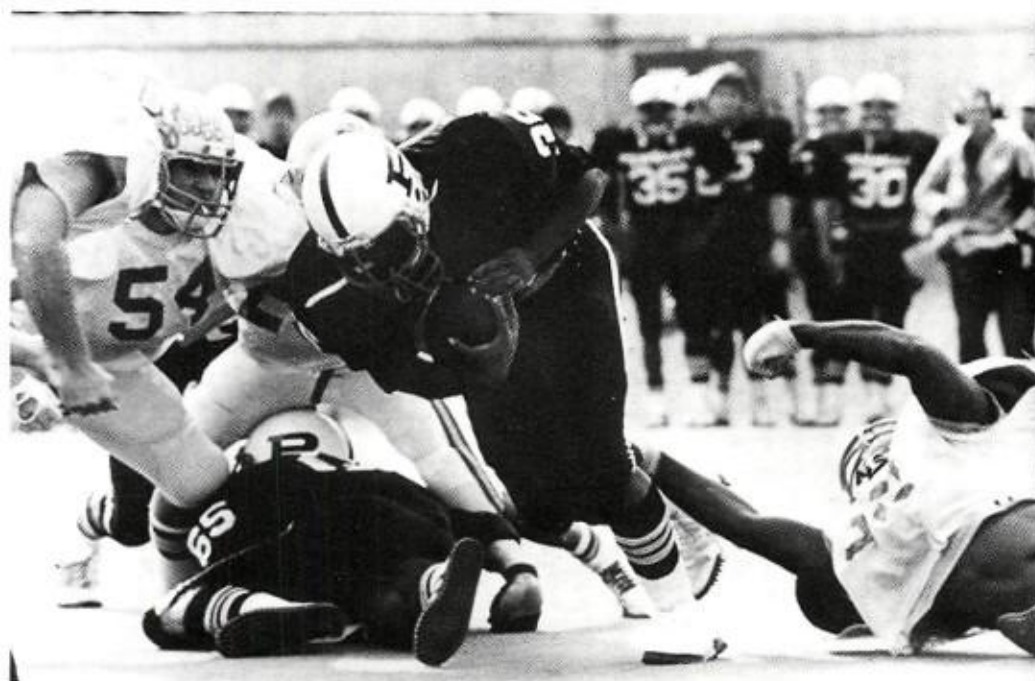

Week six brought the Broncos to their first game of district play. It was a must-win situation for Denton because the Richland Hills Rebels were the pre-season favorites to win district. The Broncos put an awesome display of defense as they shut out a solid Rebel offense, 10-0.

Week seven was wet. The Birdville Stadium field was like soup and the Broncos buried Haltom City in their own mire 17-7.

Week eight saw the Broncos outplayed by a very strong Wichita Falls team. The outcome was a 35-18 drubbing, but it served as a catalyst that finally got the Broncos to play with the inspiration that was necessary to achieve their goals. The Broncos discovered a deep-running unity that later allowed them to play up to a level that few people believed was possible.

The Broncos traveled to Wichita Falls to play Rider High in week nine for another must-win game. It was easy for the Broncos to beat Rider, but a few crucial mistakes only let the Broncos win by a 23-6 margin.

Week 10 was when it all came together for the Broncos as they destroyed the rival Sherman Bearcats 52-0.

The Broncos met Trimble Tech in the Bi-district game for the third year in a row. Leroy Wilborn scored three times as the offense rolled over the Bulldog defense. In the two years that Wilborn has played against Trimble Tech, he has amassed almost 500 yards rushing and nine touchdowns.

It was a great display of team effort as the Broncos played solid offensively and defensively. The Broncos came up with big plays every time they needed to and rolled over previously undefeated and state-ranked Trimble Tech.

The next game was the pinnacle of success for the Broncos as they had to win to achieve their goal of an area championship. Everything went wrong during the first half, however the Broncos went into the locker room at halftime with a 15-8 lead. A much more determined Bronco defense came out ready to play and shut out the Grand Prairie offense.

Once more, the Denton offense was unstoppable. The Broncos achieved their goal of an area championship with a thorough whipping of the Grand Prairie Gophers.

The next week was a great let down for the new Area champs. Seven players were declared ineligible including several starters. The starting quarterback, Mike Tansey had an injured shoulder and was not allowed to play. The Broncos traveled to Odessa to play defending State Champions, Permian High. The Broncos were outplayed but it was apparent that Denton gave everything they had. It just wasn't enough that day as Denton lost 41-0.

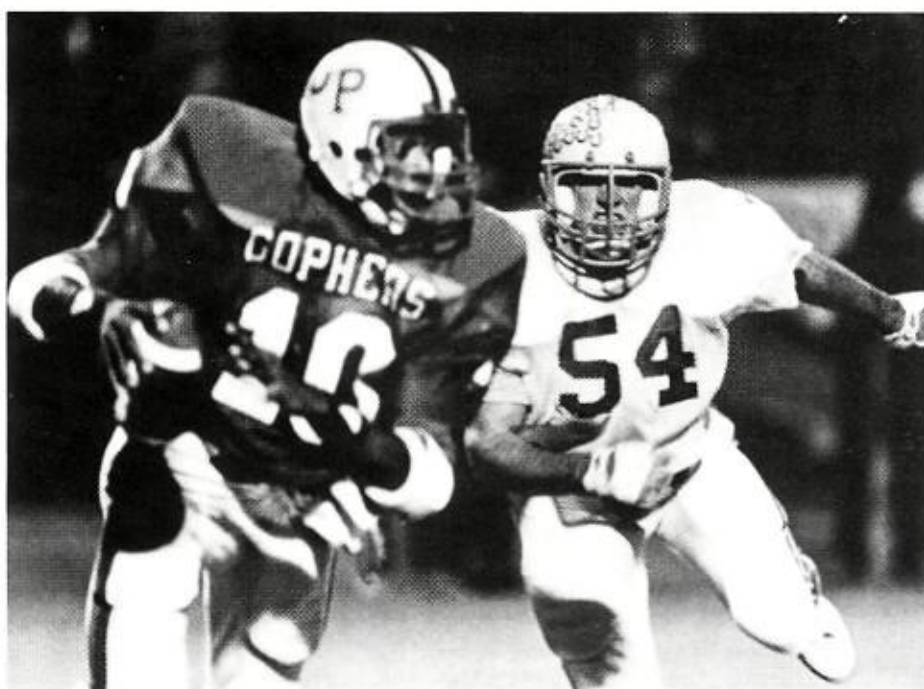

It was a long year and one that will live forever in the minds of every player on the 1985 Denton Bronco football team.

Many will long remember Michael Carter screaming "Long live Tobaccoroddy."

by Jason Helal

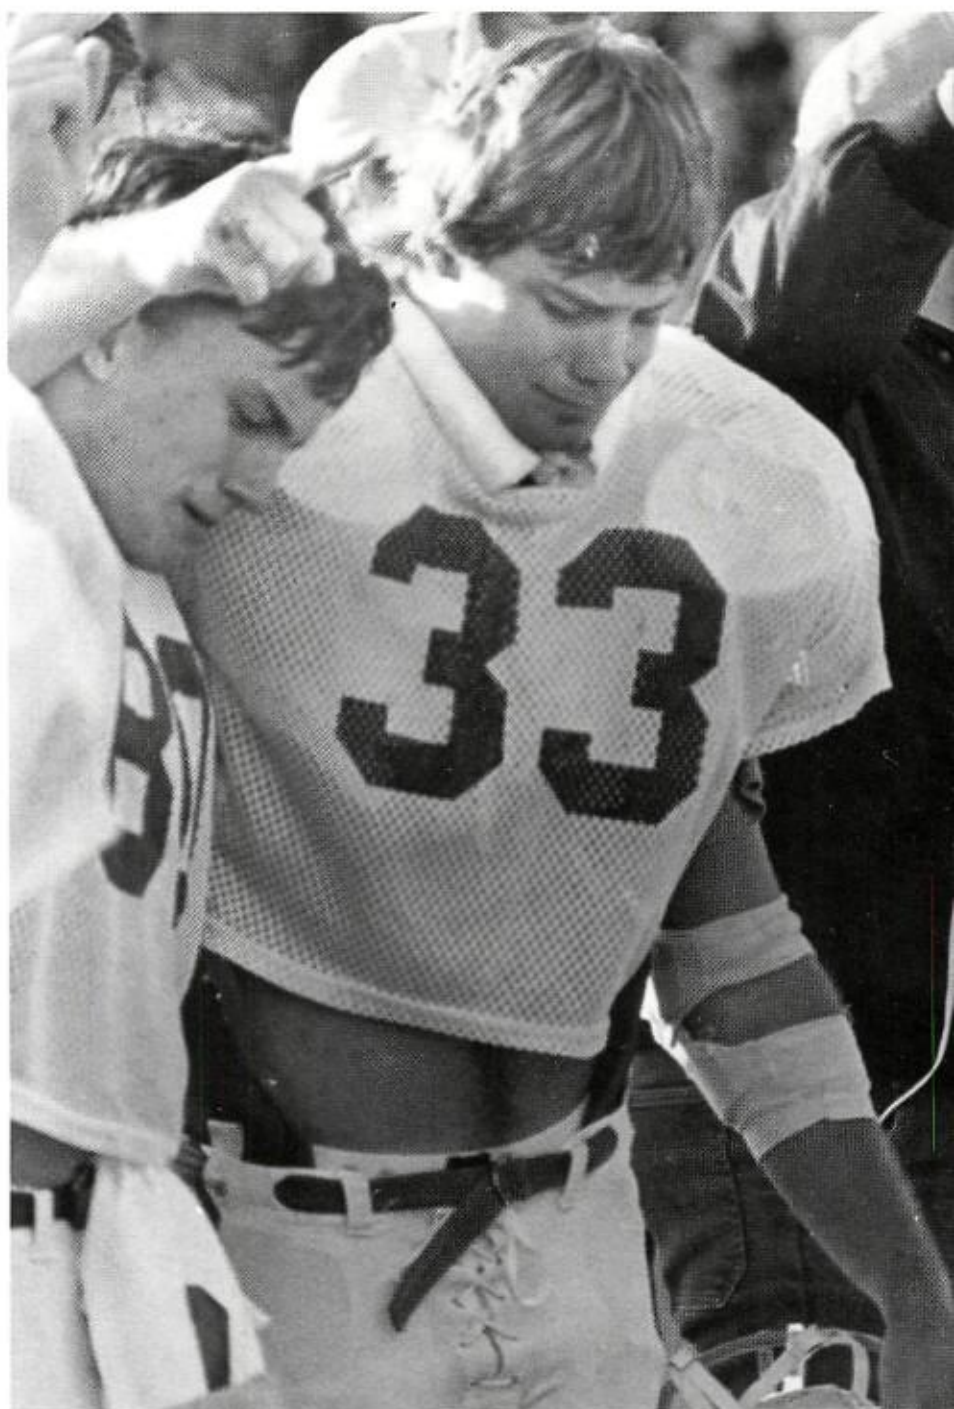

Many people gave great individual performances this year, some really outstanding. Leroy Wilborn was one of these as he was one of the top rushers and scorers in the Greater Dallas Metroplex.

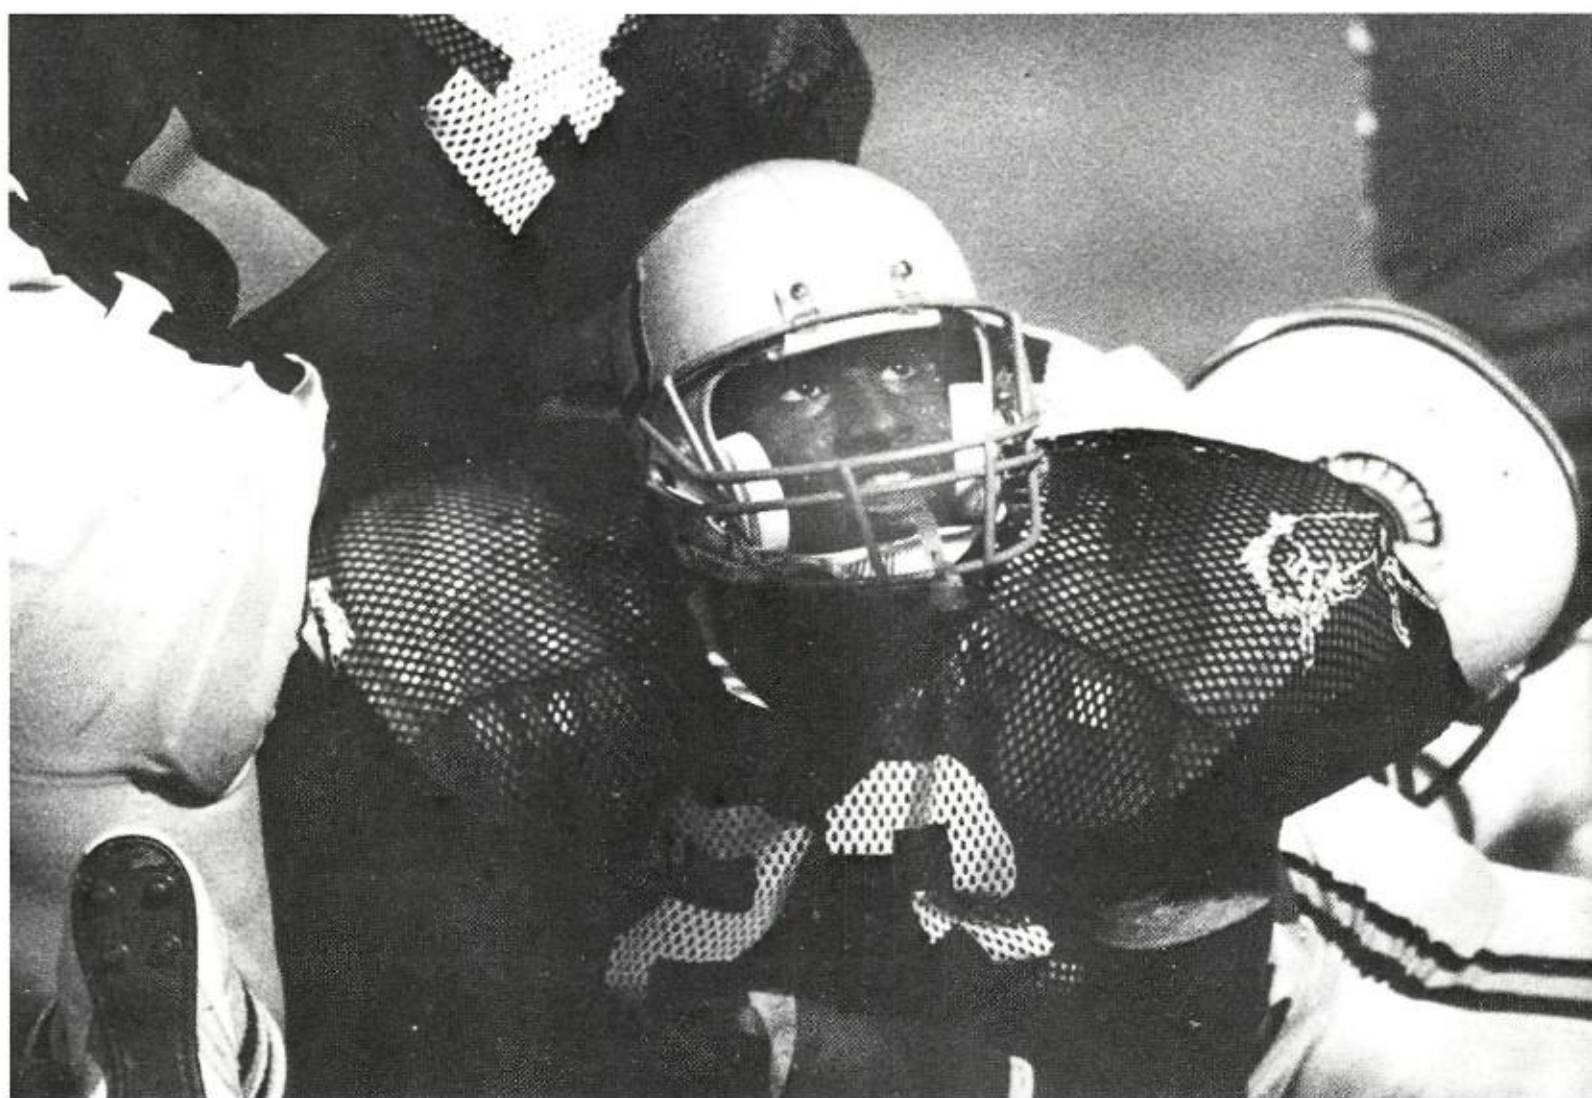

The Bronco pass rush was a torment for quarterbacks all year. Jason HeLal puts on the pressure against Grand Prairie.

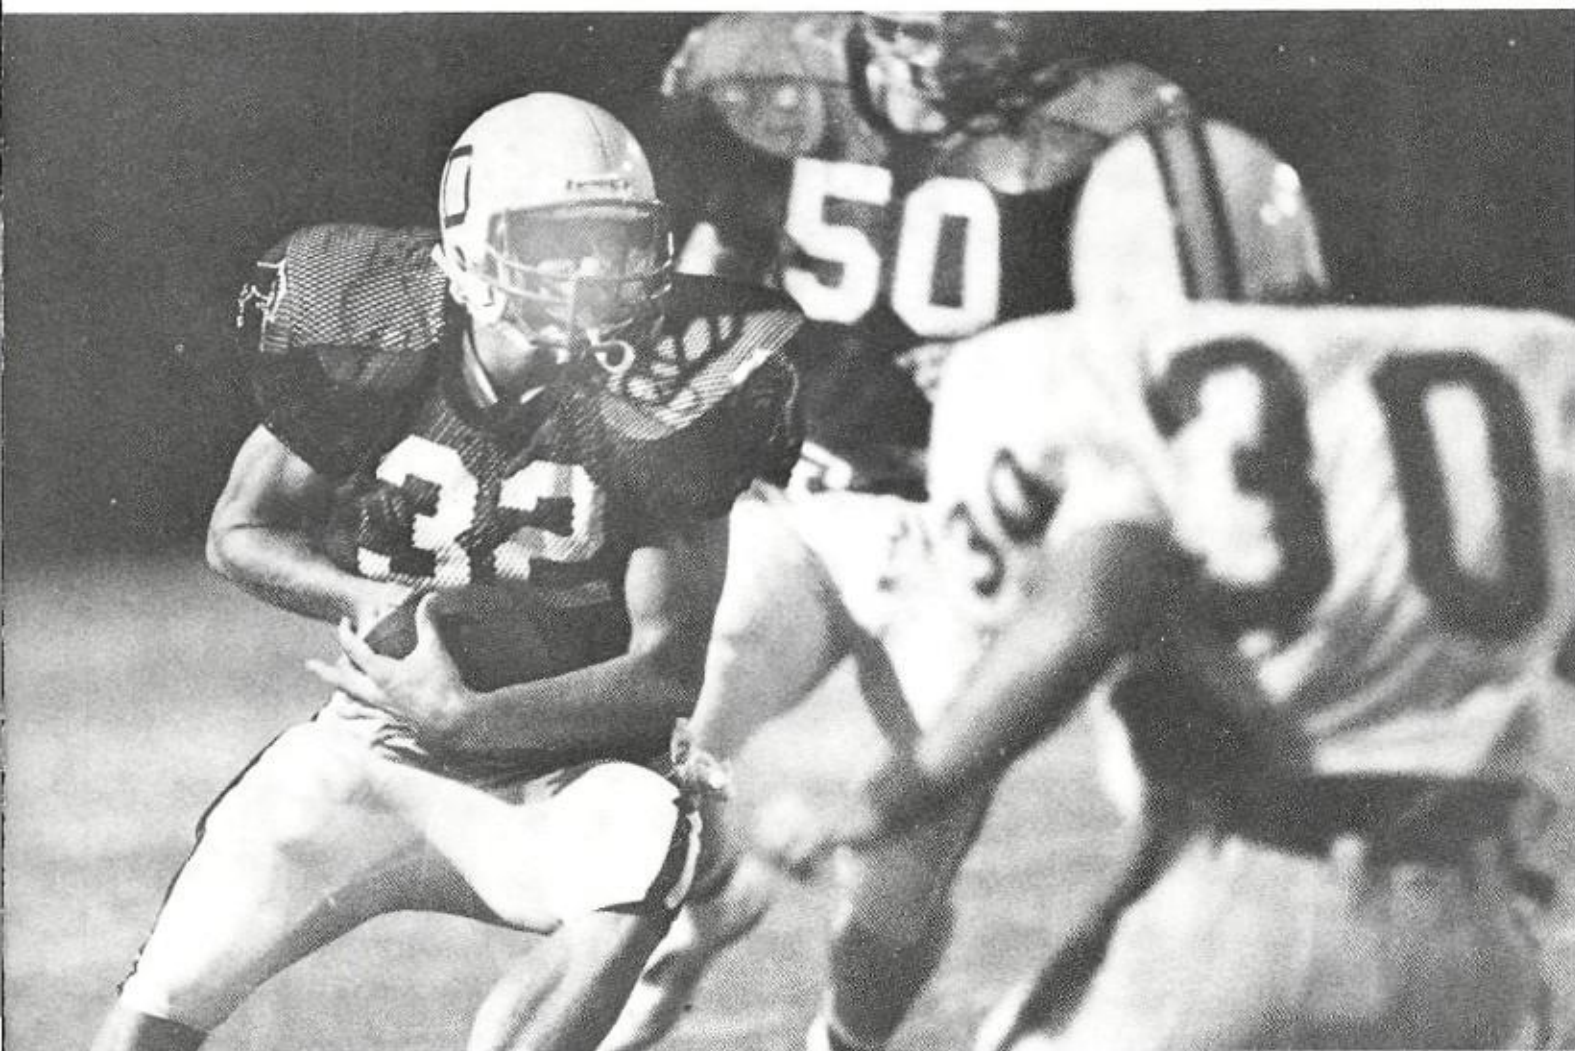

Kelvin Wallace leads the pack against Trimble Tech.

Greg Beck and Darren Ward still stand proud even after losing to number two ranked Permian.

Chris Moore looks up at the referee.

I-District quarterback Mike Tansey finds a seam in the Newman Smith defense and heads upfield.

I-District Wingback Warren Wright was the second leading ground gainer for the Broncos and was selected to the All-Greater Dallas second team.

J V FOOTBALL '85

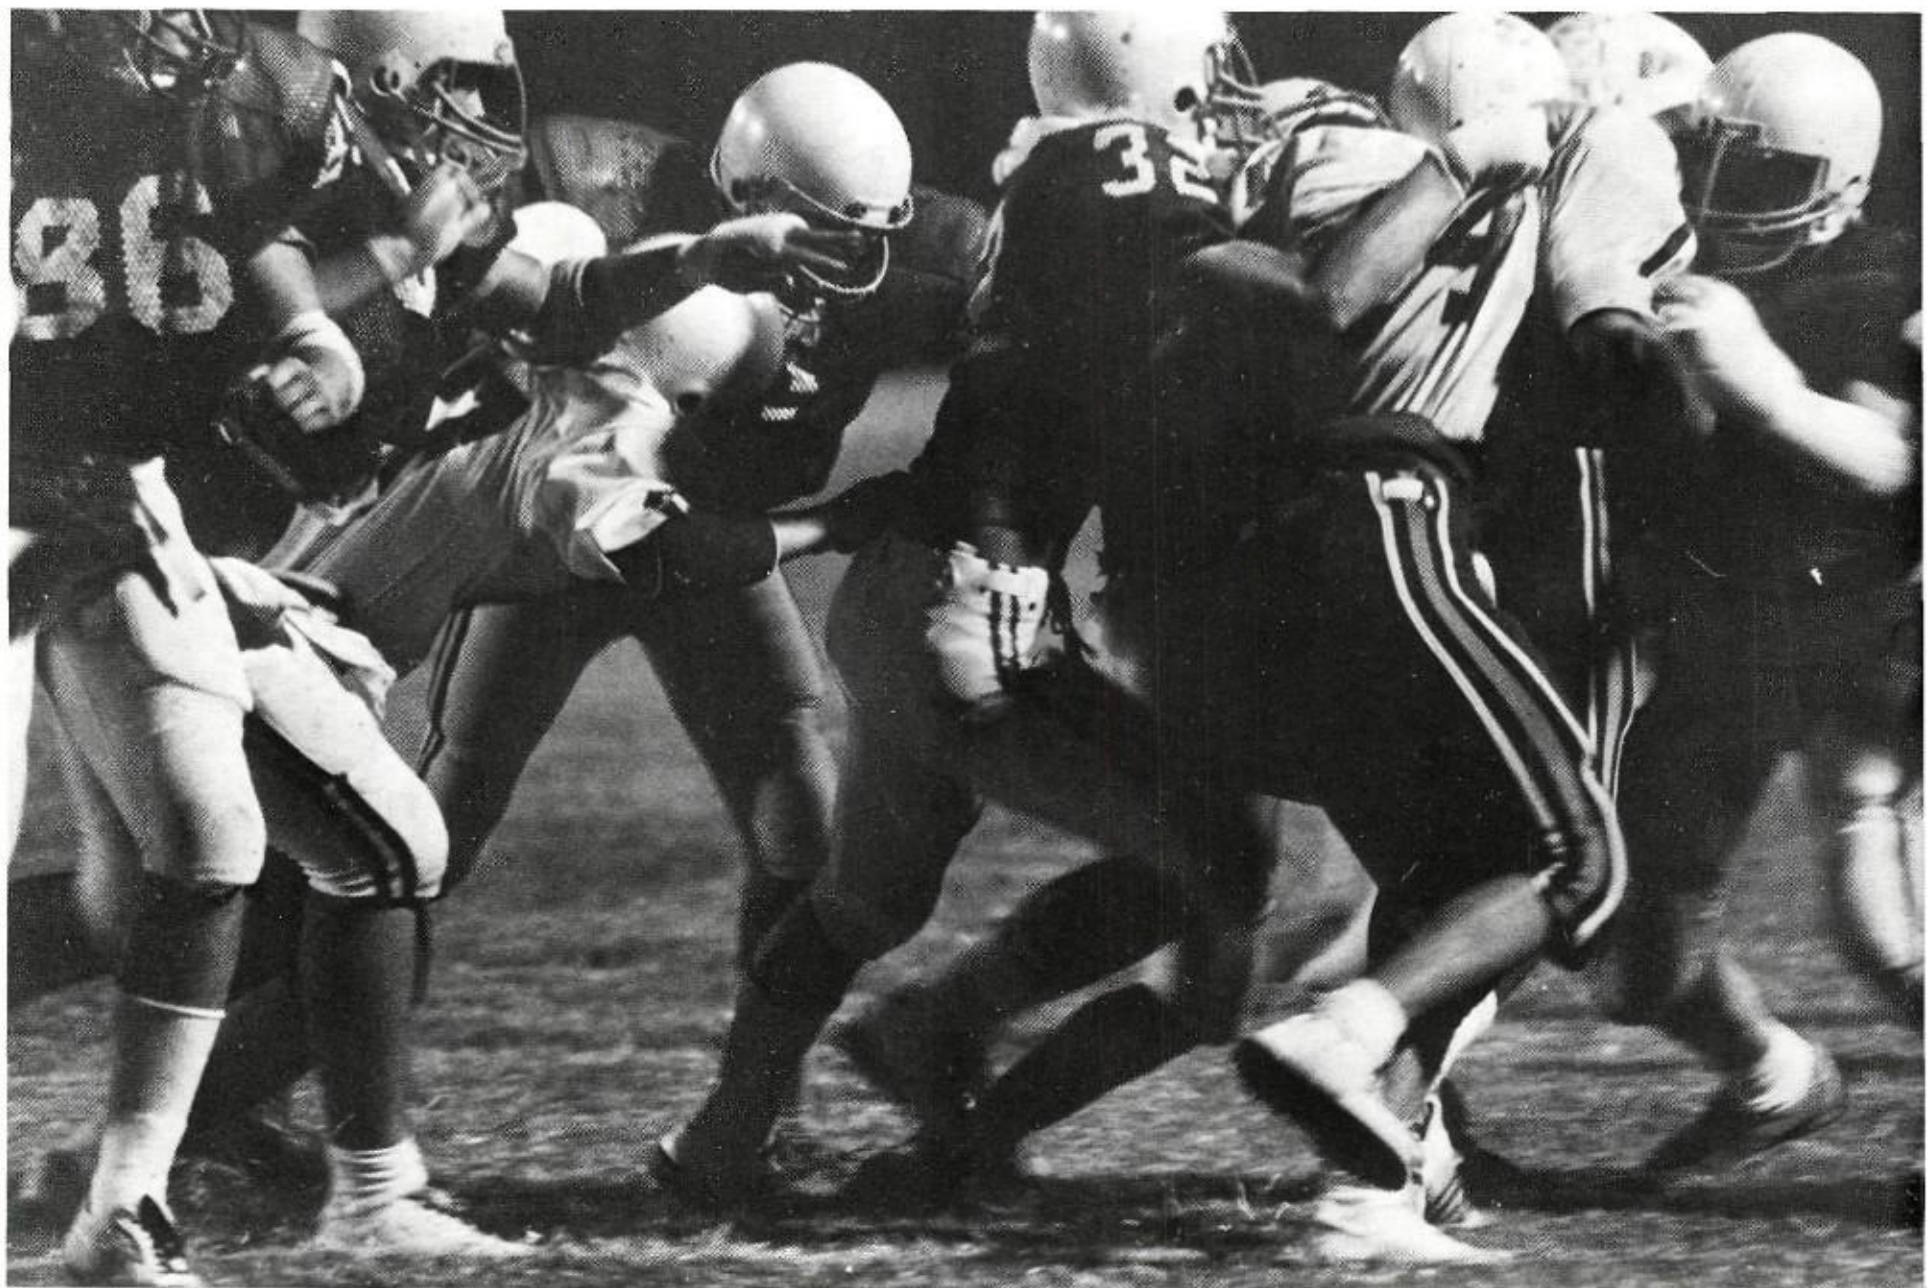

Younger Players Develop Skills

The junior varsity football team is important to the Broncos. It is where younger players can develop skills that will enable them to help the varsity team out in the future.

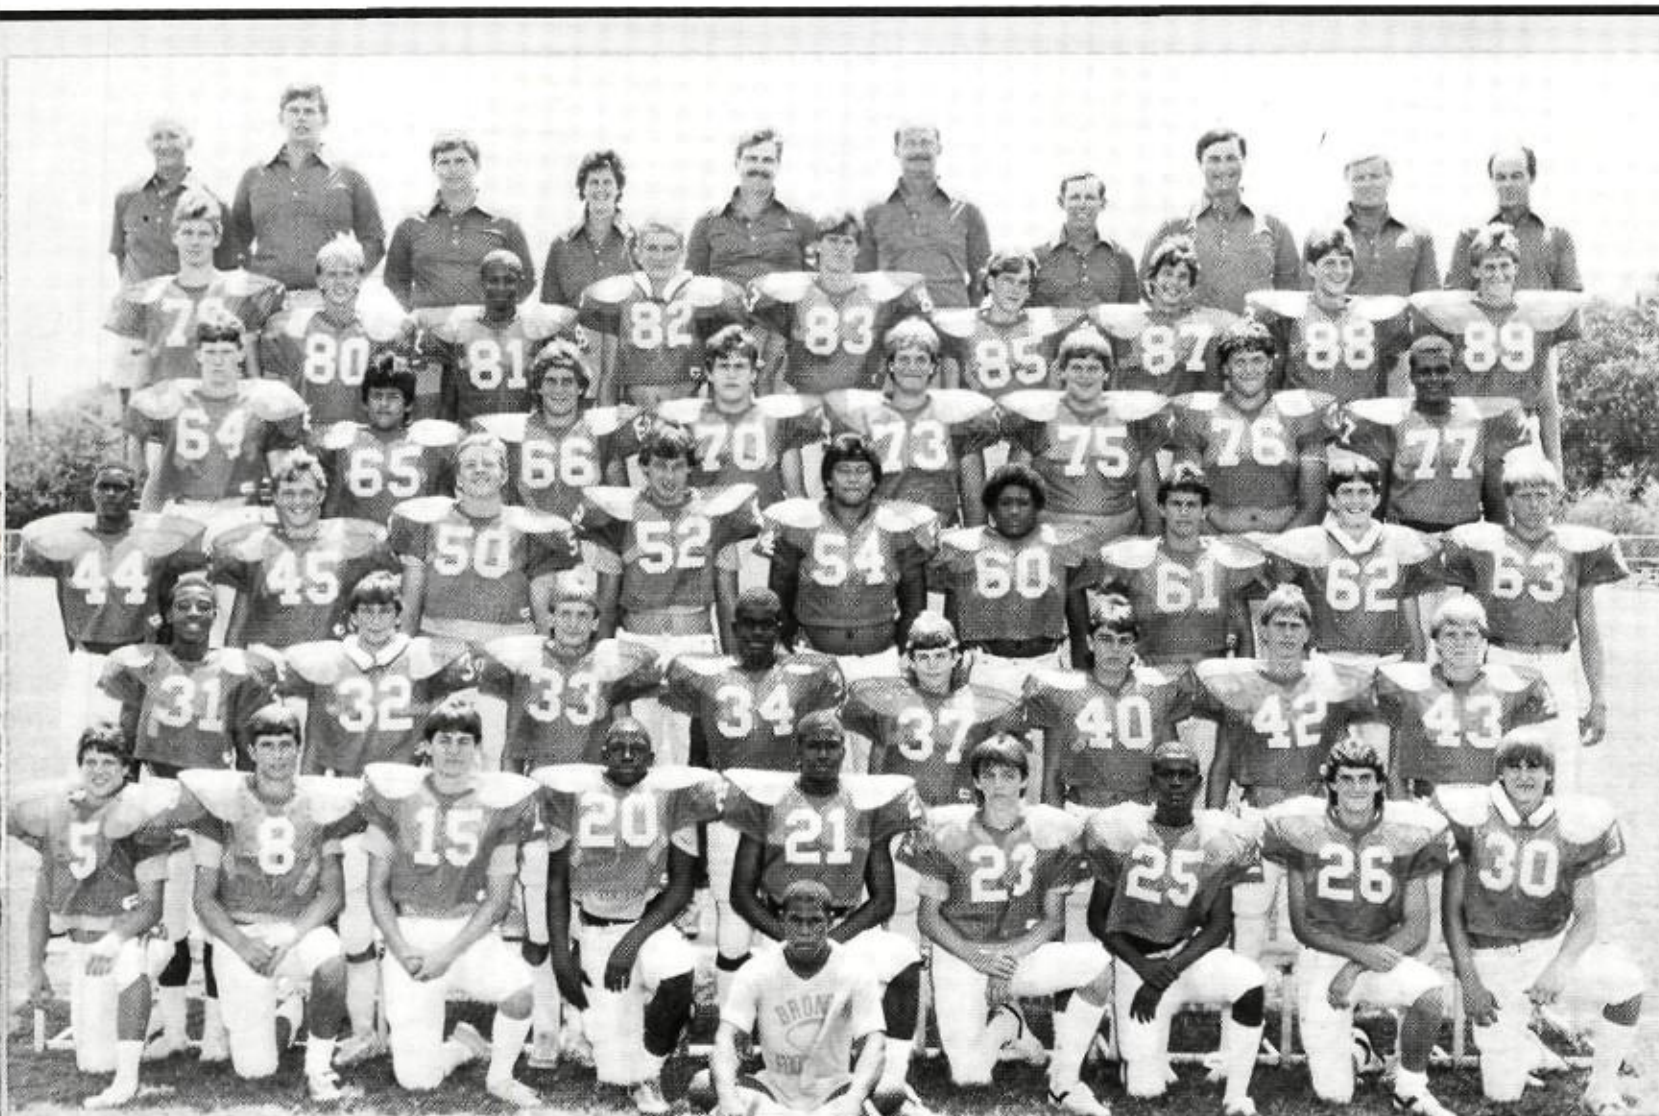

Players on the junior varsity often are called up to play on the varsity before the end of the season. This was true this year as several players were called on to play in the playoffs.

This year's team was another in a long line of good JV teams in Denton. They posted an 8-2 season record and a second place district finish. Several players were outstanding this year and it is evident that the Bronco winning tradition will be upheld for years to come.

Bronco Basketball

Qualifies for Playoffs

The 1985-86 season was a good one overall for the Broncos. The seniors led the Broncos to their sixth playoff appearance in as many years. The Broncos got off to a poor start dropping big losses to Dunbar and Lake Highlands.

Signs of life were seen, though, as the Broncos soundly defeated Pinkston and gained revenge on Dunbar. A solid defense and inspired fourth quarter shooting allowed the Broncos to overcome Sam Houston with a one point victory.

The Broncos had several obstacles to overcome as they were faced with shooting slumps, a difficult pre-season, and even untimely bad luck. They did display the kind of strong moral fiber that we all have come to expect from Denton High School athletics.

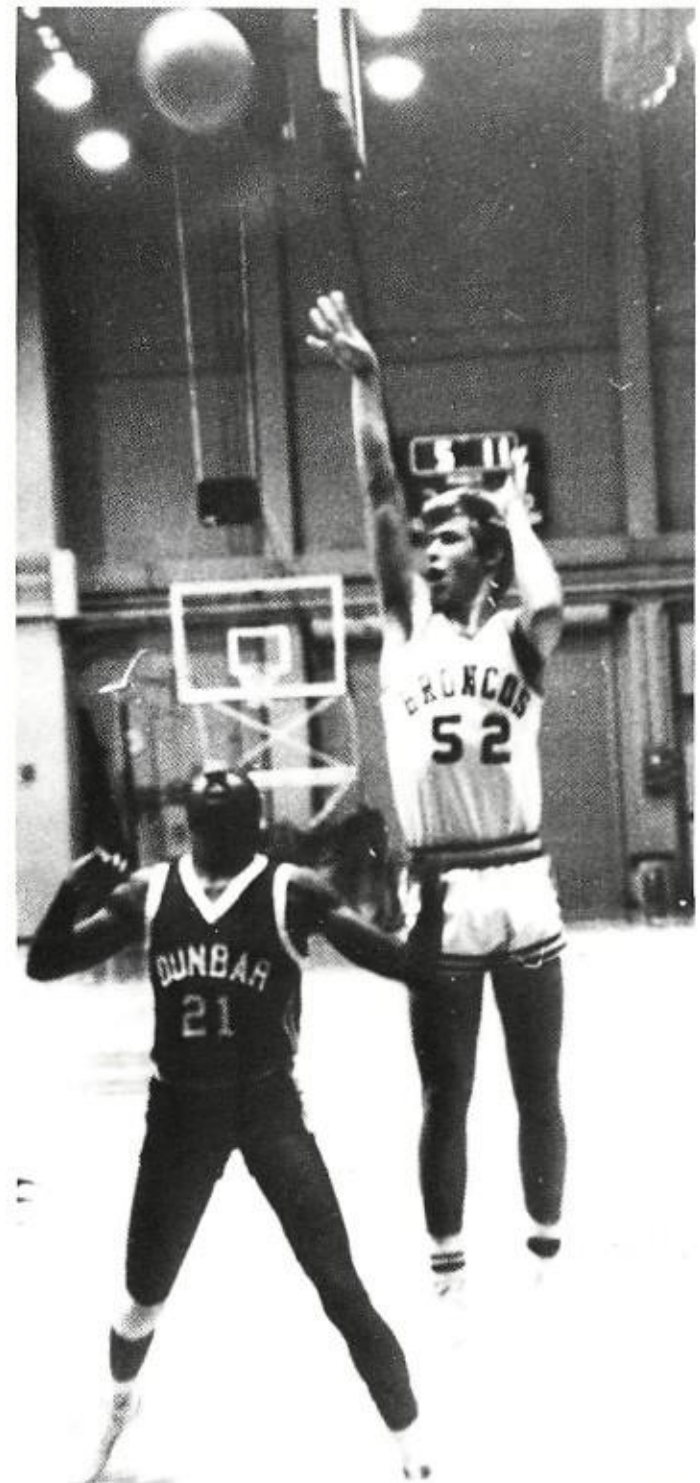

Despite the poor preseason record, the Broncos won seven of their 10 district games and tacked on a playoff win over Sherman to insure a second place in district.

Seniors Kittredge Evans and Curt Campbell led the Broncos in scoring with 13.6 and 10.9 points per game respectively.

Juniors Billy Manuel and Heath Wagner gained a lot of experience with optimum playing time.

Coach Maurice Evans celebrated his 100th victory as a head coach this year, which is impressive in the period of time that he has been coaching.

Broncos Prove They Have What It Takes

As is always true in district 5-5A, the team that wants to win the most, most certainly will.

Led by Kittredge Evans, Curt Campbell, Allen Dye and Monte Evans, the Broncos made the best of what they had. Denton came into district with a poor pre-season record, but didn't let that affect them in their play.

The Broncos were in second place after the first half of district: having big wins over Rider and Haltom City and a one point loss to Richland.

The second half proved to be much more challenging as they dropped an important loss to Sherman at the end of regular season play.

Not to be eliminated from the playoffs, the Broncos proved their desire with a big win over Sherman in a runner-up playoff game. This allowed the Broncos to enter the playoffs for the sixth consecutive season.

Junior Varsity Shows Great Effort

The 1986 Bronco JV basketball team waited until the middle of the season to get rolling, but once they did they were hard to beat.

After winning only three of their first 10 games, the JV came on strong to win the Irving JV Tournament, the Prosper Tournament, and runner-up in district.

"This group was one of the hardest working groups I've ever had," said Coach Butch Shaw. "Their willingness to sacrifice was unsurpassed."

The team's record certainly did not reflect their efforts. Coach Shaw added "This year has been especially gratifying for me. I've had better records, but I've not had a better group to work with."

Many good things came out of this season that are encouraging for the future of the varsity. Mark Russel, Tyrone Emery and Darrell Breedlove all made big contributions to the team and improved greatly during the year. All of the players worked hard to overcome their weaknesses and will all help the varsity in the years to come.

Girls' Varsity Basketball

Advances to District

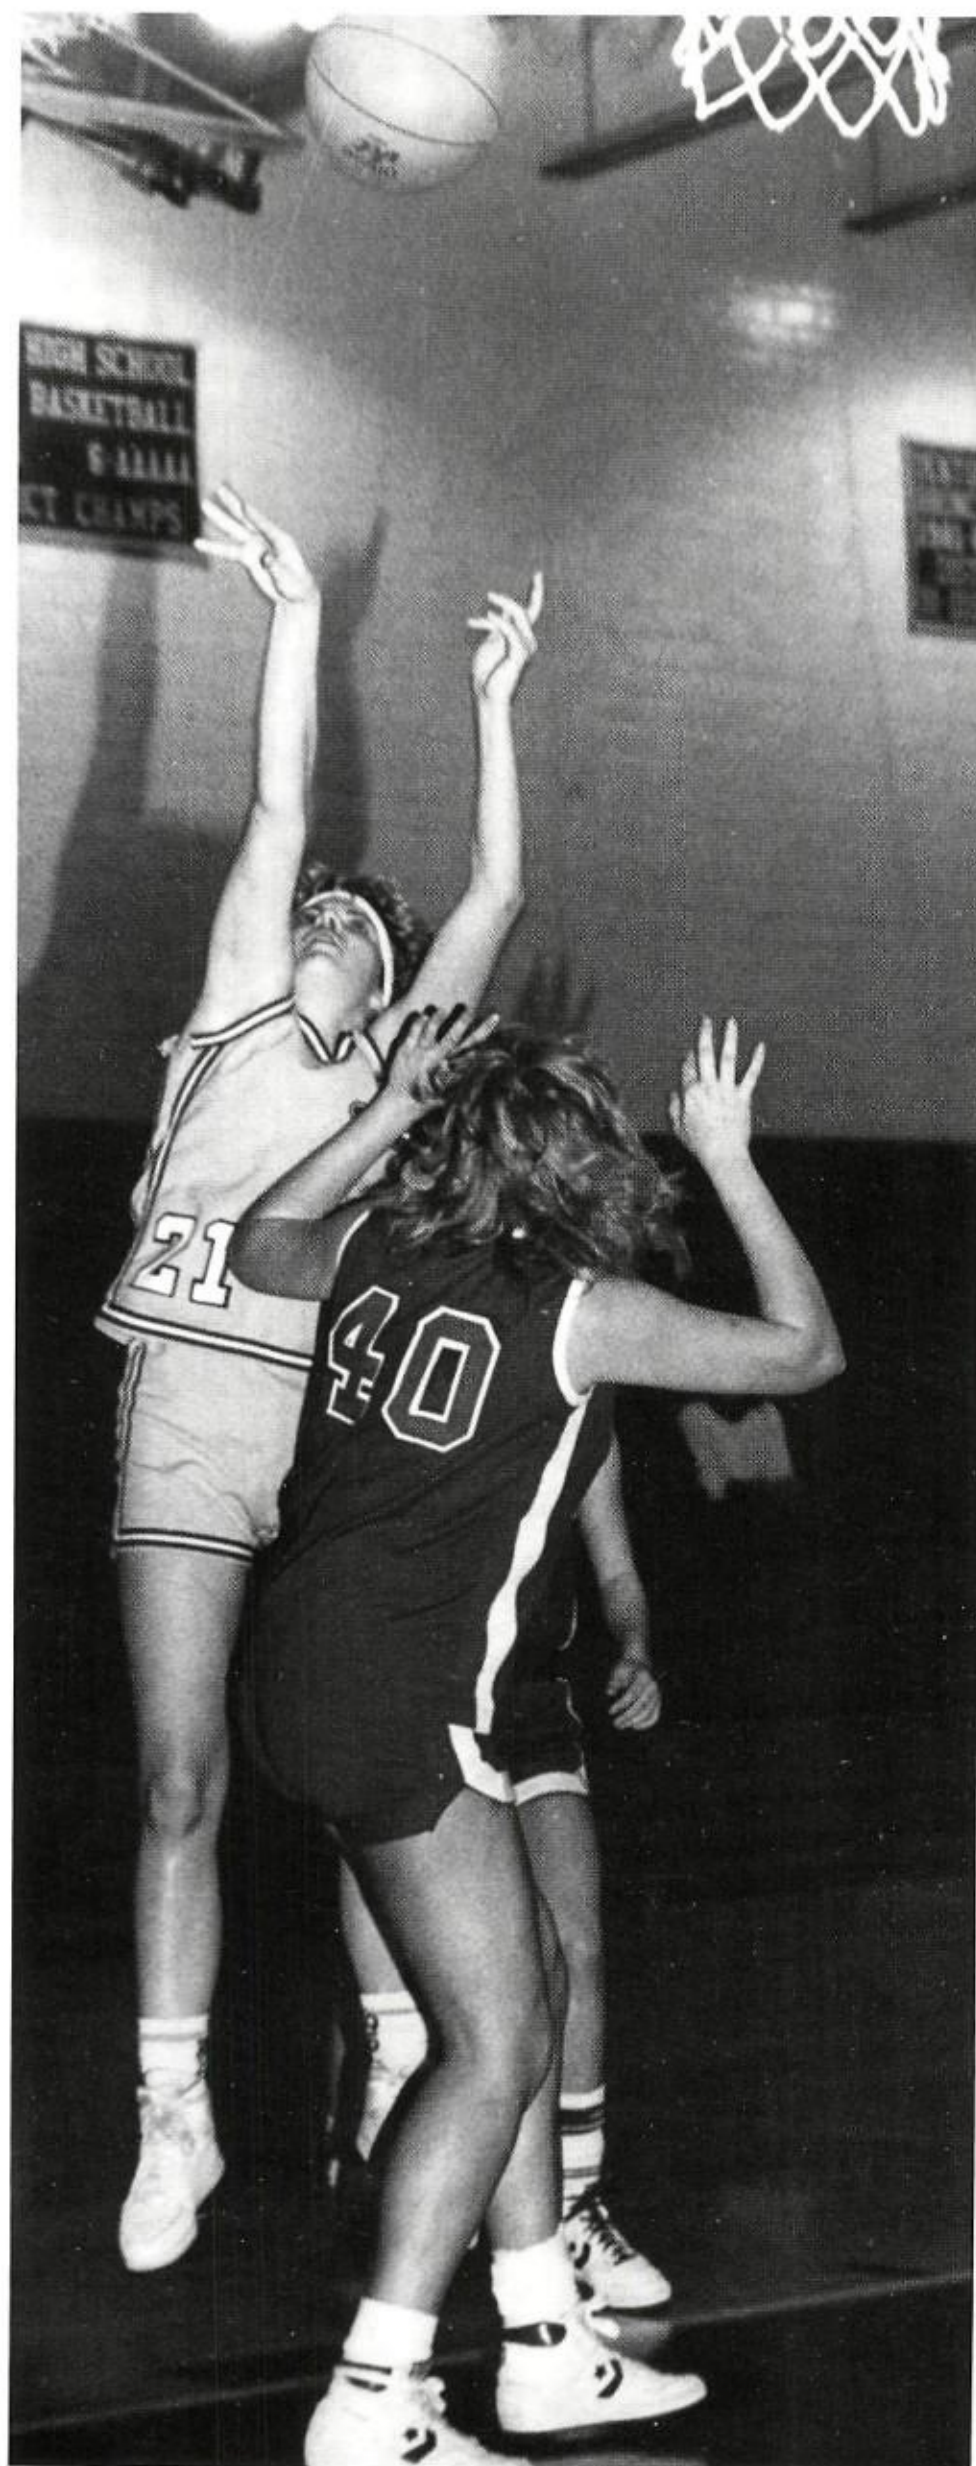

The overall record of the Girl's Varsity Basketball Team was 22-8, the best record ever at DHS. The record for district was 8-2.

The team of 85-86 was the first one to win bi-district ever. In bi-district, Denton defeated O.D. Wyatt.

Leslie Rezac was the leading scorer with 405 points. Rezac became second on the all-time scoring list. She also led the team with 48 assists and had the most points in a game with 33.

Varsity placed third in the Greenville tournament and third in the Dr Pepper tournament, the best finish ever.

Girls' JV Basketball Unites to Excel

The Girl's Junior Varsity Team won the Denton JV Tournament for the first time ever, as well as placing third in the Trinity JV Tournament.

Practicing from 7 a.m. until 9 a.m. and scheduling activities during practice time were two problems of the team.

A unique quality is the overall height of the team. In the past, there were shorter teams.

Kim Graham, Kerri Brandon and Jennifer

Miller were named to the All-Tournament Team in the Denton tournament. Kerri Brandon and Sharon Catlin were named to the Trinity All-Tournament. The JV team had 13 wins and five losses during the season.

No outstanding player was named because the girls worked well together as a team.

Bronco Soccer

Makes Believers

After Great Season

Many people didn't believe their eyes this year when they saw the Bronco soccer team in action.

To do their part in being part of the winning tradition in Denton, they proved to be winners in their own right. The team came out rolling with an undefeated pre-season, and went on to win district. At one point in the season, the Broncos were ranked Number 4 in the state by a local poll.

A lot of hard work was essential before any of this was possible, however. The team played with a "never-say-die" attitude that allowed them to come from behind to win several games in the last few minutes.

Excellent midfield support was given by Carlton Cooper and leading scorer Manuel Uceda. Peter Boatwright, Chris Hall and Matt Langa supported goalkeeper Ceki Danielson to comprise a stingy defense which allowed only an average of one goal per game. These were only a few outstanding players on a team of fine soccer players.

The entire team kept the right attitude throughout a colorful and exciting season. The evidence of their hard work is obvious in their accomplishments.

Junior Varsity Grows Stronger

The Junior Varsity soccer team did a lot to accomplish what every JV is meant for: to develop players that will help the varsity in later years.

With early losses to teams such as Plano and Plano East, the team was off to a shaky start. They showed determination though, as they came back later in the season to take runner-up honors in district.

A fierce competitive spirit led them to win five of their last seven games including a season finale with a win over previously unbeaten Lewisville. Many things will come from this team in the future as they carry on the winning tradition of Denton Bronco Soccer.

Girls' Soccer

Continues The Winning Tradition

This year the DHS girls' soccer team captured the District title by shutting out Lewisville. In post-season play, the team advanced to area playoffs.

Inspired by outstanding players Nancy Green, Jodi Rodriguez, Angie Ablowich, Katrina Keylon and Karen Detrick, the team ended the season with a record of 5-5-2.

Coach Renee Travelstead said, "When we finally started playing together as a team, it made all the difference in the world. We turned the second half of the season around. Considering we started the season with mostly new players and a new coach, I think we should be proud of the year we've had. I expect great things from this team in the future."

Lady Broncos Advance to Area

At the beginning of the season, the Lady Broncos volleyball team knew it had talent, despite a lack of experience.

The team got off to a bad start, but they captured a second place trophy in the Frisco Tournament, the Lady Broncos advanced to post-season play to become Bi-District Champions.

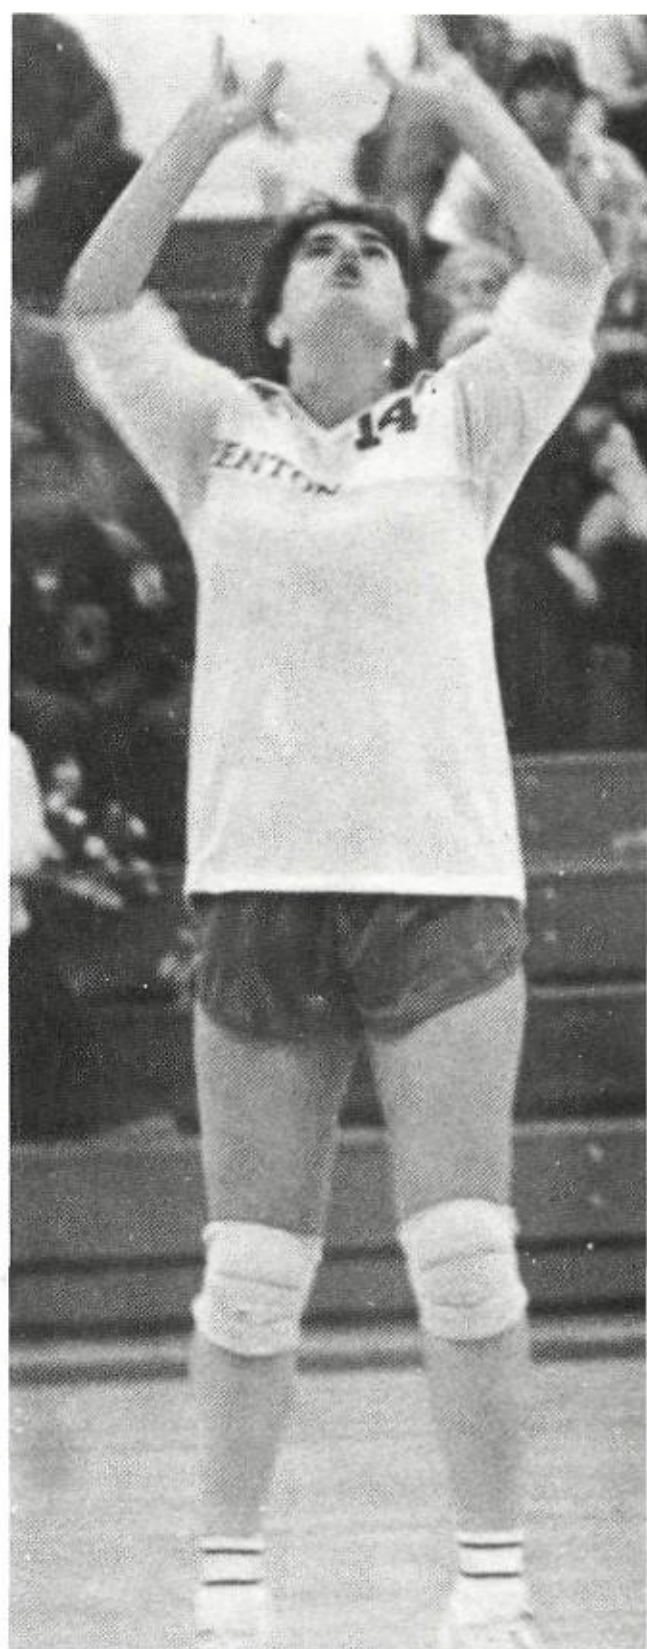

The Bronco JV ended the season at 10-10,

with a second place at the Frisco Tournament.

The 85-86 school year has been the seventeenth year for DHS volleyball. Becki Garcia took over as head coach in 81. That year the Broncos were one game from making the play-offs. The 82-83 season saw the Lady Broncos end the regular season with a 20-6 record, and ended up with the District and Bi-District Championships.

But in the area championship the Broncos were defeated by Arlington High. The next two seasons (83-84 and 84-85) did not give the Lady Broncos all that they wanted, placing third in district both years. This year, however, the team once again stood out.

Swim Team Defends District Title

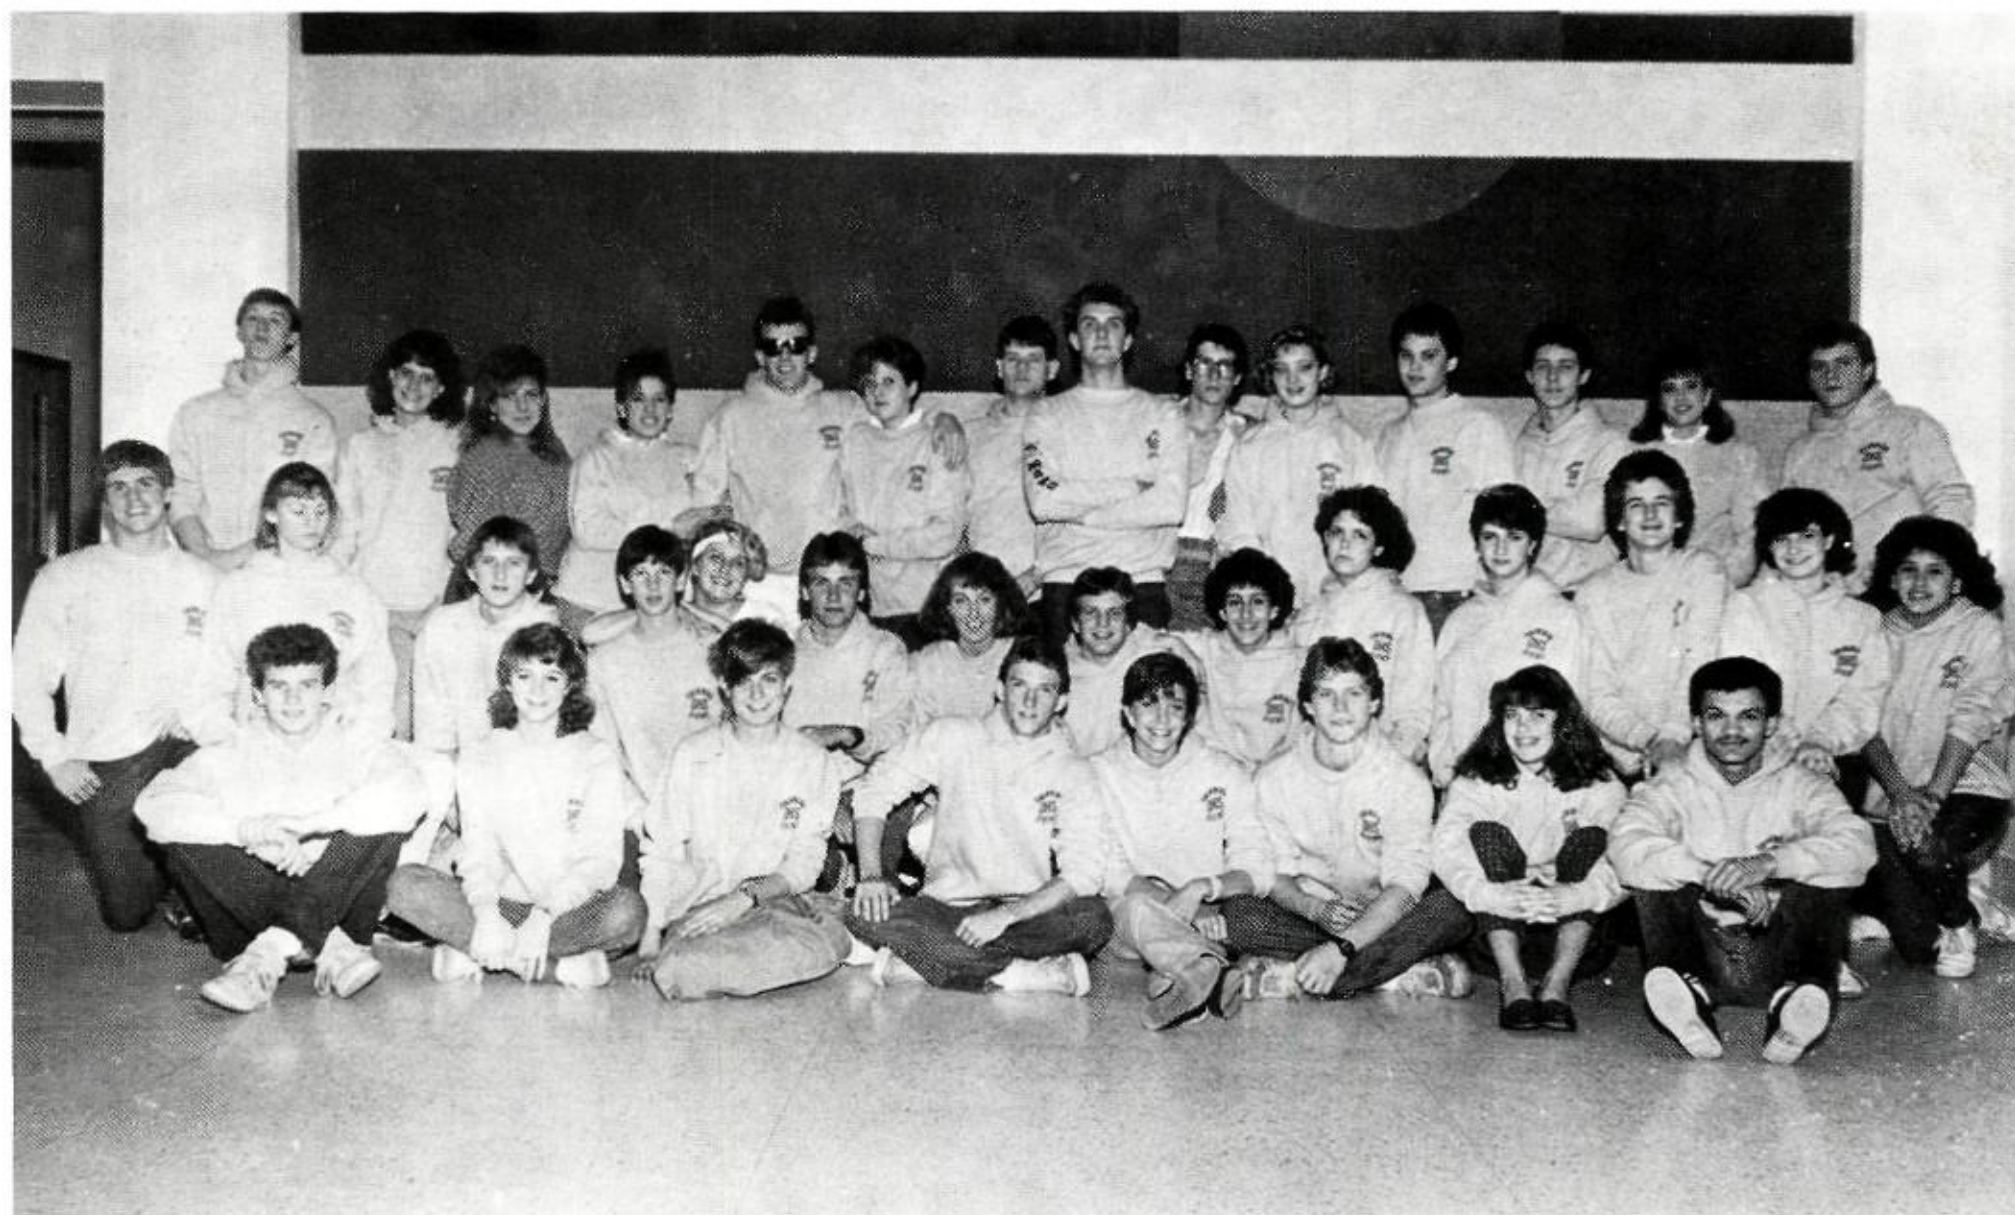

With 25 returning lettermen, the swimming and diving teams went up against Lewisville High School and Marcus High School for the District title and came away with several first place medals.

Leading the team in individual events this year were: David Vincent in the 50-yard breast stroke and the 100-yard breast stroke; Emmanuel Sarger, a visiting student from France, in the 100-yard freestyle and the 100-yard backstroke; Robert Meador in the 200-yard individual medley and 100-yard butterfly; and Heather Hoskins, who went to the Texas State

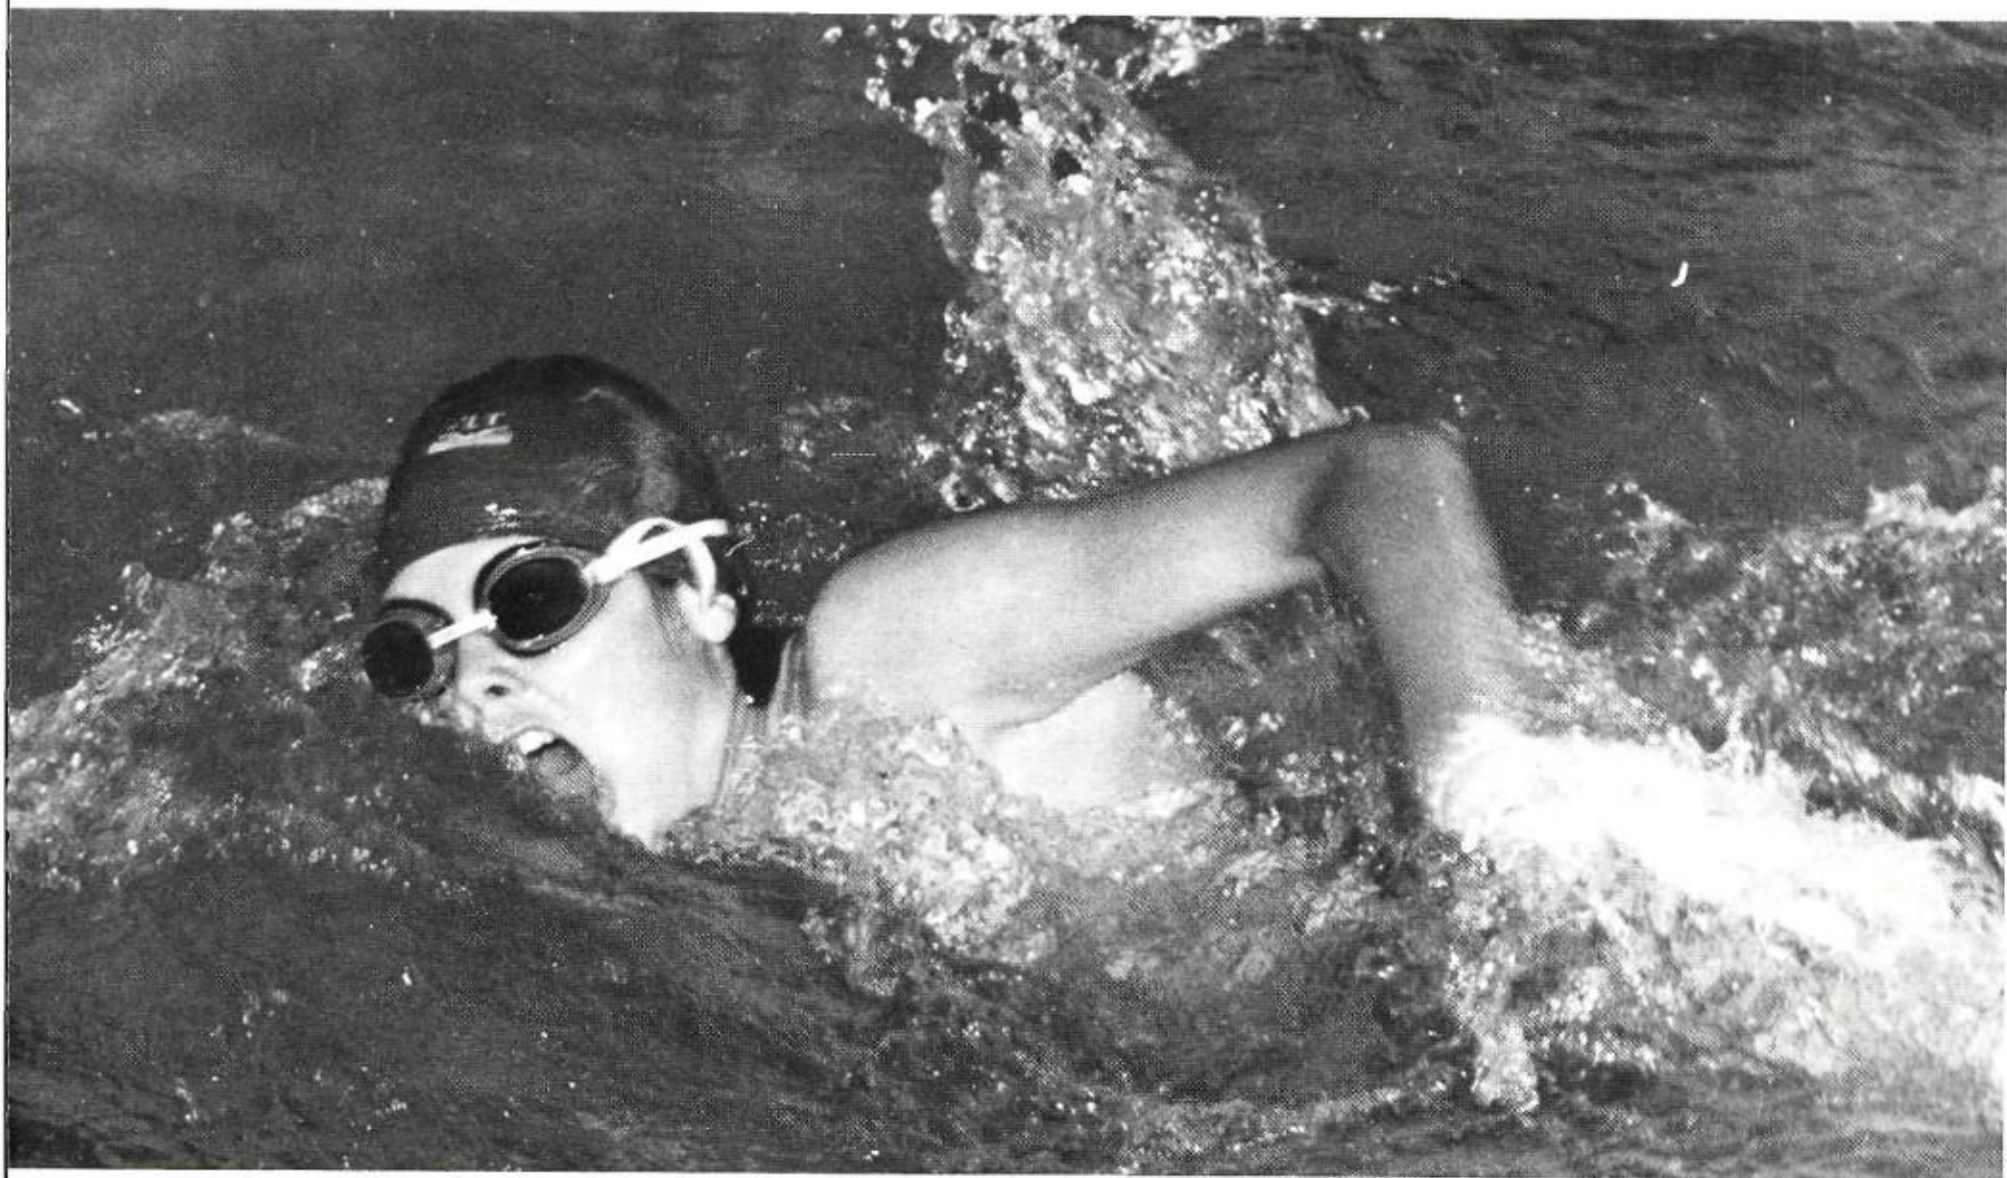

High School Invitational in Austin, in the 200-yard freestyle and the 100-yard butterfly.

Coach Lisa Haslett stated that the swimmers and divers are stronger as a team this year. She pointed out that swimming is the best exercise around because not only do they work-out in the water but they also train on land. Coach Haslett commented that, like every year, the team goal was to increase their diving scores and have faster swimming times.

Track & Field

Sends Members to State

Every year goals are set for the Bronco boy's track team. This year's goals were to have each individual perform up to their capabilities, perform as well as a team as possible and win district championship.

The Denton Broncos have won the district championship for the last nine years.

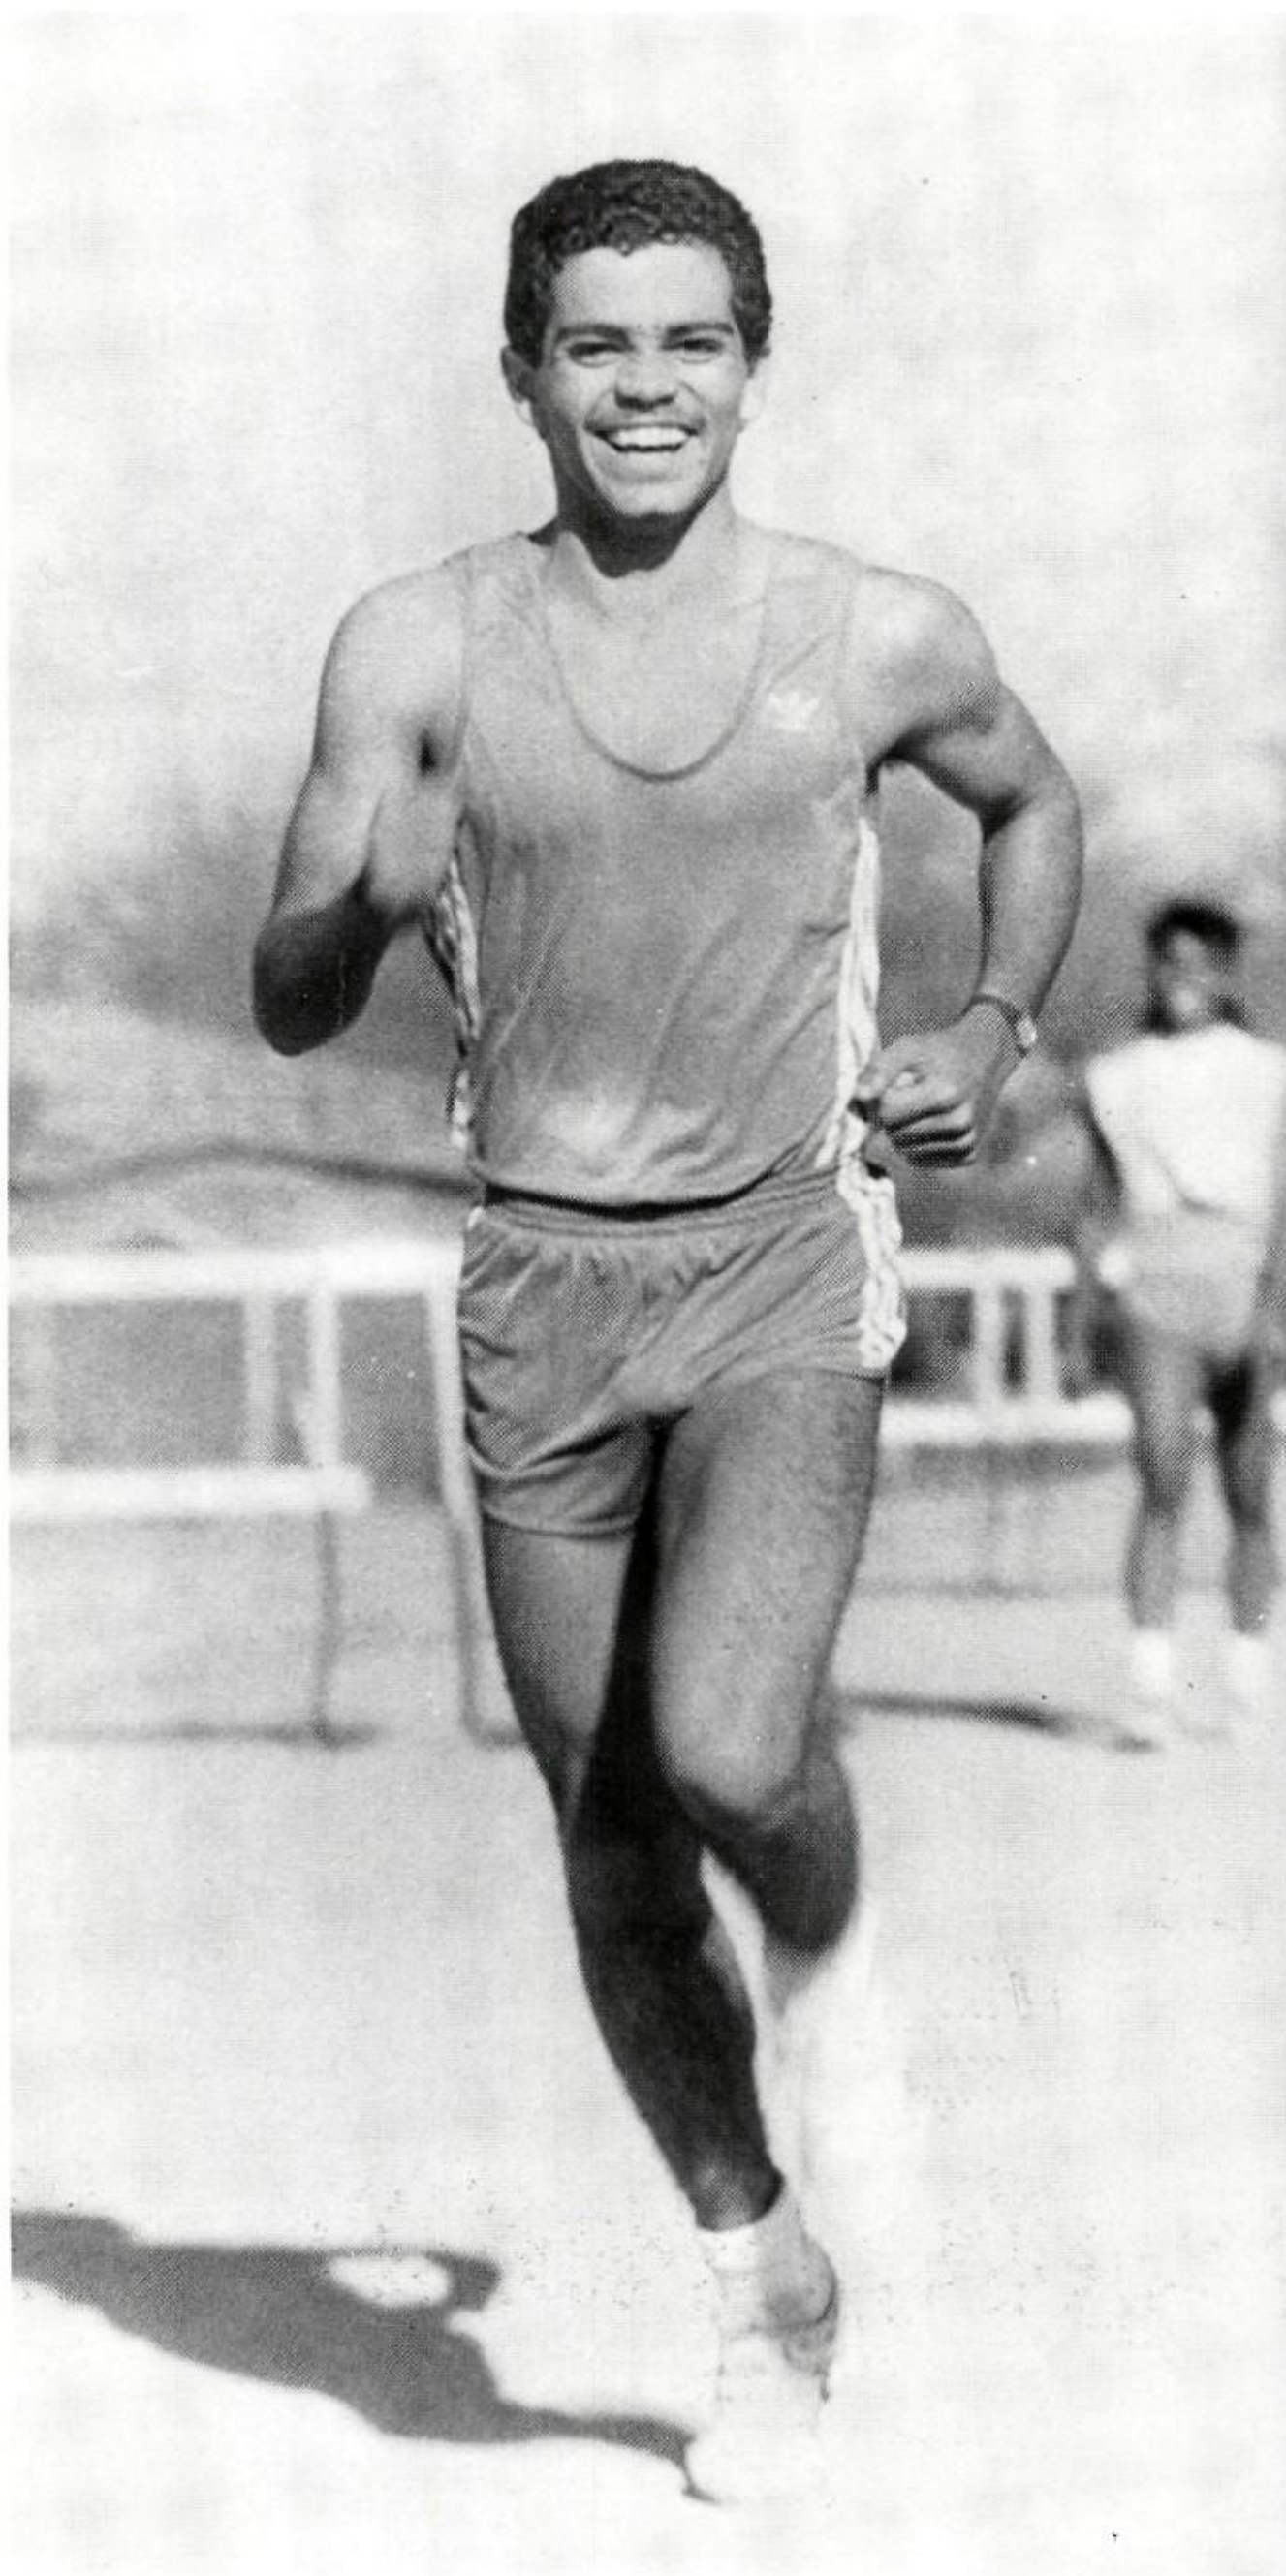

Broncos were the strongest in Pole vaulting with Mike Tansey who qualified for State. Other areas of strength were distance, sprints and weights.

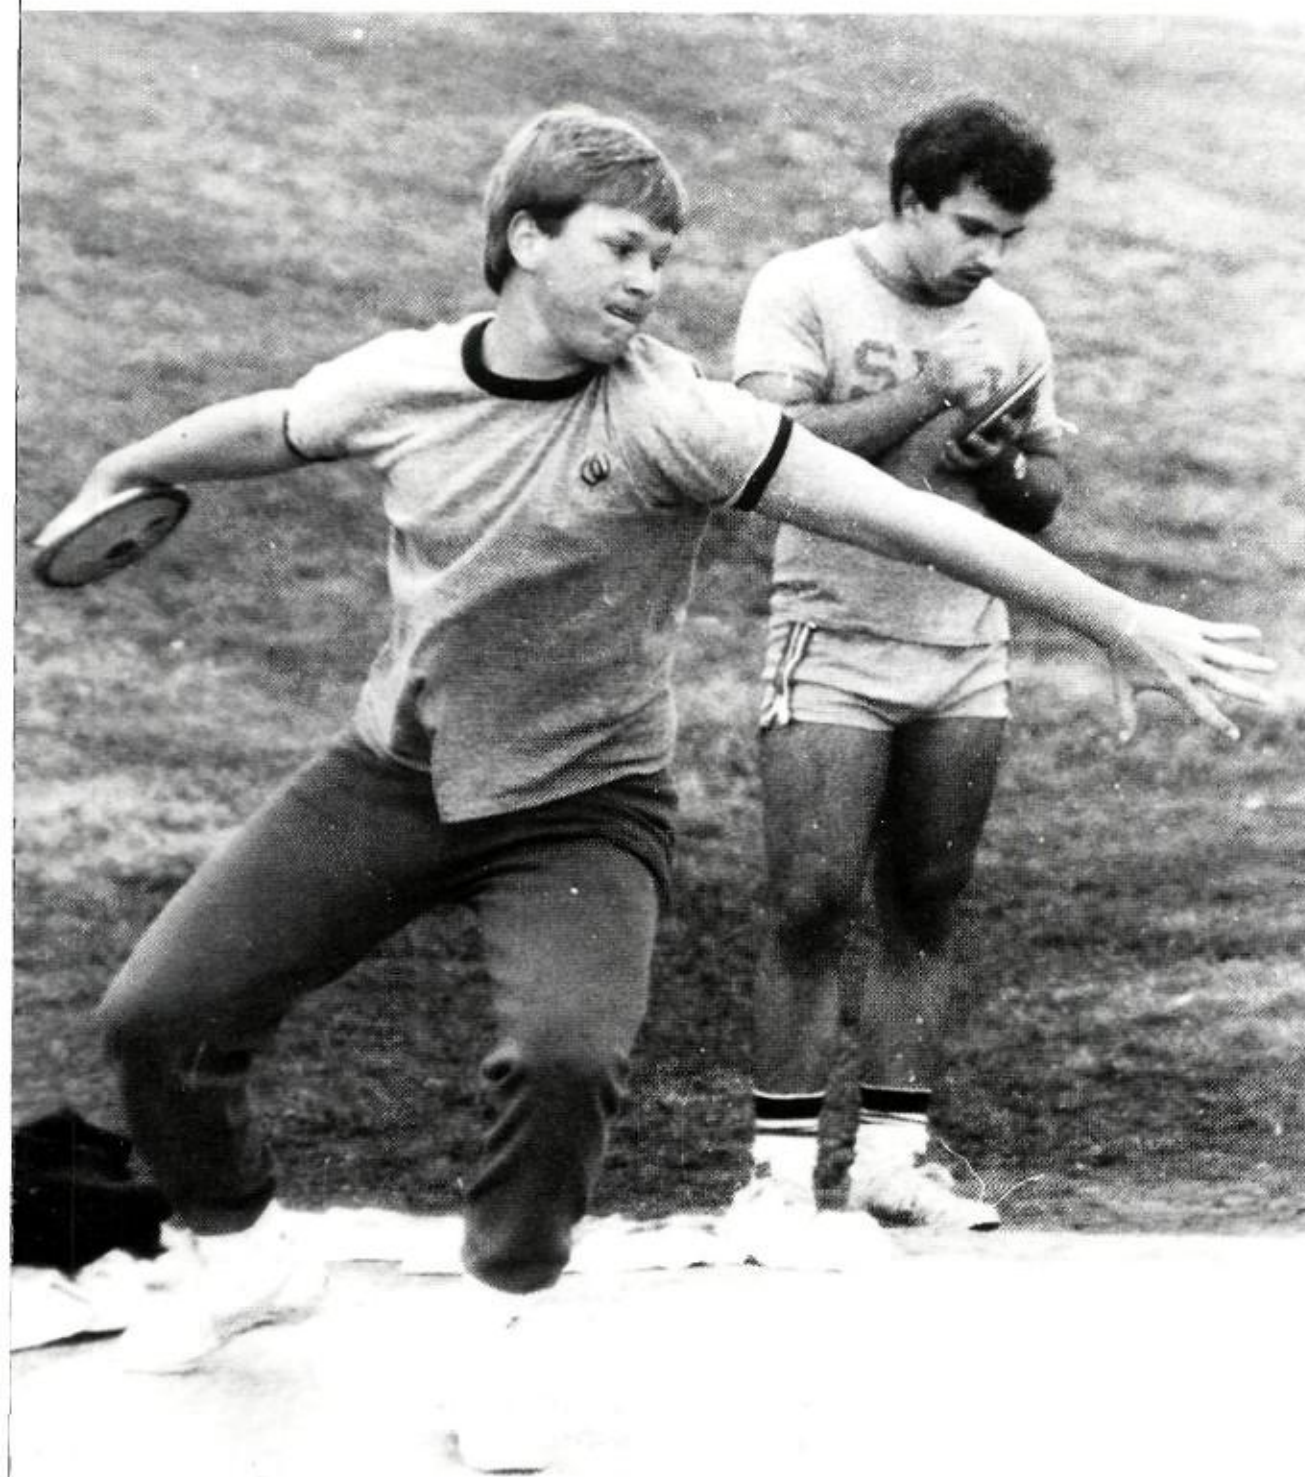

Coach Fred Grindle said of the team, "I have finally come to the realization that it is not that a young man is the fastest or strongest or can jump the furthest or highest. It is rather, whether that young man has done the best that he is able to do. For if they strive to do the best that they can in athletics they will do the same in life. That's the whole purpose behind interscholastic activities."

Tennis Team

Outstanding Players Advance

In perhaps one of the toughest districts, with teams that include Wichita Falls High and Wichita Rider, this year's Bronco Varsity tennis team is probably the strongest ever.

There are a few outstanding individuals that highlighted the Bronco tennis team. Kim Richter, a strong girls' singles player, finished second in district and qualified for regionals the last two years. Denton's number one doubles team,

Shawn Ankrom and Eric Sardina, are very strong and could qualify for region. Lisa and Marisa Jones, playing girls' doubles, could also qualify for region. Walter Nusbaum and Brad Locke are number one and number two for boys' singles and can play well enough to qualify on any given day.

Bronco Baseball Carries on the Winning Tradition

The 1986 Broncos added another pennant to their long list of achievements.

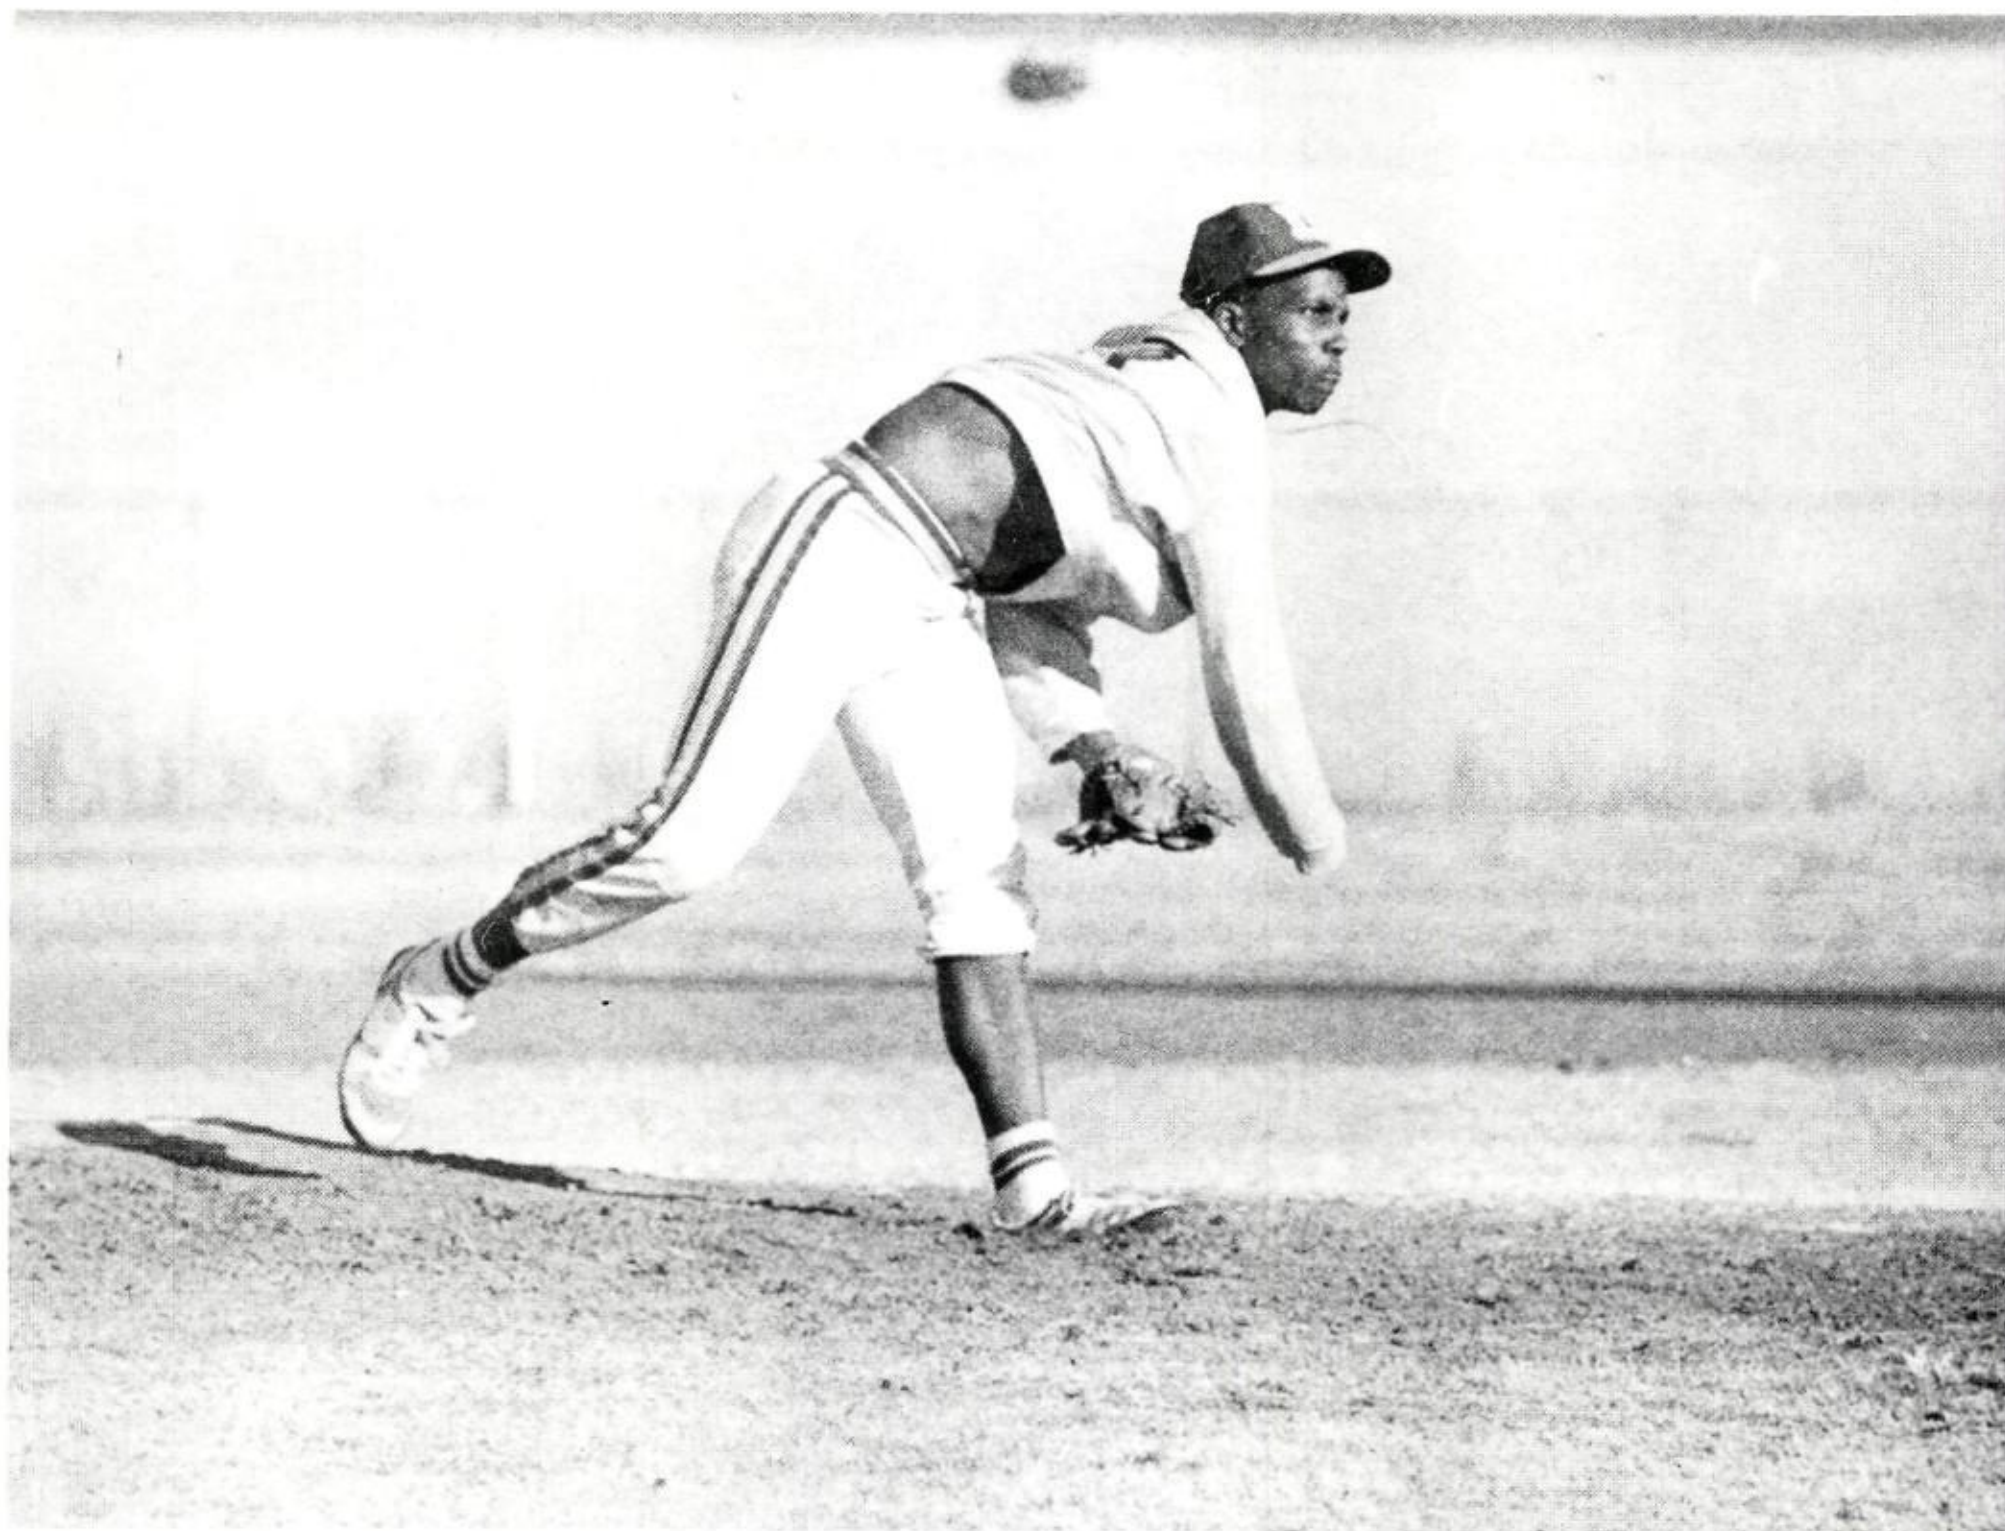

With a very strong pre-season schedule, the Broncos got some valuable experience before district play. It paid off very well in district as the strong crew of experienced veterans forged their way to a playoff berth.

With a season record of 14-8 and a district record of 8-2, the Broncos improved steadily all season long and headed into the playoffs with a lot of momentum.

Outstanding players selected by head coach Tommy Blair were Damon Pollard, Tim Tadlock, Mark Nusbaum and Warren Wright.

Coaches Teach More Than Just Sports

Young people look to an older person for knowledge.

They look to parents for everything from love to leadership, and from cash to caring. People look to friends for support. People look to teachers for information. Above and beyond all of these is the coach.

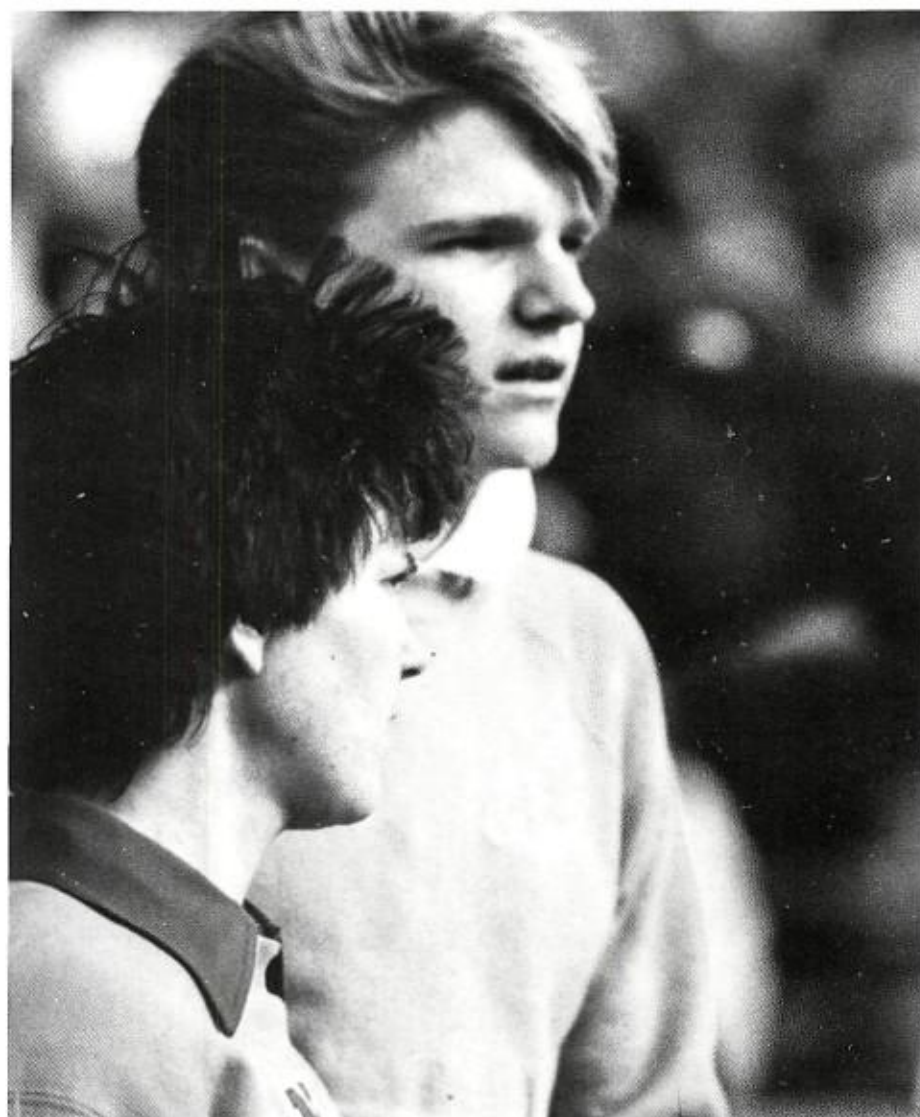

Coaches teach things that will mold a young person into a good person as an adult. The way that a coach watches someone keeps him always on his toes. The ways that a coach disciplines teaches humility. The way that a coach pushes someone teaches self-motivation.

When a coach is able to lead a team to victory, the players absorb and remember the good feeling that winning gives.

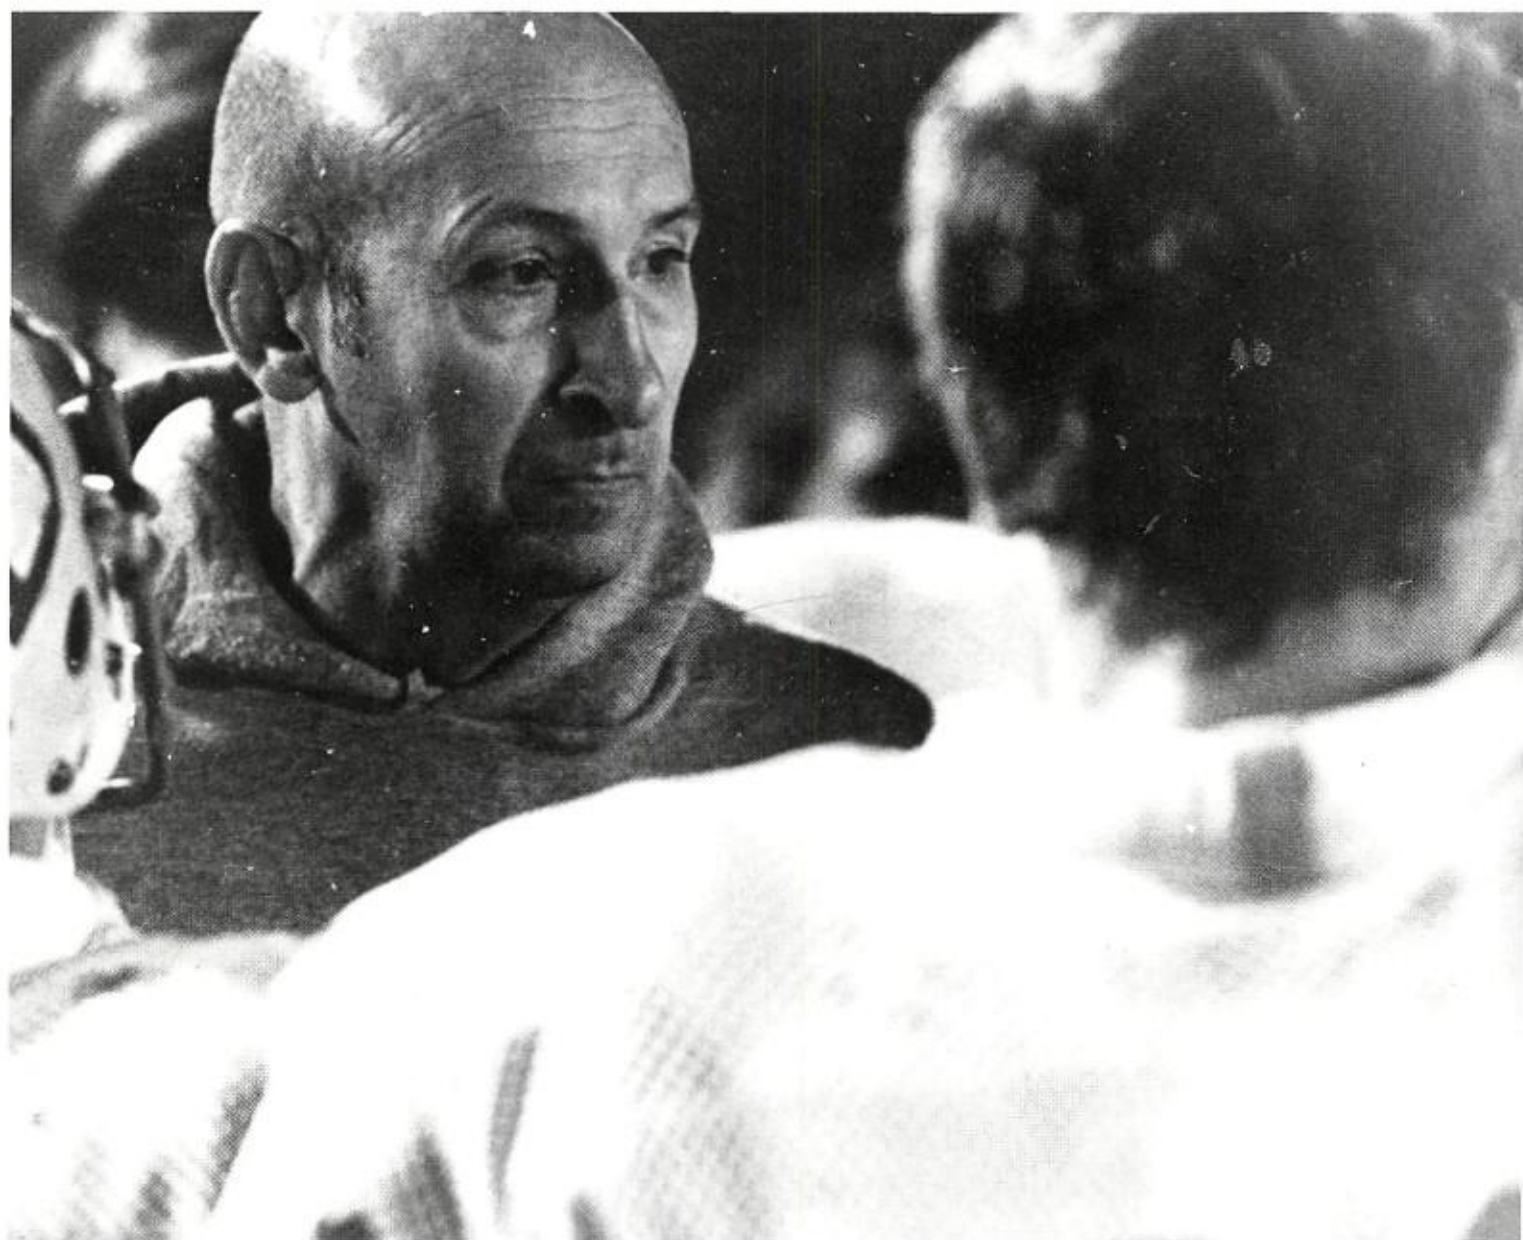

Altogether, a coach teaches character, common sense, desire, and determination. Very few people ever forget their high school coaches, and most hold fond memories of their high school sports experiences.

Not many schools can boast such an excellent staff of coaches as Denton High.

Marching Band

Places in State Competition

The DHS marching band, The Pride of Bronco Country, played a large part in carrying on the winning tradition at Denton High School this past year. In addition to entertaining the half-time crowds at football games, the band also competed in four different contests.

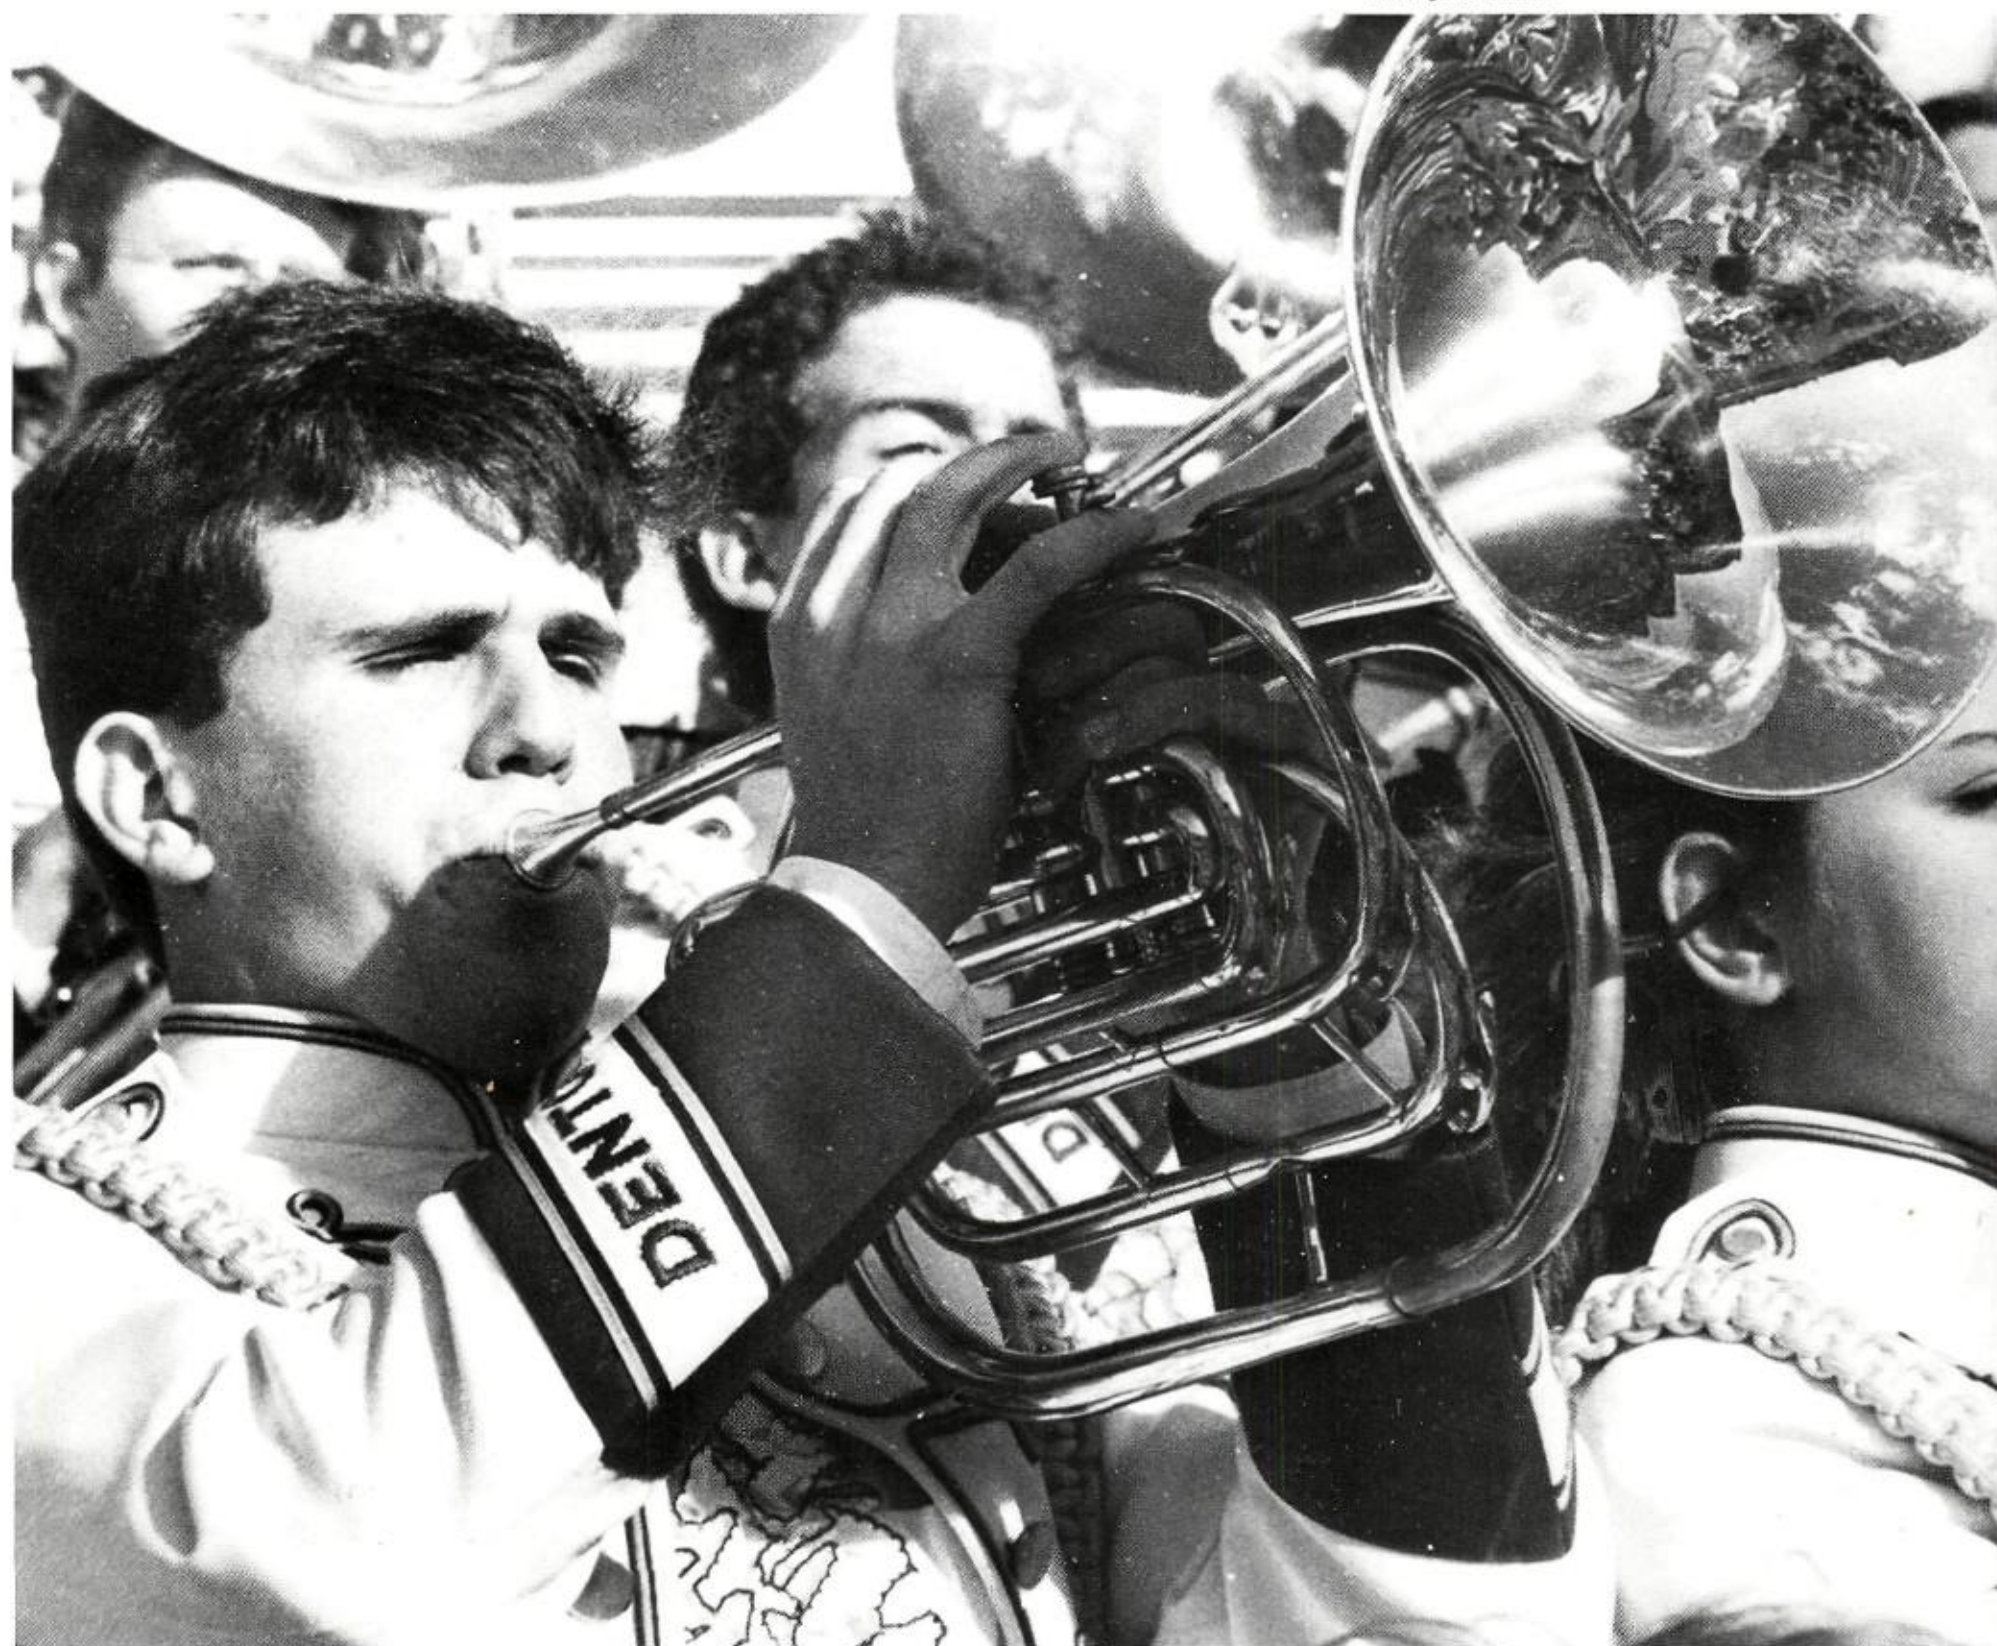

The opener to the band's show was a medley of the songs "Tennessee Waltz," "Ol Man River," and "Georgia on my Mind." The second number, "Mysterious Interlude," utilized smoke from fire extinguishers to produce an eerie effect. Then there was everyone's favorite, "Axel F.," the theme song from the ever popular movie, *Beverly Hills Cop*. Next up was a jazz number called "Ruby, Ruby, Ruby," followed by the closer, "The Battle Hymn of the Republic."

The first contest for the band was a non-U.I.L. contest held at Plano, Texas. The DHS band received trophies for a first division rating, best drum line, best in class, and the best band in competition. From this contest the band proceeded to the U.I.L. district competition where it was chosen along with the Bell High School band to represent their district in the regional contest held at Vernon, Texas. This contest was a complete victory for the DHS band. It was chosen unanimously by the judges as the best band at the contest and along with the Abilene Cooper High School band journeyed to Austin, Texas for the state marching band competition. Denton placed sixth in the state, just missing the finals among the top five by a tenth of a point.

DHS Stage Band

New Looks for an Old Group

The beginning of this school year saw the Denton High School band being moved out of its old band hall and into a temporary one located in the former Metal Trades Shop in the Vocational Building. Nevertheless, the pride and quality were still there through marching season and right on through the concert season. Finally, with the completion of the old band hall's remodeling, the two stage bands were reunited with a familiar but different looking old place.

Although moving back and forth was a tedious task, it was not the biggest problem faced by the organization this past year. Burglars victimized the band earlier in the year, stealing a synthesizer, a video camera, and some money. However, this bad experience was quickly put aside as the two stage bands moved on to

University Interscholastic League (UIL) competition as well as a national competition at *The Buccaneer Music Festival* held in Corpus Christi, Texas, this past spring.

Mr. Don Hanna, chief coordinator of both bands and director of the *Symphonic Band* was assisted by Mr. Ricky Kleine who directed the *Concert Band*. As usual, they exerted much pressure on the students to do their very best regardless of the circumstances at hand. This constant pressure as well as much work on the part of each student, both in and out of school, helped both bands to carry on a great winning tradition that will no doubt continue into the future.

Cheerleaders

Make Spirit Ring Through out School

As popular as a Bronco touchdown pass, Denton High's cheerleaders added color and action to the playing field as they directed coordinated pleas for victory.

While other students were still on vacation in August, cheerleaders were hard at work, learning the tricks of the trade at cheerleading camp at SMU.

Camp began at 9 a.m. and ended at 9 p.m. They had one hour off for lunch and dinner. The Varsity cheerleaders received four superior ribbons, one excellent ribbon, the spirit stick twice, and the 1985 award of excellence nomination.

The Junior Varsity cheerleaders were awarded with five superior ribbons, the spirit stick, and the 1985 award of excellence nomination. Both, varsity and JV were named Super Star Squads.

Each week cheerleaders painted posters, decorated the school, and planned pep rallies. They also decorated the locker rooms and bought or baked treats for the athletes.

Debate, NFL and Thespians Work to Develop Skills

Students who are skilled in extemporaneous speaking and have a knowledge of current economic, political, and social affairs comprise the Debate Club.

The objectives of debate are to develop analytical and objective thinking, to present different viewpoints on controversial questions, to develop skills in research, and to conduct a profitable, public discussion.

The National Forensic League is made up of students who are active in debate and drama. These students compete in the areas of debate, public speaking, and acting.

The National Thespians Society, led by sponsor Mrs. Opal Hall, is made up of students who are devoted to acting.

However, talent is not the only quality a Theater Arts student must possess. It takes dedication, skill in speaking and memorization, responsibility, and a lot of hard work to complete a production.

This year the drama department performed "Squad Room," "Space Pandas," and "Making It."

Fillies

An Award

Winning Team

This year, the Fillies upheld their long standing tradition of excellence. The Fillies received several exceptional awards for their performances.

At the SMU American Drill Team School Camp, the Fillies received top awards such as Division I in dance, marching, and creative night competition. The Fillies were selected as the

"most admired team of the week" by the other teams at the camp.

The outstanding performance of the Fillies continued at the NTSU competition. Here they received Division I in their pompon, prop, and novelty routines. Their pompon routine gathered another choreography award for the Fillies. The Sweepstakes award was given to the Fillies for receiving all Division I awards. The Judges Award was also given to the Fillies for receiving ones from all the judges. In the Mardi Gras Drill Team Competition in New Orleans, the Fillie officers received a Division I rating. Karen Beasley, Missy King and Kristi King were chosen for Who's Who Among High School Drill Teams.

Sheri King, Leslie Wilborn and Kim Robison were selected for the 1985 All-American Drill Team.

During the year the Fillies were required to learn five football season routines, two pep rally routines, and an average of four to five routines for the Fillies Follies. Extensive practice was required to learn all the routines and gain perfection. To raise money for various equipment, the Fillies hosted Annual Junior Drill Team Clinics and camps. They also sold candy and ads for the Follies program.

The Fillies perform an outstanding routine at the Homecoming game.

Fillies Folly for Class Act

Right after the Christmas vacation, preparation for the Fillies Follies began. Hard, serious practice was held every day after school. Each Fillie was required to learn an average of four to five routines.

For the Follies performance, each officer had her own squad. Each squad performed a different routine. There were also sophomore, junior and senior routines. A three year Fillies routine was arranged for girls that had been in Fillies for three years. The Fillies Jazz Company and the Fillies Kick Company performed, as well as the captain with her solo performance.

This year's Follies was held March 6, 7 and 8 in the DHS auditorium. Last year marked the first year of open auditions for the Follies emcee. This year auditions were held again to find talented DHS students to emcee this year's Follies. Seniors, Reggie Jackson and Chad Dickson were selected to emcee the 1986 Fillies Follies.

Academic Decathlon

Promotes Academic Endeavors

The Academic Decathlon was a Nationwide competition of high school students designed to promote and reward academic endeavors.

Youth and Government

Practices Legislation

Youth and Government allows students to learn about government through participation.

The program, which is divided into Legislative, Judicial, News Media and Executive Government Planner branches, covers all aspects of state government.

Students write and debate bills, try cases and run for offices, such as Youth Governor, at the district and state conferences.

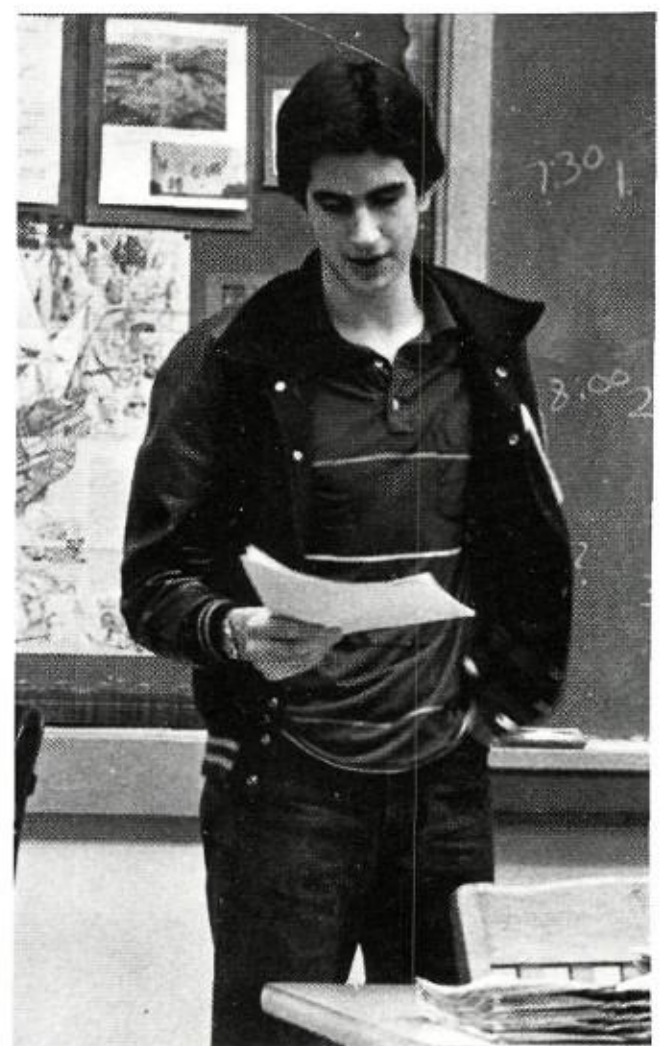

The district conference was held at the Dallas County Courthouse during the first week in January, while the state conference was held at the State Capitol in Austin the last weekend in February.

Winning delegates at the state conference can attend the Youth Conference on National Affairs in North Carolina in July.

Horseshoe Publishes Award Winner

Once again the award winning *Horseshoe*, produced by second and third year journalism students, has continued to keep students, faculty, and the community informed about life in general around the high school campus.

The *Horseshoe* itself was entered in competition. Two national competitions included The American Scholastic Press Association and the Columbia Scholastic Press Association where it received a first place certificate this past year. Two state competitions include The Texas High School Press Association and the Interscholastic League Press Association.

"A Journalism background helps a person become more diverse by working with different types of stories in various situations. A student is exposed to ideas and information that he might not get anywhere else. Working for a publication helps to develop a person's maturity and responsibility," said Miss Karen Horn adviser.

French Club

Carries on Tradition

Carrying on the tradition, the French Club made an annual trip to Dallas for a French play and then lunched at The Magic Pan.

In October, Loic Henry, a friend of Emmanuel Sarger, a student from France, came to visit DHS and to talk to some students of the French Club. In talking about French cuisine, Loic mentioned that he knew nothing about Texas cooking so he was treated to an American meal featuring Texas specialties.

Along with many other celebrations was a Christmas Feast in which Christmas Cakes called Baches de Noel (yule log cakes) were served.

To end the year, third and fourth year students performed a puppet show in French called Guignol for elementary schools and for the Foreign Language Contest.

German Club

Competes in Area

The German club had many activities throughout the school year. To start the year, they sponsored a German Sausage booth in the Homecoming Carnival.

The German Club traveled to the University of Dallas to participate in November Fest where they competed against many German students in academic as well as sports competitions.

The academic competitions included culture test, grammar, spelling, prose, reading, sight reading, vocabulary, directed dialogue, and poetry. The sports competitions were a scavenger hunt, pretzel relay, cycling and needlework.

Junior Classical League Scrapbook Wins at Nationals

The JCL has gone to national competition for the past four years and has won four ribbons. The Denton scrapbook has also been first in Texas for five years.

Competition was emphasized in JCL. They had many contests around the state this year including area competition in Cleburne and state competition in Austin.

Celebrations were also a main highlight of the

year. In September, they held their annual Get-Acquainted-Party and celebrated Samhein, a Kelt traditional holiday, for Halloween. At Christmas they became elves for a workshop for the residents at Denton State School. The highpoint of the year was Saturnalia, the Romans' Christmas, celebrated with Roman foods, costumes, and games.

Spanish Club

The Spanish Club had a variety of activities this school year. Like many other clubs, they had a float in the Homecoming Parade.

They also began raising money for their state convention in March. To raise money, they had a candy sale and a bake sale.

NHS

Provides Service for the Community

The National Honor Society was one of the largest organizations at Denton High School. Membership requirements were a good grade point average and teacher approval.

Members of NHS were some of the most academically outstanding students at DHS. Lisa Edmundson for example was taking part as an exchange student in Belgium through the Youth for Understanding Program. Katrina Keyton received a \$500 scholarship for The Accumation Program from NTSU, and Kevin Land for being a State Representative, Boys' State lawyer and State Commissioner.

Members of NHS are kept busy throughout the year. They earn points through any NHS sponsored activities they take part in. These points will determine their remaining in the organization.

Later in the year NHS students answered telephones at the channel 13 membership drive, Bowl-for-Kids, Sake Bowl-a-thon, and helped the Big Brothers and Sisters.

Choirs

Take Spring Trip to Astroworld

The DHS choral music program is built around three choirs: the A Capella Choir, the Denton Singers, and the Varsity Ensemble. Like all areas of performance, they require self-discipline, dedication and experience.

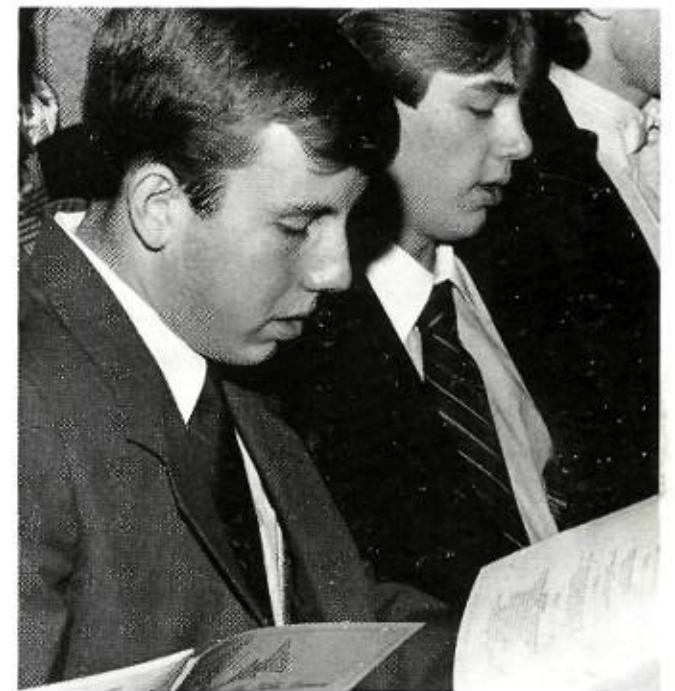

The A Capella Choir is a traditional choir for students who are interested in singing.

The Varsity Ensemble is a class for girls who want to develop their singing abilities and experience music from many different periods and cultures.

The Denton Singers is the performing choir of Denton High School.

Under the direction of Mr. Richard Smith, the choirs attended a Christmas concert, a variety show, and numerous programs for civic, cultural, and community affairs. They also competed in a contest at Astroworld.

Student Council

Leads the way

The Student Council led the way this year in all aspects of school life. They began the year by helping out with the registration and holding a coffee for the faculty members.

Members got involved with homecoming and decided to use the theme "Back to the Future." They participated in the parade and sponsored a dance. Once again, the dance was held in the Garden Room at TWU.

Student Council members chose members of the faculty for the Secret Pal Program. They exchanged gifts with and generally tried to make the teachers' day brighter.

A breakfast was given in honor of the teachers during which the secret pals let their identity be known. The program was done in both the fall and spring semesters.

In December, Student Council sponsored Project Adoption, in which children from the Head Start program were "adopted." Second period classes raised money to pay for gifts such as toys, clothing and food for the young child and his family. One popular gift this year was a Big Wheel. On Dec. 13, the program came to a close when the classes gave parties for the children.

Members of Student Council also participated in a puppet show to promote alcohol awareness.

Another "adopt" project was that of Foster Grandparents.

Throughout the year, money was raised various ways. They sold Balloon-A-Grams and sponsored dances. I.D. cards and student directories were sold. Items ranging from candy cokes and popcorn were available in the concession stand run during both lunches.

Whiz Quiz

Reaches for the Top

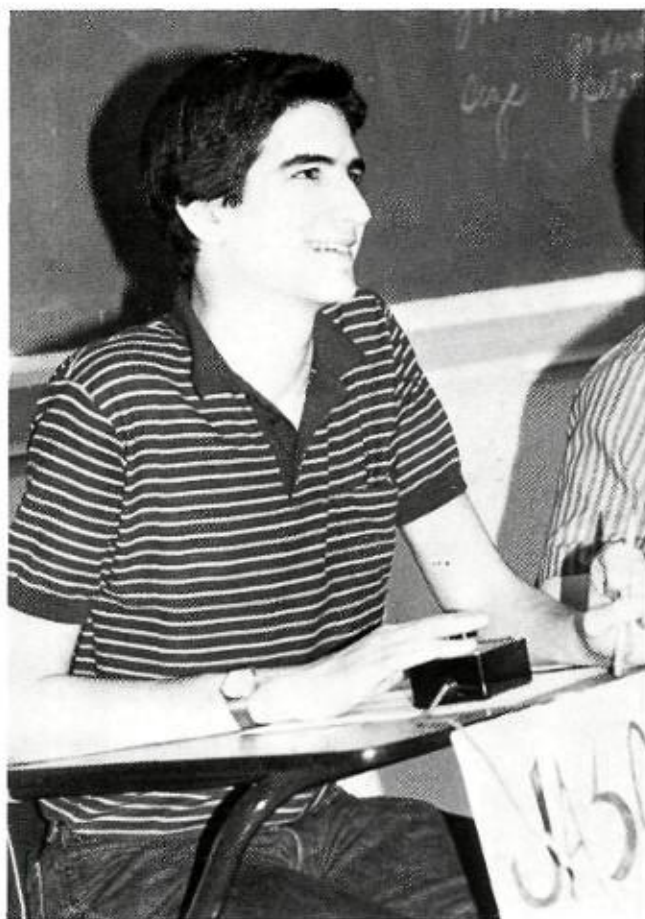

Jason Weinstein, captain of DHS' Whiz Quiz team, referred to Whiz Quiz games as a sort of "old college bowl series."

Whiz Quiz is in fact a type of trivial pursuit game in which two four-man teams engage in a battle of knowledge that requires extremely fast thinking. The teams are asked questions concerning math, current events, history, sports, geography, science, literature and art.

Sponsored by Mrs. Louise Ephraim and Mrs. Marilyn Morrisson, the team has been the North Texas Area Whiz Quiz League champions two years in a row. Since WFAA-TV Channel 8 did not receive the funding necessary to produce the broadcast Whiz Quiz show, Mrs. Ephraim decided to expand the NTAWQL from four teams into 20 teams. There were five divisions in which Denton and Plano were the two strongest teams.

As the highest scoring team in the area (5-0), Whiz Quiz duplicated its success of the last two years.

Math Team Computes Wins

DHS' math team members, who are all members of the national math club, Mu Alpha Theta, were fourth in the state competition and third in the Mu Alpha Theta state championship.

Competing in areas such as number sense, science, math (algebra, geometry, and calculus), and computer programming, the math team was able to defend their sweepstakes title. Vice-President Jason Weinstein won the Mu Alpha Theta state championship and there were many other individual winners also.

The math team members were also computer team members. The popularity and necessity of learning the art of using a computer caused a great increase in the size of computer classes.

By the end of the year, the math team's ultimate goal of winning the UIL district, regional and state competitions seemed to be quite a possibility.

Auto Body Meets Vocational Needs

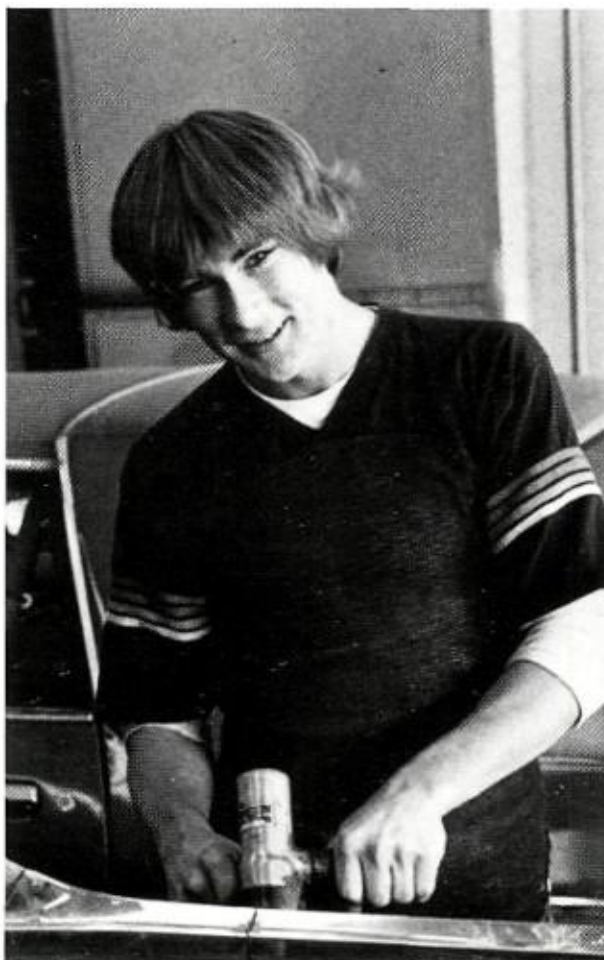

A vocation that needs skilled workmen is Autobody. Denton High School is meeting that vocational need in the business world by training and preparing students for careers in the repair of automobiles.

Not only does the student receive training in the class, but many are also employed in the job market which assists in on-the-job training. In addition to practical experience, the student is able to assist financially in their education.

Repairs are made to the bodies of cars belonging to students, teachers, and community persons. The refinishing and repainting of these cars are also entered in competition with other students and are judged according to the quality of workmanship.

Building Trades

Gets On-the Job-Experience

Building Trades is designed with the intention of providing students with an opportunity to develop skills, knowledge, attitudes and leadership in the construction trades.

Students participated in various contests throughout the year. Each student entered projects that he made, which were anything made of wood, from kitchen cabinets to small buildings. The contests also judged speed and skill in the areas of carpentry, electrical work, concrete, paint and brick-laying.

Cosmetology

Learning a trade with style

Shampooing, styling hair, and giving manicures are techniques learned by cosmetology students. Cosmetology gave students the opportunity to learn a useful skill that allowed them to demonstrate their creativity.

Students participated in various competitions throughout the year. In competition, points were accumulated for the quality and speed with which a haircut was administered. In February, contestants from 50 school districts came to DHS for District six cosmetology competition.

Some students used cosmetology as a means of going to college, owning a salon or a beauty supply house, or teaching. In May, 10 students took the state board exam to obtain a beautician's license.

Commercial Art

Students Prepare for Art Career

The vocational commercial art program helped to develop basic skills, judgments, proper work habits, desirable attitudes, and appreciations, for the purpose of placing students in beginning employment in the field of commercial art, also to prepare those who planned to continue education in the field.

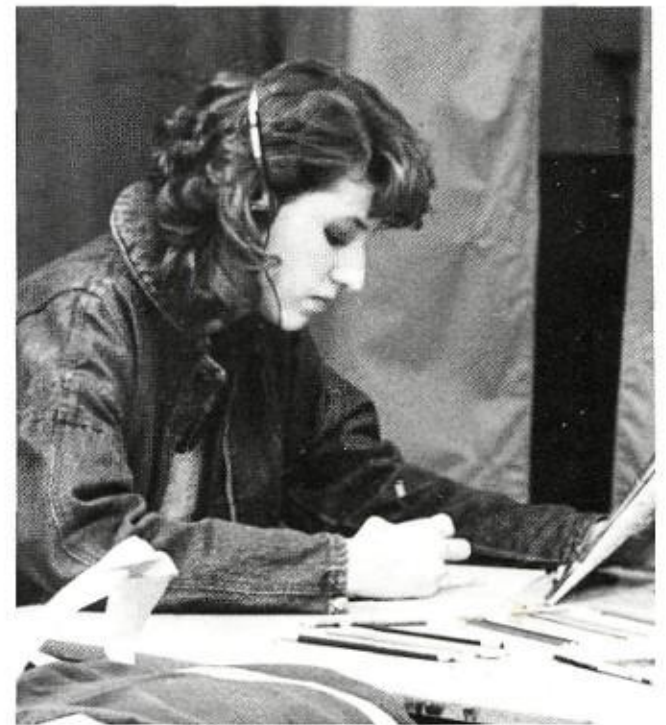

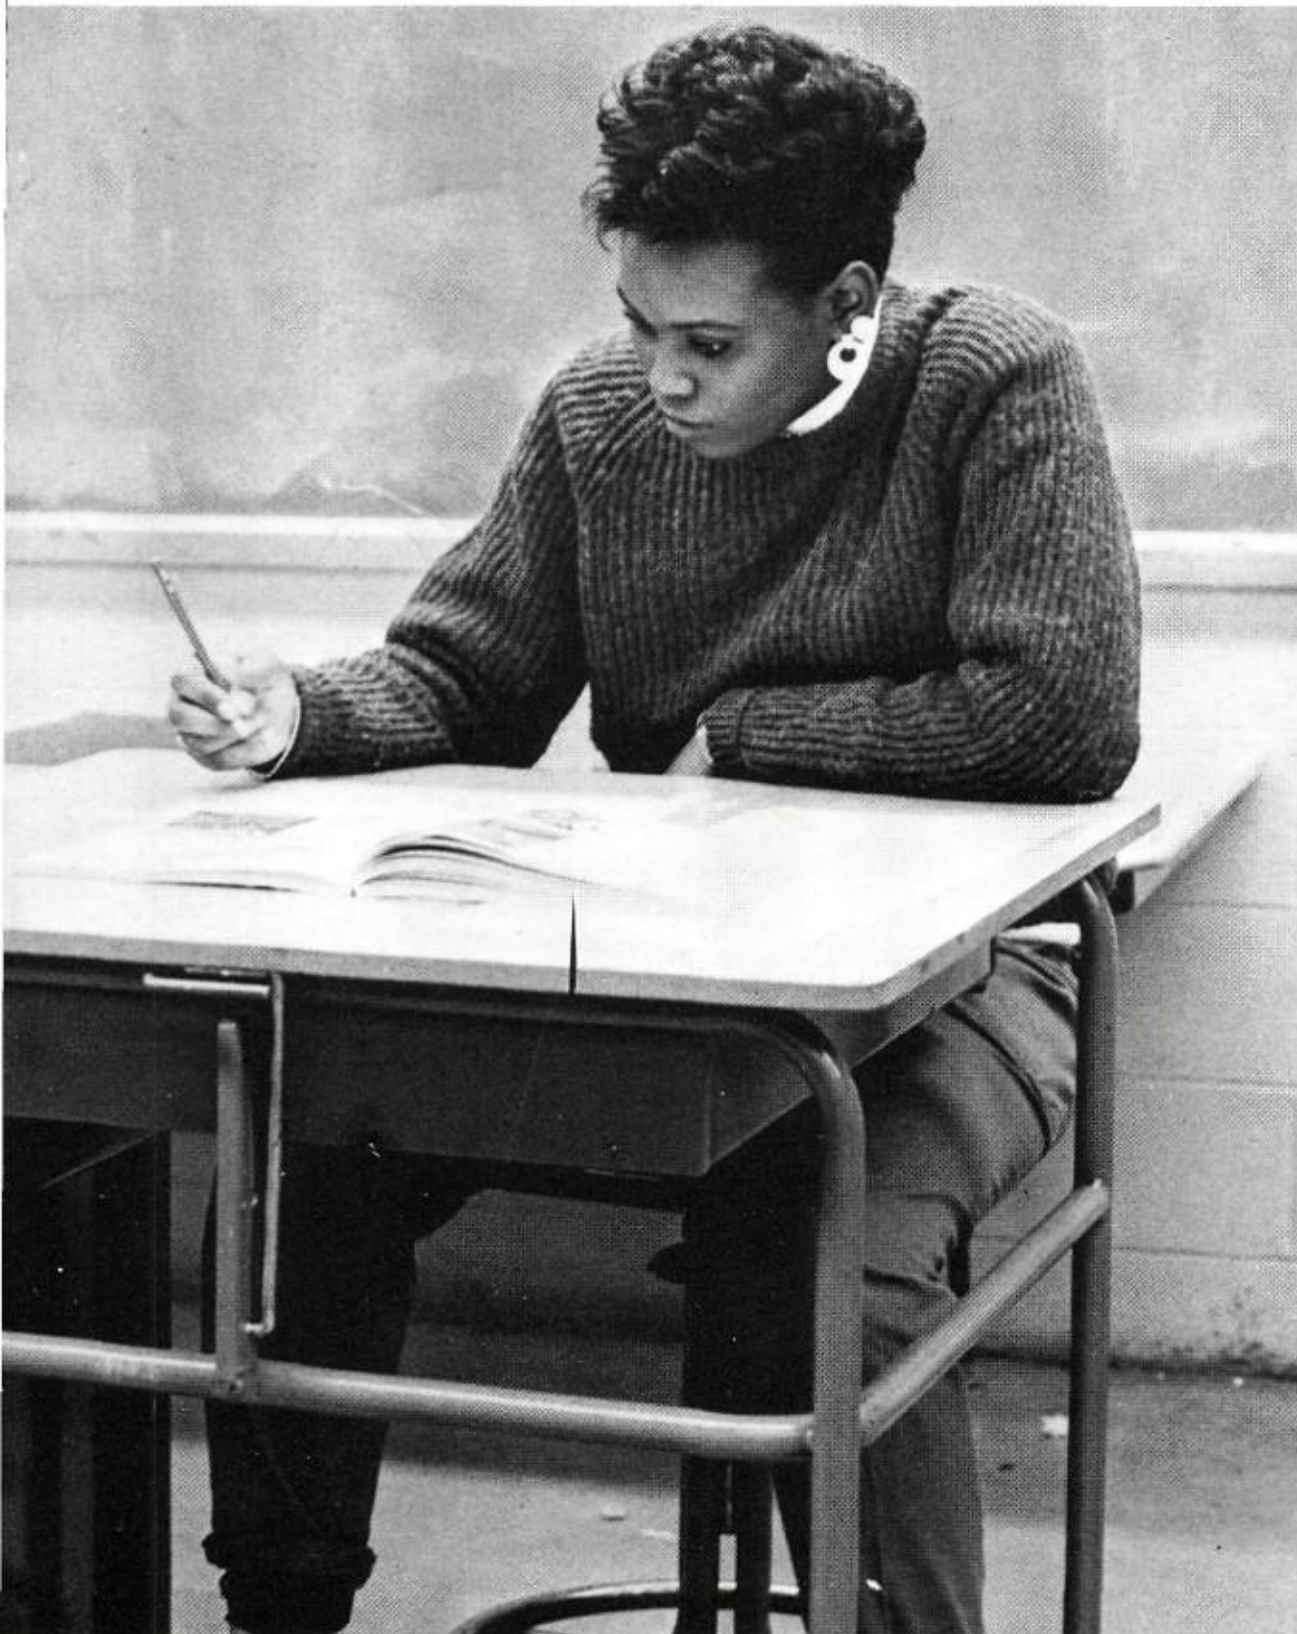

Training was based on the performance of useful and productive jobs or operations done by the students according to accepted procedures and standards which prevailed in the occupation taught.

The course covered a period of two or three years, during which the class met daily for two consecutive hours, for a total of 10 hours a week.

FHA/HERO

Commend School's Top Students

Future Homemakers of America or Home Economic Related Occupations are two familiar organizations at Denton High School. In these two groups one learns leadership, responsibility, cooperation, and how to make new friends.

One of their most important contributions to the school this past year was the presentation of certificates to the top students at DHS. This was a way to show the school's appreciation for the hard work and many efforts of these students.

Mrs. Kay Boyd, sponsor; Jeannie Farine, Julie Saxtow and Sharon Dickey.

Jazz Band

Has the Beat

Although Jazz Band was not a new organization at Denton High School, it received more attention this year than in previous years.

Directed by Mr. Don Hanna, this small group of players represented some of the finer talent at DHS. They played for several community functions including the Kiwanis Club annual spring meeting.

Through the Jazz Band members' hard work during weekly rehearsals on Mondays and Thursdays from 3:45 until 4:45, they helped to carry on the winning tradition of the band.

Josh Payne plays his electric bass.

Jason Brazile and David Reed warm-up before a Jazz Band rehearsal.

Jared Nielsen plays the trumpet for the Jazz Band.

David Reed, Jason Brazile, David Williamson, Lance Morris, Casey Freeman, Larry Maher, Pam Poirot, Josh Payne, Jared Nielsen and Jay Powell prepare for a rehearsal.

FFA

Helps Students Grow

Students enrolled in all Vocational Agricultural Education programs were provided opportunities to develop abilities in leadership, scholarship, citizenship and cooperation.

It also allowed students to improve self-confidence, to learn agriculture management principles, and to participate in civic, social and recreational activities through participation in the local, district, area, state and national associations of the Future Farmers of America.

In class, the students had shop projects to build. Several students combined efforts to build a 32 foot flat-bed gooseneck trailer.

Outside of class, FFA had a sponge throw in the Homecoming Carnival, a hayride and a Christmas party.

In November, five students went to Kansas City, Mo. to the FFA National Convention.

The students participated in the Denton County Youth Fair in late March, where they showed shop projects, livestock projects and horticulture projects.

First Row: Sondra Birdsong, secretary; David Fulton, president; Dennis Langum, parliamentarian; Chris Davis, reporter; Deane Campbell, **Second Row:** Nat Lowe, Angela Jones, Regina Shockey, Dawn Whitson, Jennifer Richardson, Thea Newell, Pam Dane, Pat Munden, **Third Row:** John Whitworth, Kirk Gibson, Ellar Wilhoite, Steve Salsman, Clovis VanHouten, Brad Groves, Tony Garbacik and Craig Scoggins.

Connie Blankenship concentrates on watering her plants.

Shane Pippin, Steve Salsman, Craig Dane, Chris Davis, Pat Munden, Thea Newell and Jennifer Richardson ride on the FFA Homecoming float.

Caring for plants is part of Sondra Birdsong's class activity.

John McIntire inspects the plants in the green house.

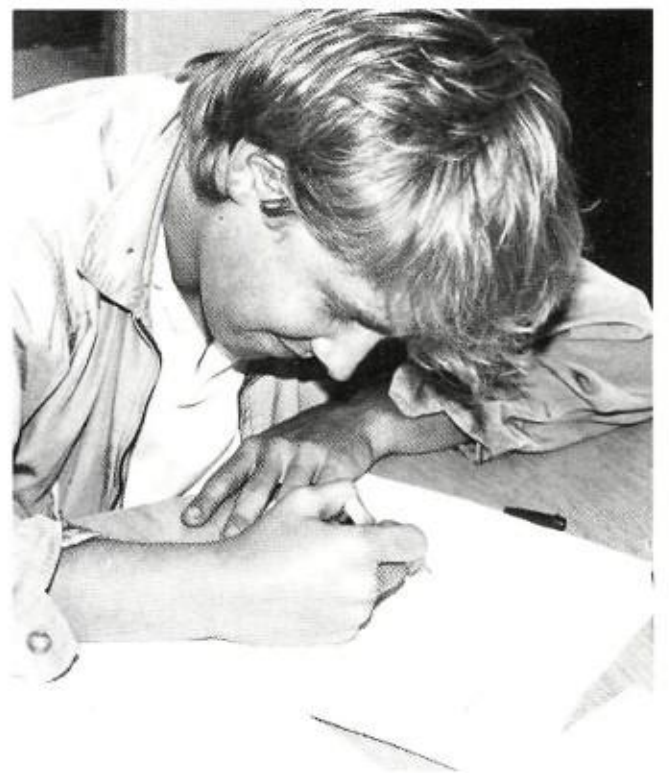

People *You won't believe your eyes!*

Chuck Thompson dresses up as a cheerleader for a Halloween lesson in his French II class.

Every student at DHS comes from a different background and has encountered different experiences from his peers. These differences, however, do not separate individuals; instead, they only serve to make school a more interesting place to be. By meeting and working with different people, each student is undergoing a learning process necessary for life.

The senior class of 1986 lines up on bleachers outside the school for their panoramic group picture.

Christie Felker cheers the football team at the Odessa Permian game.

Josh Payne grades someone's Spanish vocabulary paper.

George Hillman helps Mrs. Virginia Vaughn's class' "adopted" child down the hallway on his new Big Wheel.

Shannen Woodsen, Chris Darby and Matt Schwolert watch the progress of the Denton-Odessa Permian game.

A Tribute to the Seniors of 1986

Dressed as a Roman, Tim Newman snacks on vegetables at Latin Club's Saturnalia.

Kevin Clinton enjoys one of the 7-Ups that is passed out to the band at halftime.

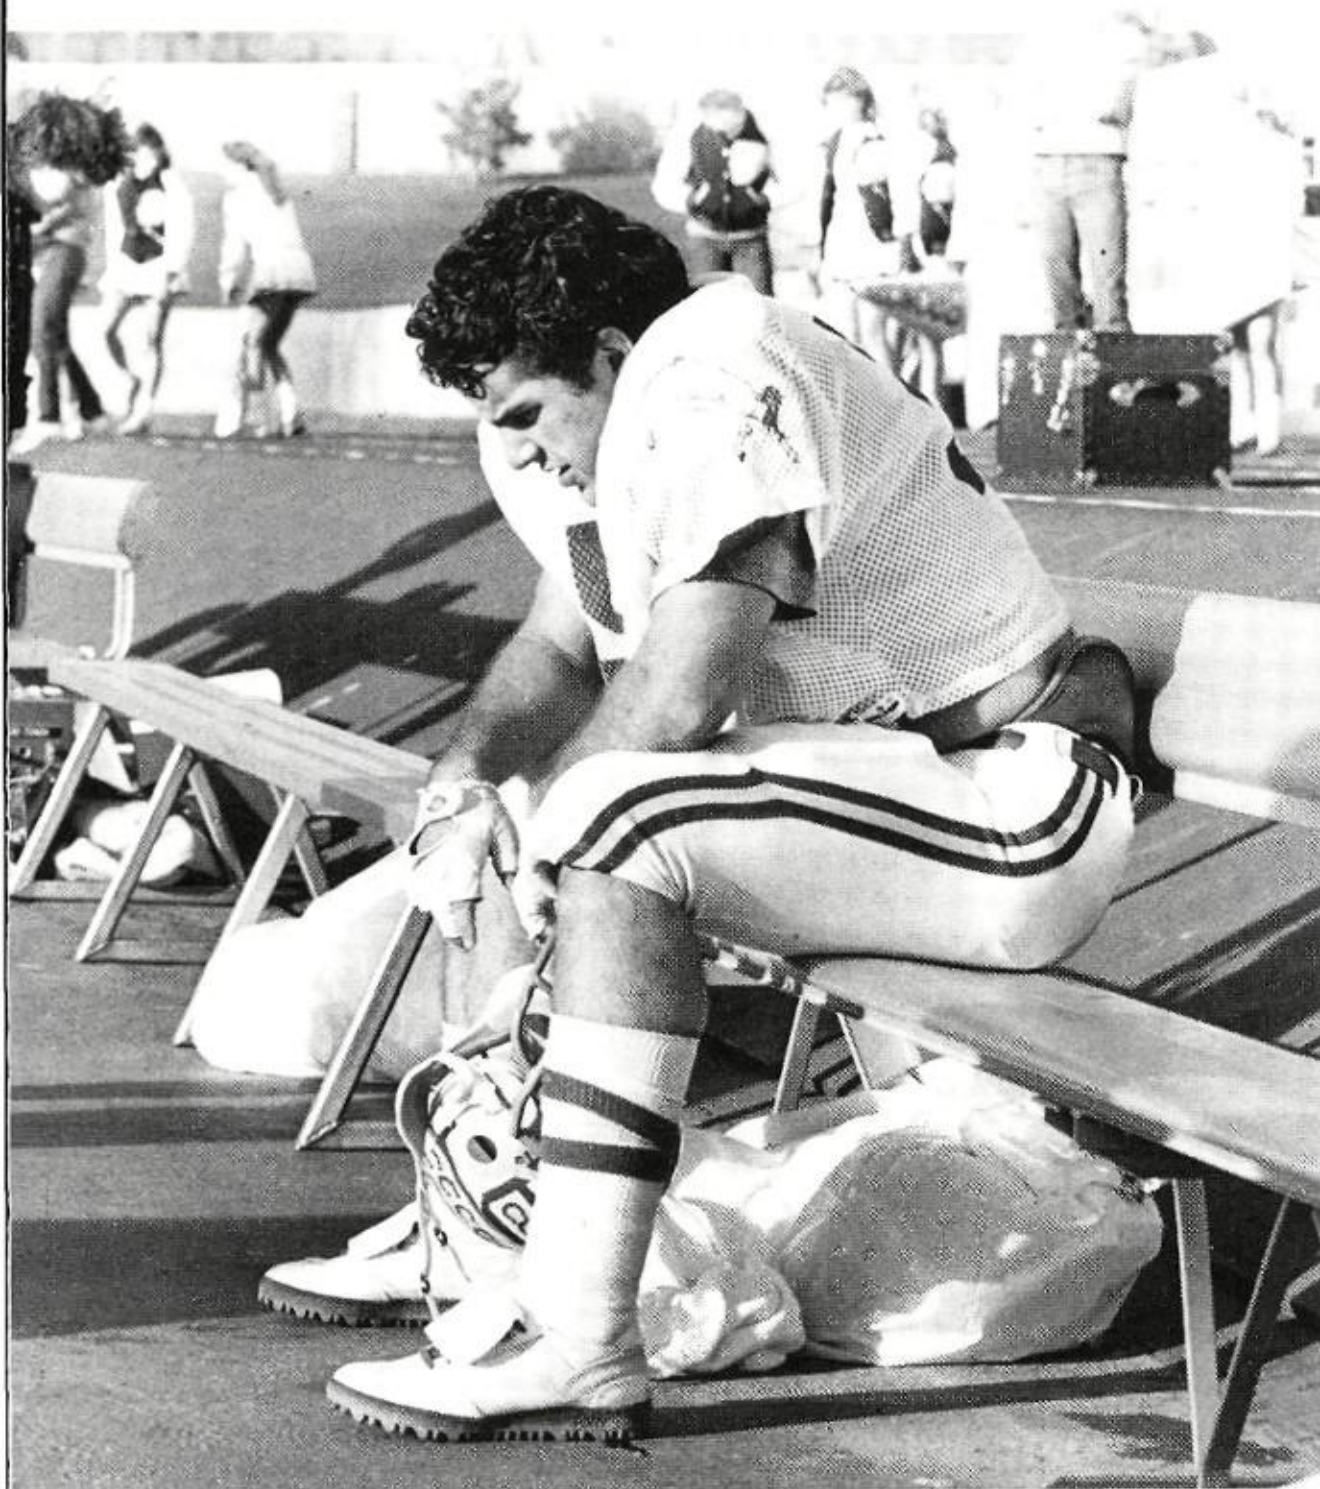

Kurt Hagen rides on the back of Spirit in the Homecoming Parade.

Using a calculator, James Quigley practices for a Math Team competition.

Kevin Clinton gets ready to leave class on a rainy day.

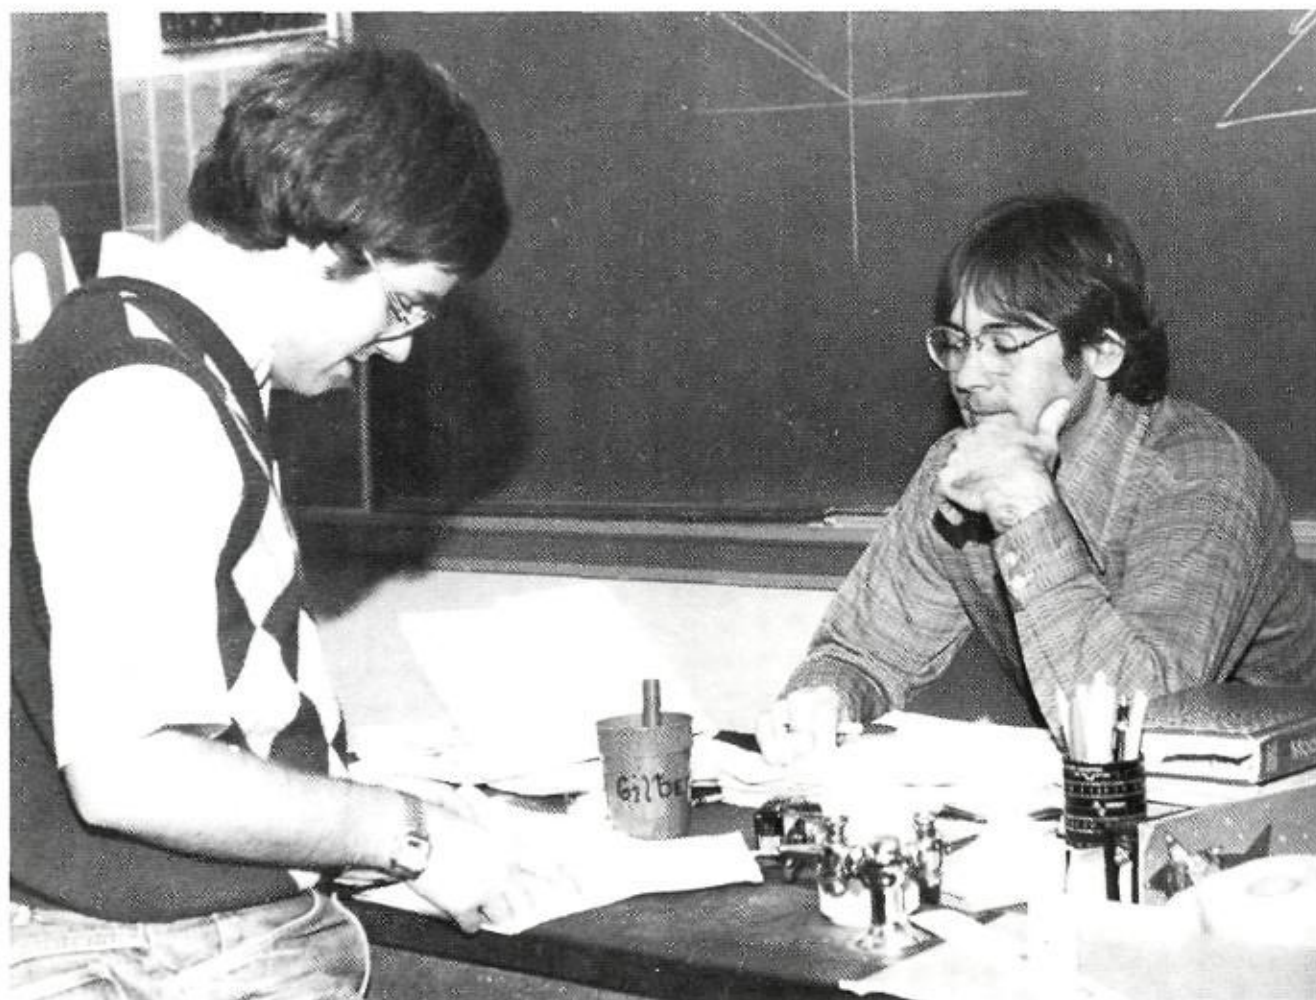

Jason HeLal takes time out of the Odessa Permian game to rest on the bench.

Joel Irby and Mark Sprinkle arrive to have their pictures taken as National Merit Semifinalists in Mark's Triumph.

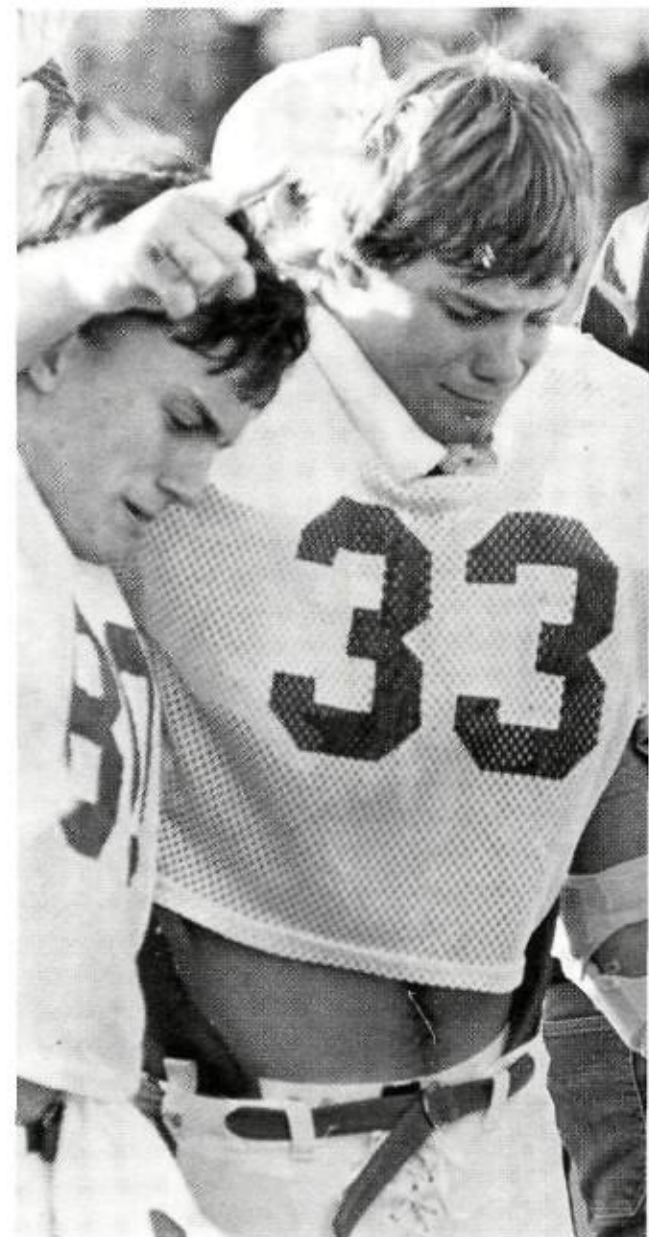

Kevin Land discusses a physics problem with Mrs. Patty Gilbert's student teacher Mr. George Dunn.

Shelly Jones paints a poster for a Friday morning pep rally.

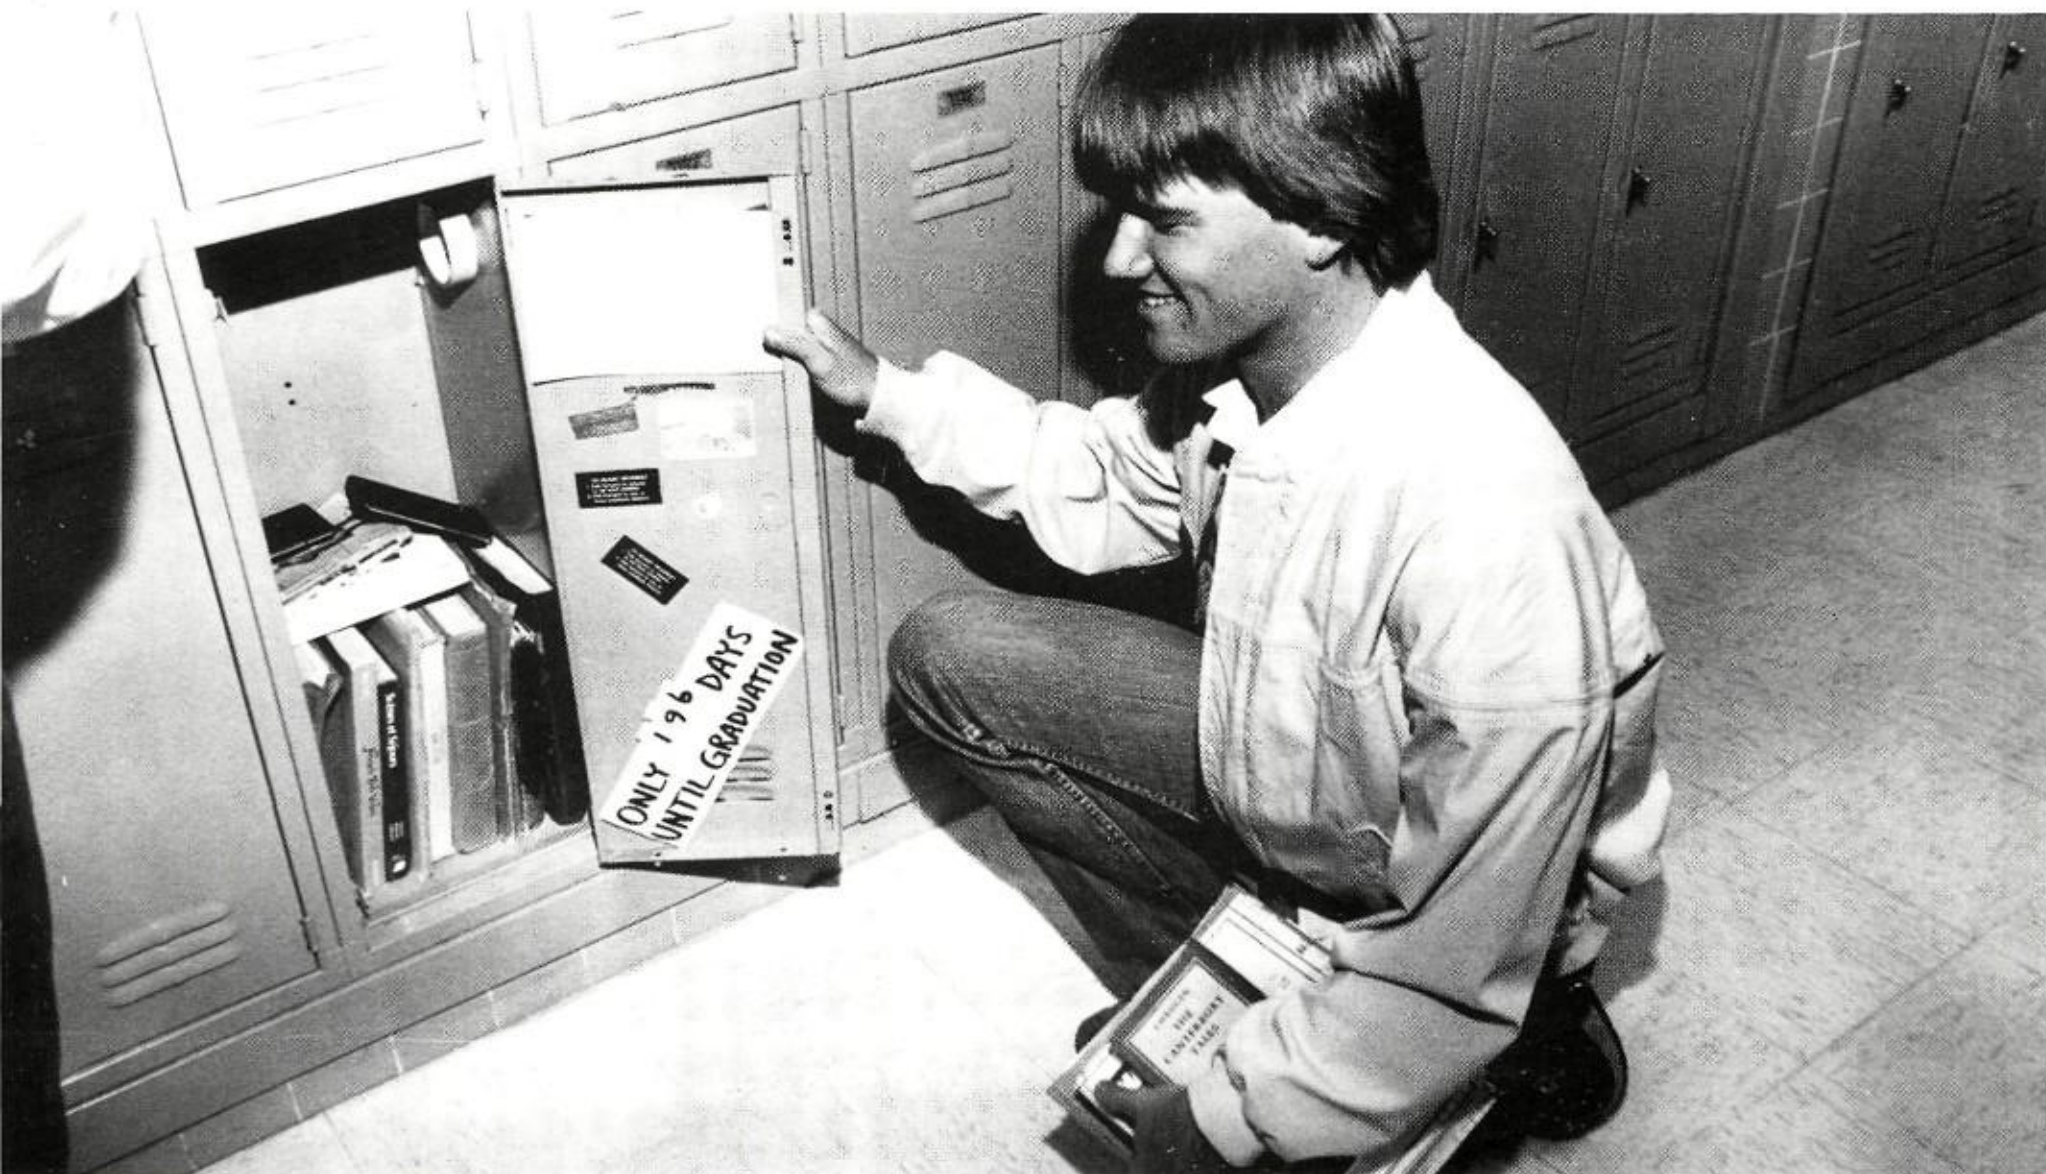

Darren Ward and Greg Beck mourn the team's loss to Odessa Permian.

Brian Coleman empties a trash can into a dumpster near the Vocational Building.

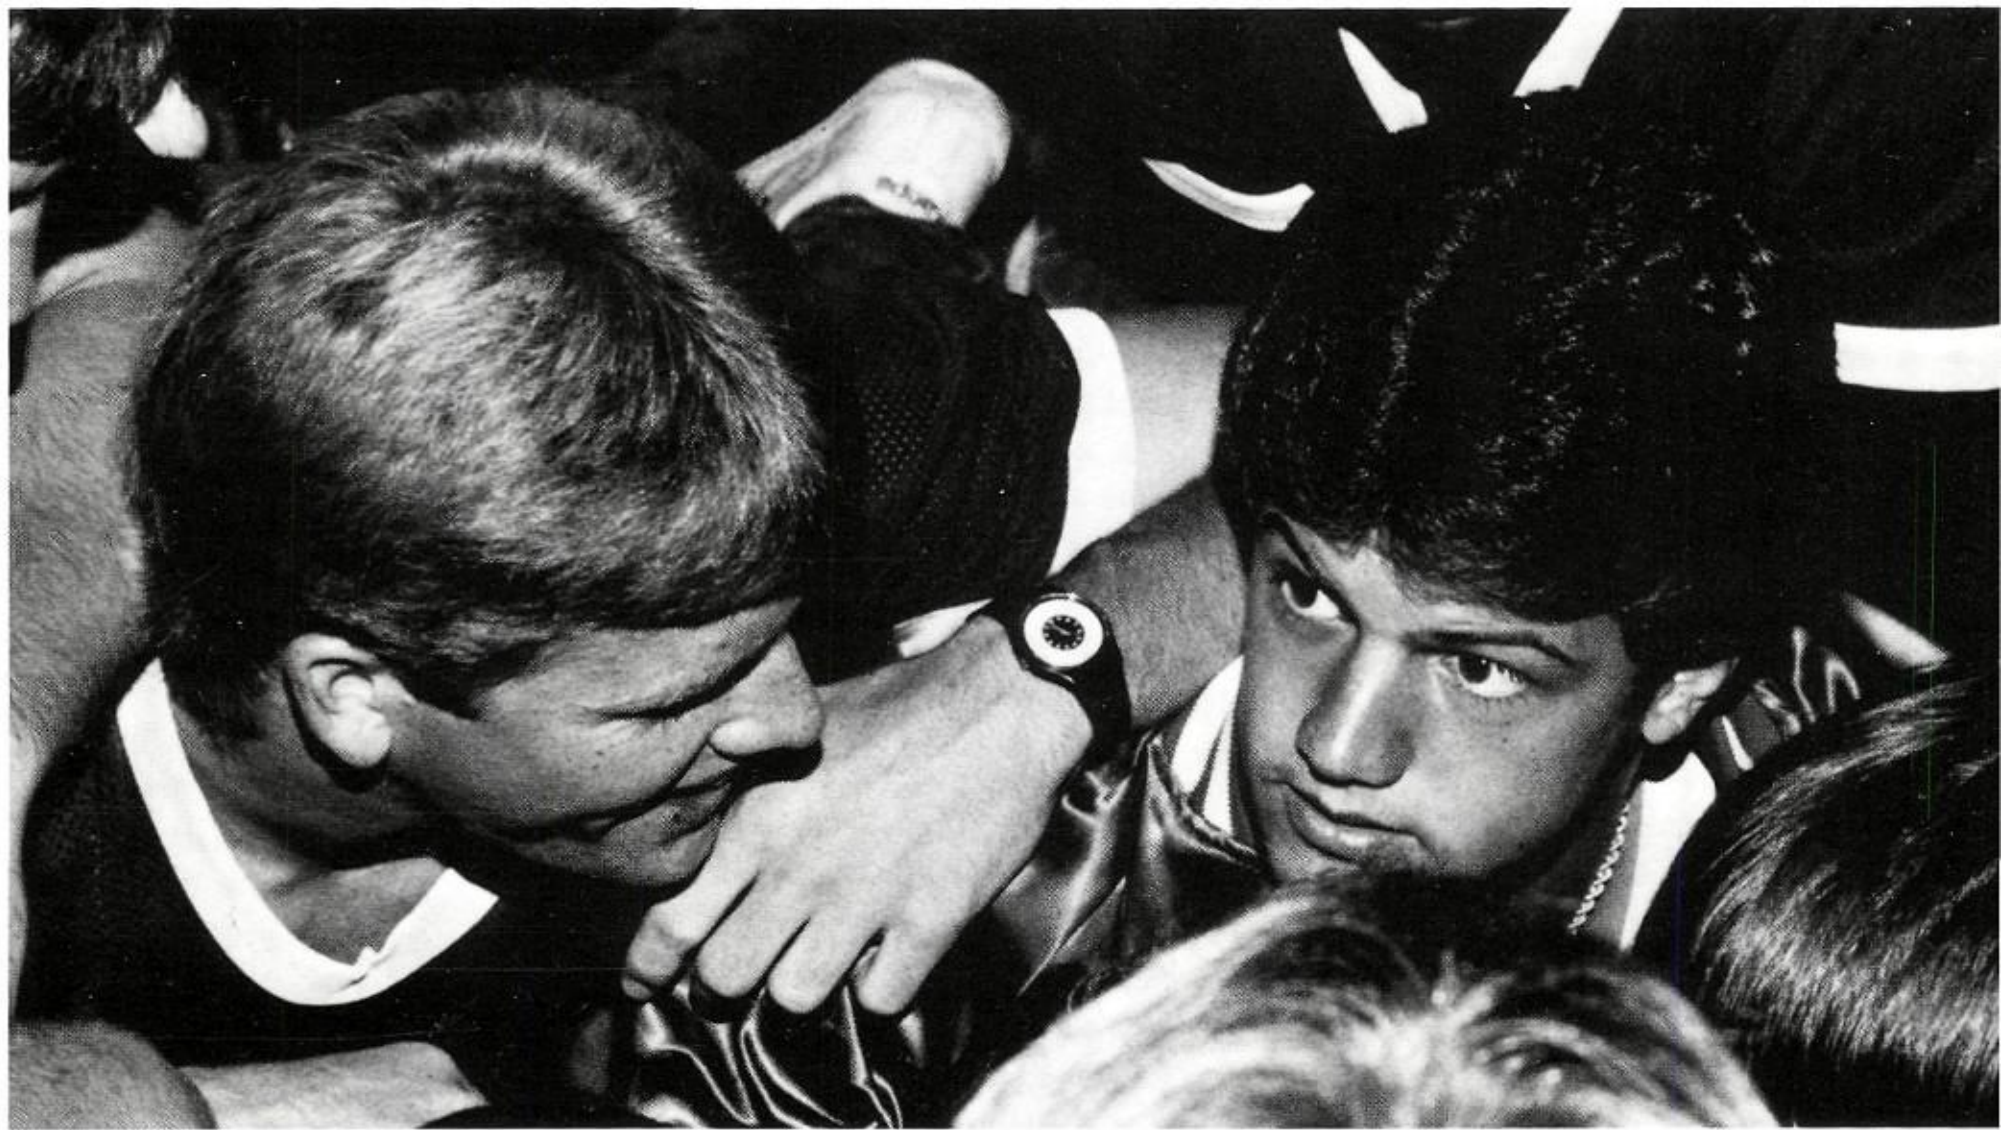

Don Morrow keeps a running count of the school days that are left in his locker.

David Ditzenberger and Kevin Wagley work on a calorimeter lab together in physics.

William Adamson and Craig Irwin discuss a cheer with the rest of the football team in a morning pep rally.

David Graham

Principal

As the students began a new year, Principal David Graham was one of the changes they saw.

Graham, who came to Denton from a relatively small school in Roosevelt, Texas near Lubbock, said, "Denton has been more than I expected. The people have been tremendous. Their response has made us feel so welcome."

The Graham family is made up of his wife, who teaches second grade at Evers Park Elementary School; a daughter, Kim, who is a sophomore at Denton High; and a son, Aaron, who is a seventh grader at Calhoun Junior High School. The family's favorite pastime is traveling.

In his spare time, Mr. Graham enjoys sports, relaxing with a good book, cooking and eating good foods.

Graham said he feels if he has one goal to accomplish, it will be to encourage all students to work toward excellence. "Do we accept mediocrity from our doctors, attorneys or airline pilots? Of course we don't! So why should we accept mediocrity from ourselves! Strive for excellence. Falling short from a lofty goal is not shameful or worthless. You, no, all of us are better for the try," he said.

Mr. Graham ponders a question on school policy.

Graham helps his wife Stephanie grade papers.

Billy Ryan Assistant Principal

A familiar face around Denton High School belongs to Billy Ryan, who came to the school in 1964 and served five years as assistant coach. He then assumed the position of head coach for seven years.

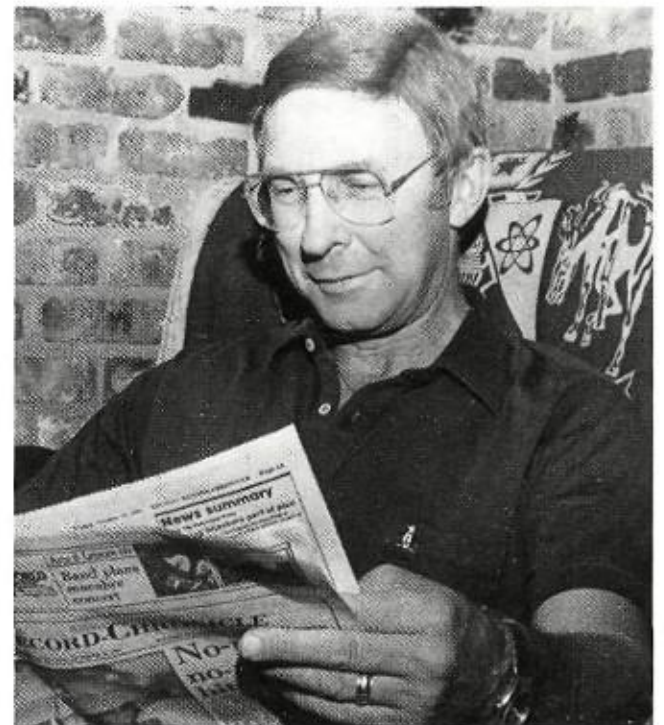

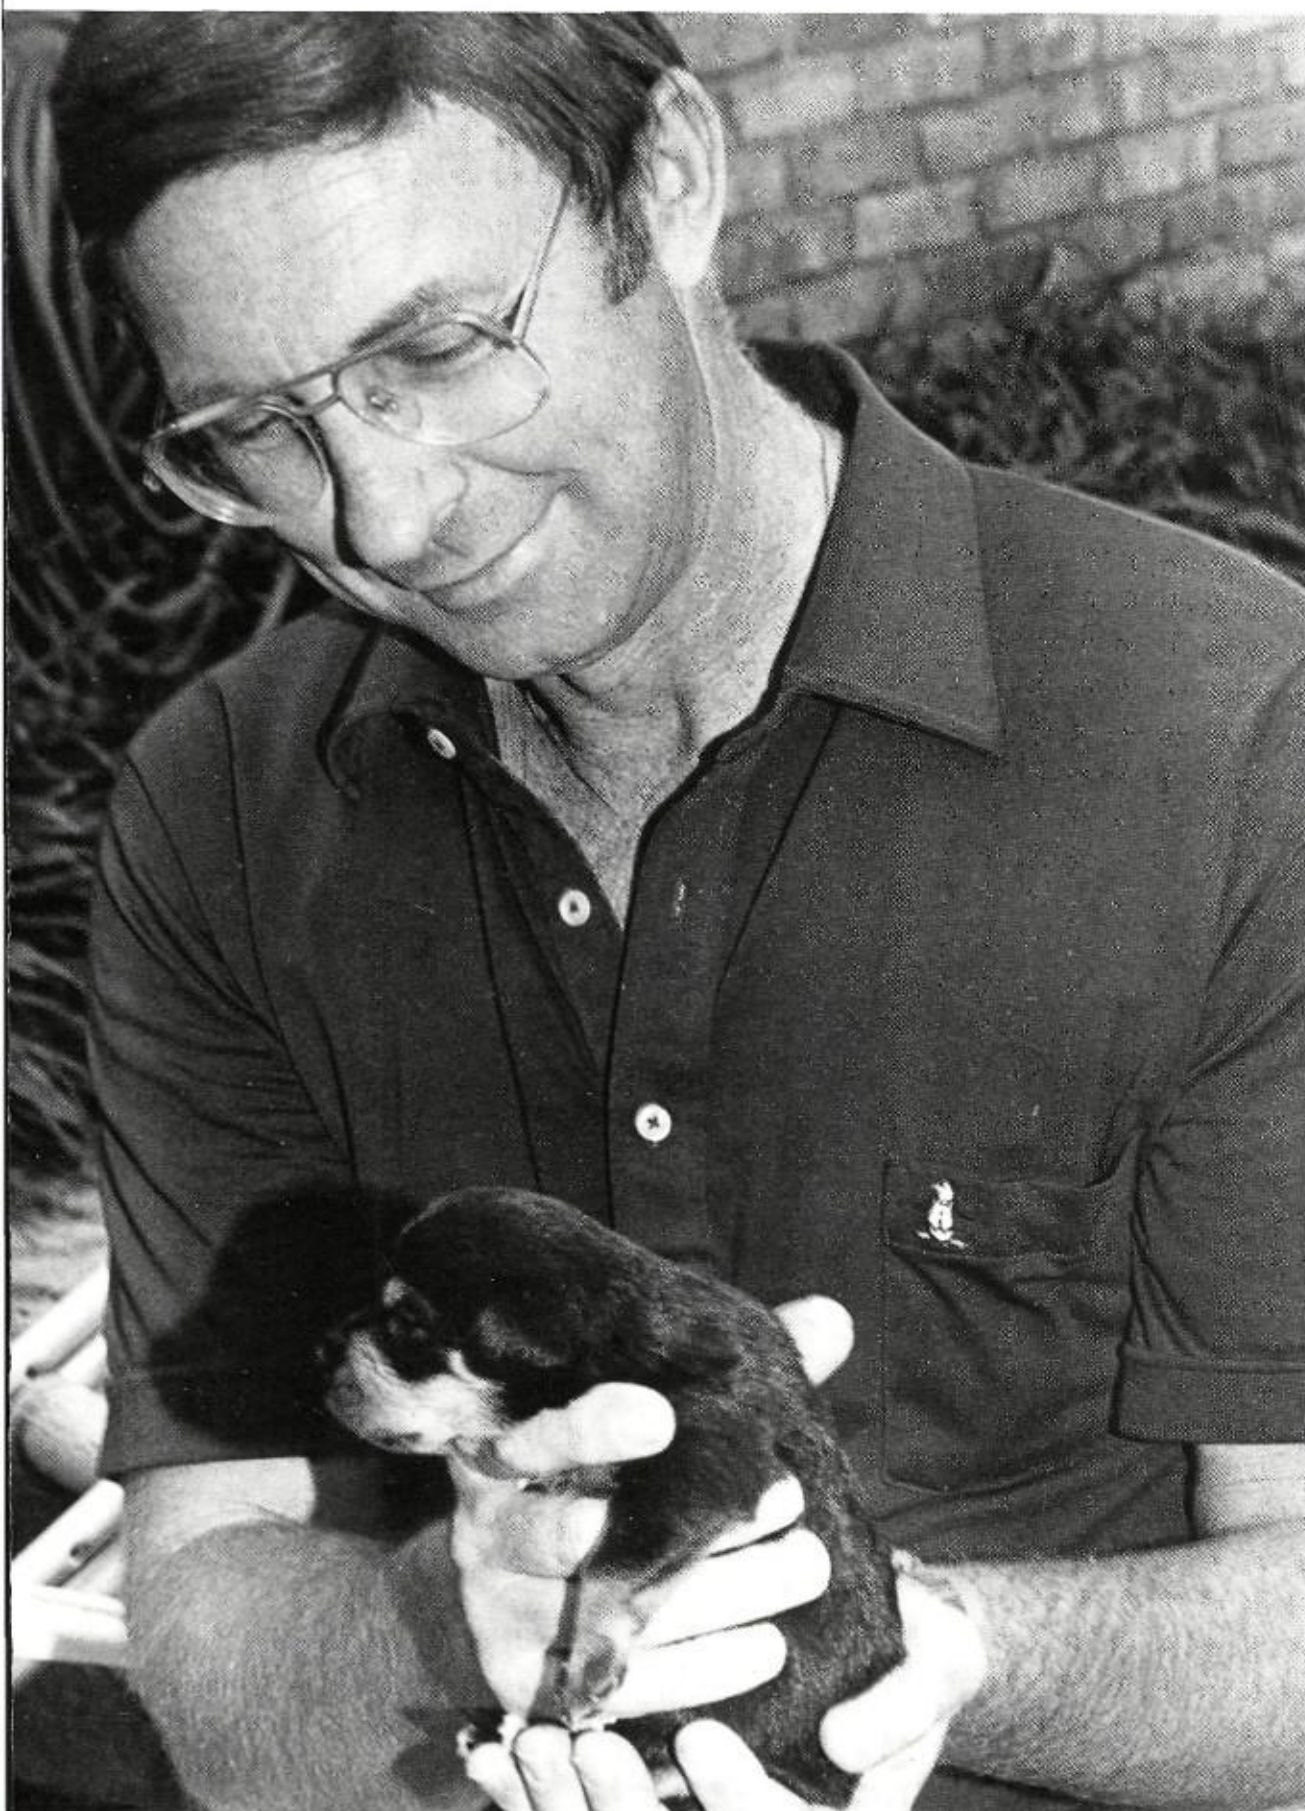

His present job was offered to him 10 years ago and he now serves in the capacity of directing activities, clubs and groups, and supervising the locker program.

The Ryan family consists of his wife, who teaches second grade at Newton Razor; and two teenagers, Teresa, who is a graduate of Denton High School; and Cleve, 14, who is a student at Calhoun Junior High. They enjoy camping and going to both Cougar and Bronco games together.

Ryan said he feels strongly that education is important and believes that students should strive to attain the best possible one during their high school years.

"Denton High School is an awfully good school and it's running quite smooth, but of course, I'm partial!" Ryan said.

Don Carlisle

Assistant Principal

Our new Assistant Principal Don Carlisle came to Denton High School this year after being Grade Level Assistant Principal for four years at McCullough High School in Conroe, Texas.

He and his family, consisting of his wife and two small children, Kristen and Kate, enjoy traveling, shopping for antiques, and spending time together at home. He also likes to build furniture and furthered this love by teaching workshop in the Houston Schools.

Mr. Carlisle looked at the goals he would like to accomplish at Denton High School this year and said, "If I could make life easier for the teachers, assist them in fulfilling their concerns, and help keep their morale high, I would feel I had accomplished a great deal. I would also like to work out a parking lot plan to get students off the streets."

Don Carlisle plays Candy Land with his daughters Kristen and Kate.

Carlisle relaxes by reading the evening paper.

Ray Braswell

Assistant Principal

Last year at mid-term, Assistant Principal Ray Braswell began his administrative responsibilities with Denton High School, which are primarily scheduling, grade reporting and curriculum.

He previously had been a biology teacher and assistant tennis coach.

His wife Cydney and he have been married for eight years. They love to go to Dallas in their spare time. School events such as band, athletics, Whiz Quiz, or "just anywhere our students are" are also favorite places for the Braswells.

Mr. Braswell is concerned about the drop out rate of students. "I would like to see our students get the most out of these three years at the high school as possible," said Braswell. "I am very proud of the faculty and student body and their accomplishments. Many successful traditions are being continued."

You won't believe your eyes!

Craig Irwin and William Adamson do a dance routine for the senior favorite skits.

Every year certain students stand out as unique individuals in the school. Whether it be for personality or intelligence, these students create a positive image for DHS. Their accomplishments are recognized and applauded by others in both the school and the community. Through their achievements, they send a message to the outside world that there are still good kids everywhere.

Matt Schwolert pulls Angela Bruce across the stage for their game show skit.

J. T. Blair, host of the game show skit, helps Terri Parton and Amy Hamilton with their new prize.

Helen Hogan and Courtney Gregory await their turn on the Love Conenction game show.

Favorite Skits Seniors Steal the Show

The room grows deathly silent. Students look in awe as they know what they're about to see. It is sure to be one of the greatest shows ever

performed on stage in any theater.

No, it isn't Baryshnikov, nor is it Michael Jackson.

It's the annual Denton High School Favorite Skit Presentation. This year's theme is "game shows." Leading the way are the sophomores with their rendition of "The Dating Game."

The juniors take the stage and give a revised version of "Love Connection."

The seniors, however, take the audience's fancy. They use the "Gong Show" as their show, and the audience loves it. Tammy Cotton, Debbie

Denmon, and Susan Overstreet do a dance to "Fatboys," while Angela Bruce sings "All I Want for Christmas Is My Two Front Teeth."

The audience roars with laughter, and Gong Show host, Matt Schwolert, runs out to close the show.

As the lights fade to black and the students return to class, the one thing on the minds of the students is 'How long will it be until the next DHS Favorite Skit Show?'

An Unbelievable Year

When this year began, we all knew that it would be totally different than any other year. Because of all of the changes that occurred, it had the possibility of either being a success or a total disaster. In the end, however, the year turned out better than anyone expected.

By the end of the year, construction neared completion on the new section of the building. This section greatly added to the overall room and quality of Denton High School. With this space, the school days of future students will be greatly enhanced.

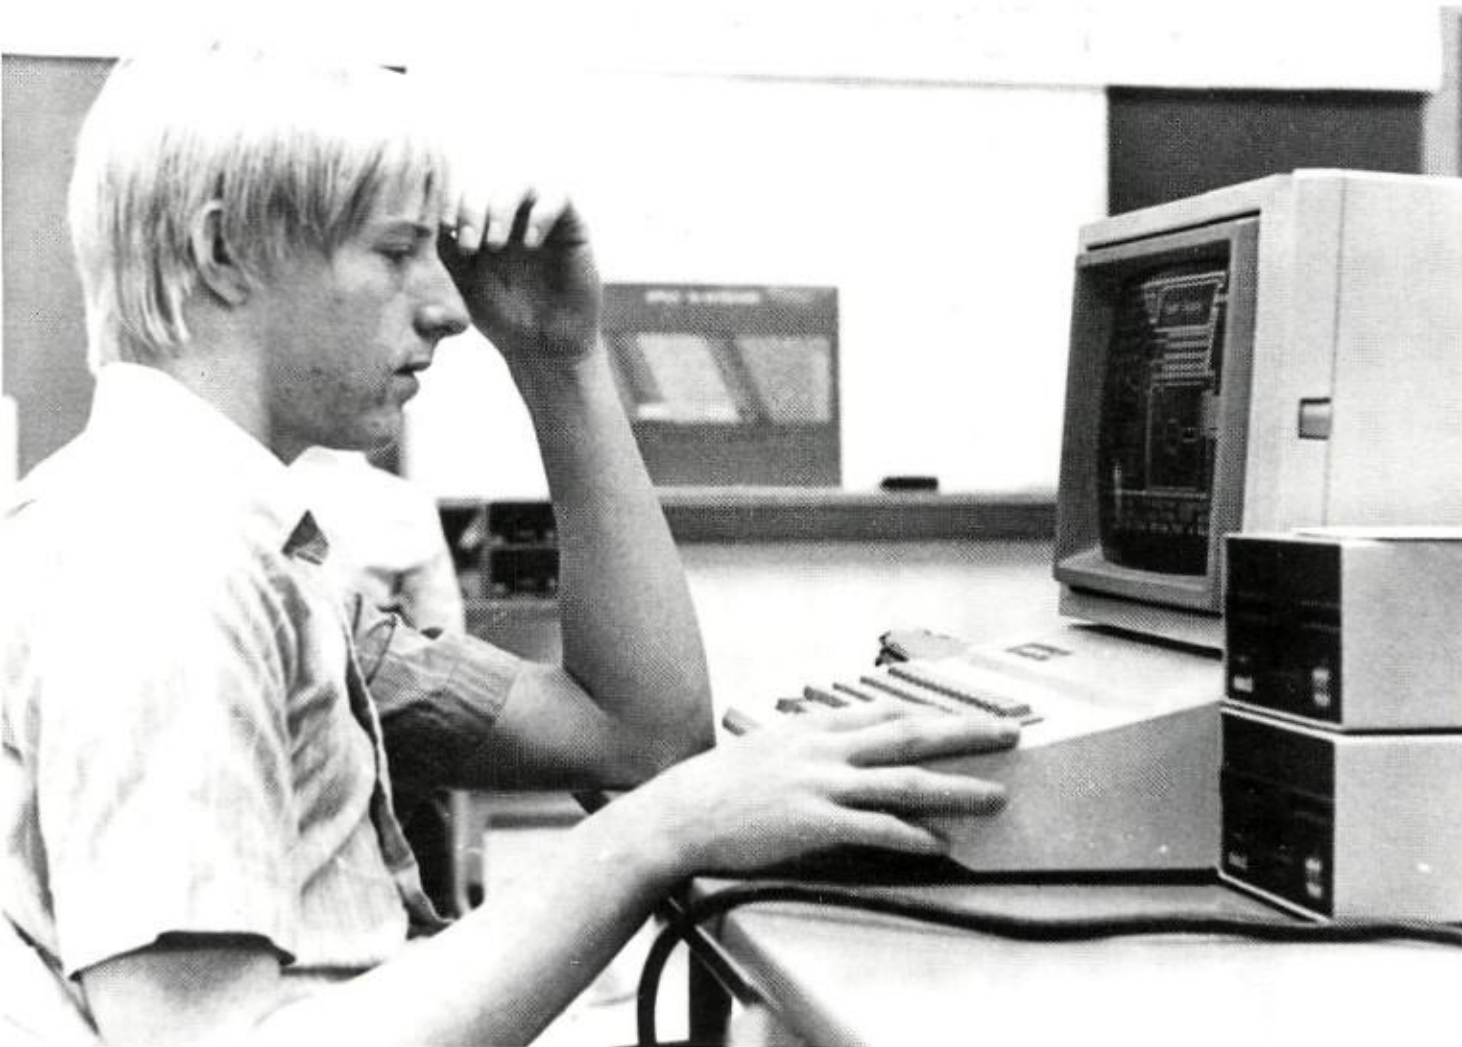

Several new administrators and teachers also took their places when the year began. As the year progressed, they proved their skills to the existing students and faculty. Their objective insight brought about

changes that helped better the school.

This year will probably most likely be remembered as the year of school reform. Students were required to pass every class if they wanted to participate in extracurricular programs. Many did not pass and were unable to participate, but those that remained were able to carry out the familiar "tradition of excellence" at DHS.

The school year of 1986 will be the year that people will remember as the year of change at DHS. They will also remember that 1986 was the year that great goals and accomplishments were achieved by many. It was a year in which a great number of people said, "You won't believe your eyes!" As it turned out, it was indeed an unbelievable year.

Recaptures Memories

The completion of last year's yearbook was actually the beginning of the 85-86 yearbook. Applications were filled out by those wanting to be on staff and those fortunate were chosen. Brainstorming took place and the 85-86 yearbook was on the roll.

Over the summer several students attended a journalism workshop for a week at Southern Methodist University, bringing back more cover, theme, and division page ideas.

Editor Doug Yeager and Assistant Editor Liz Melendez received a first place award for best lay-out design, and Steve Yeager also received a first place award for most promising photographer, while at SMU.

The 85-86 year began. Layouts were drawn, copy was written, pictures were ordered, taken, printed and cropped. There were four deadlines each going by faster than the one before. Many hours before, during and after school were spent in the journalism and darkroom. After the yearbook was completed the slide show was planned and presented and the yearbooks were distributed.

By buying space in this book, local merchants show their support for our school. Because of them, the Annual Staff is able to offer a high quality yearbook to the students of DHS. In a time when community support for education is dwindling, it is uplifting to know that businessmen such as these care about the education of the young people in their community.

At First Baptist, **YOUth** Ministry means **YOU!**

Our **YOUth** Ministry is centered in Christ with the emphasis on **YOU** and your relationship to Christ.

The key to our **YOUth** Ministry is our Sunday morning Bible Study at 9:30. This is when we have the most youth together with the most adult leaders.

BUT WHAT MAKES UP THE TOTAL **YOUTH** MINISTRY?

... Bible Study, fellowships, singing, recreation, Falls Creek Camp, annual Ski Trip, retreats, Living Christmas Tree, Wednesday Night Live, mission trips, and **MORE!**

What is a Daughter?

A daughter is a special gift —
 a blessing from above,
 She's warmth and laughter, grace
 and charm,
 she's thoughtfulness and love.
 A daughter brings a special joy
 that comes from deep inside,
 And as she grows to womanhood
 she fills your heart with pride.
 The love she gives so freely
 is a rare and precious gift
 That brings the sunshine right
 indoors
 to give your heart a lift.
 With every busy, happy year
 she's dearer than before.
 Through every stage, through
 every age,
 you love her even more.

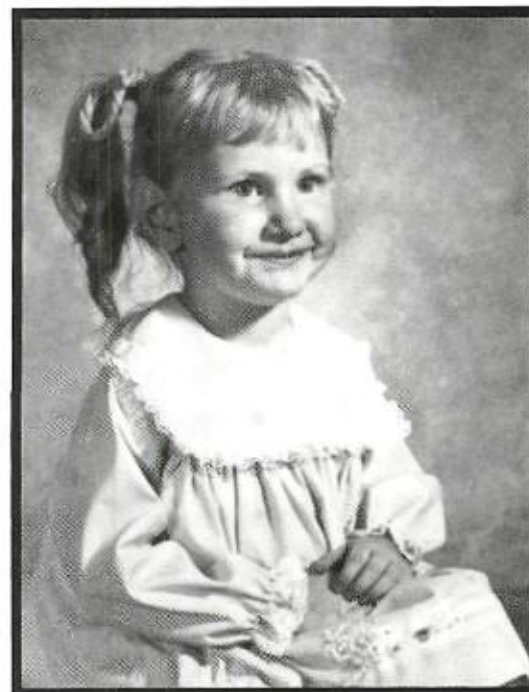

Becky 1971

Friendship is a funny thing.

*It is laughing out loud
and holding your sides
and slapping your knees
and laughing some more.*

*Sometimes friends are really silly.
They get together and act crazy and
do nutty stuff and get the giggles*

like pages of a book
Though much time and
patience it took.
You stand before us
fully grown
Ready to face life

An angel paused in its
onward flight
With the seed of love and
truth and right
And said, "Oh where can
this seed be sown
To bear the most when it's
full grown.
To whom can this precious
seed be given
To yield the most for earth
and heaven?"
The Saviour answered and
said with a smile

“Thinking”

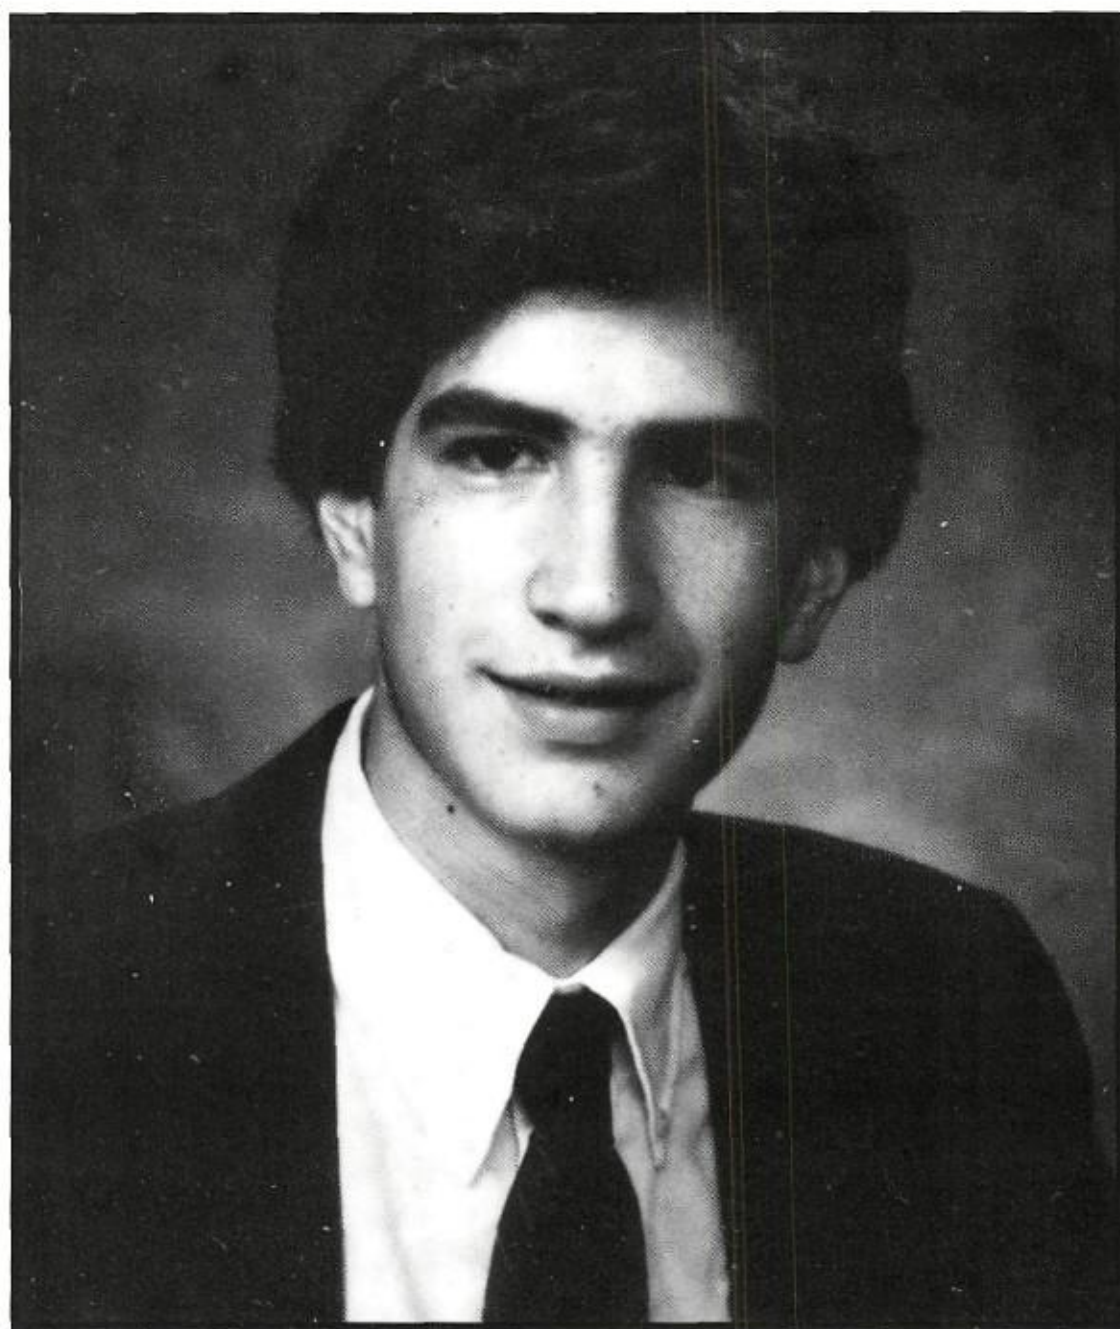

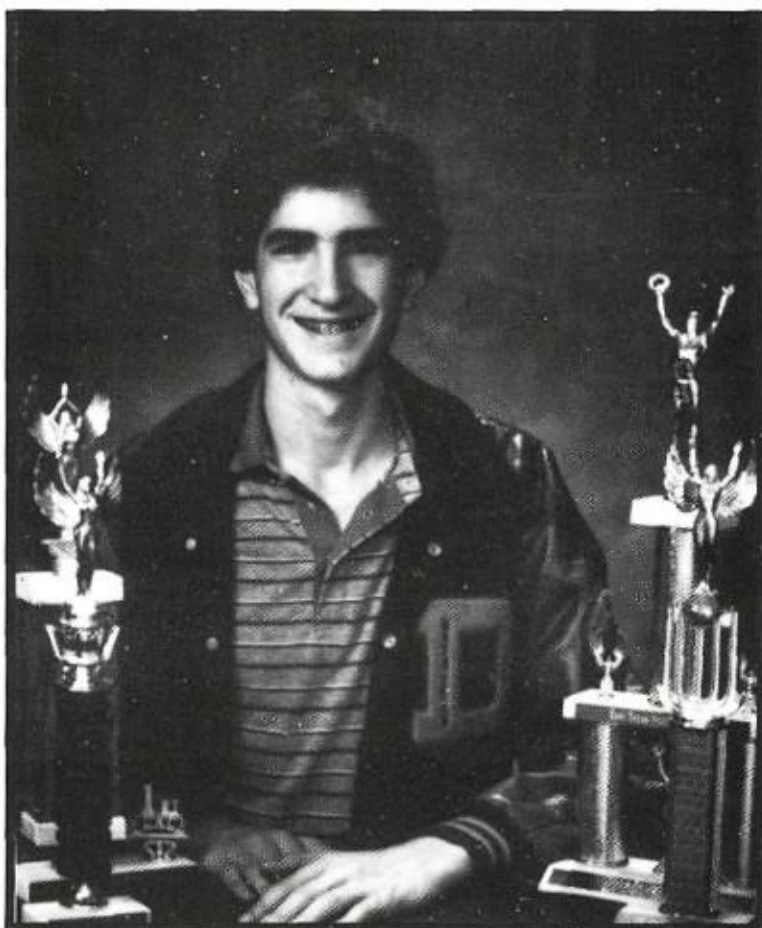

by W. D. Wintle

If you think you are beaten, you are,
If you think you dare not, you don't.
If you'd like to win, but think you can't
It's almost a cinch you won't.

If you think you'll lose, you're lost,
For out in the world we find
Success begins with a fellow's will —
It's all in the state of mind.

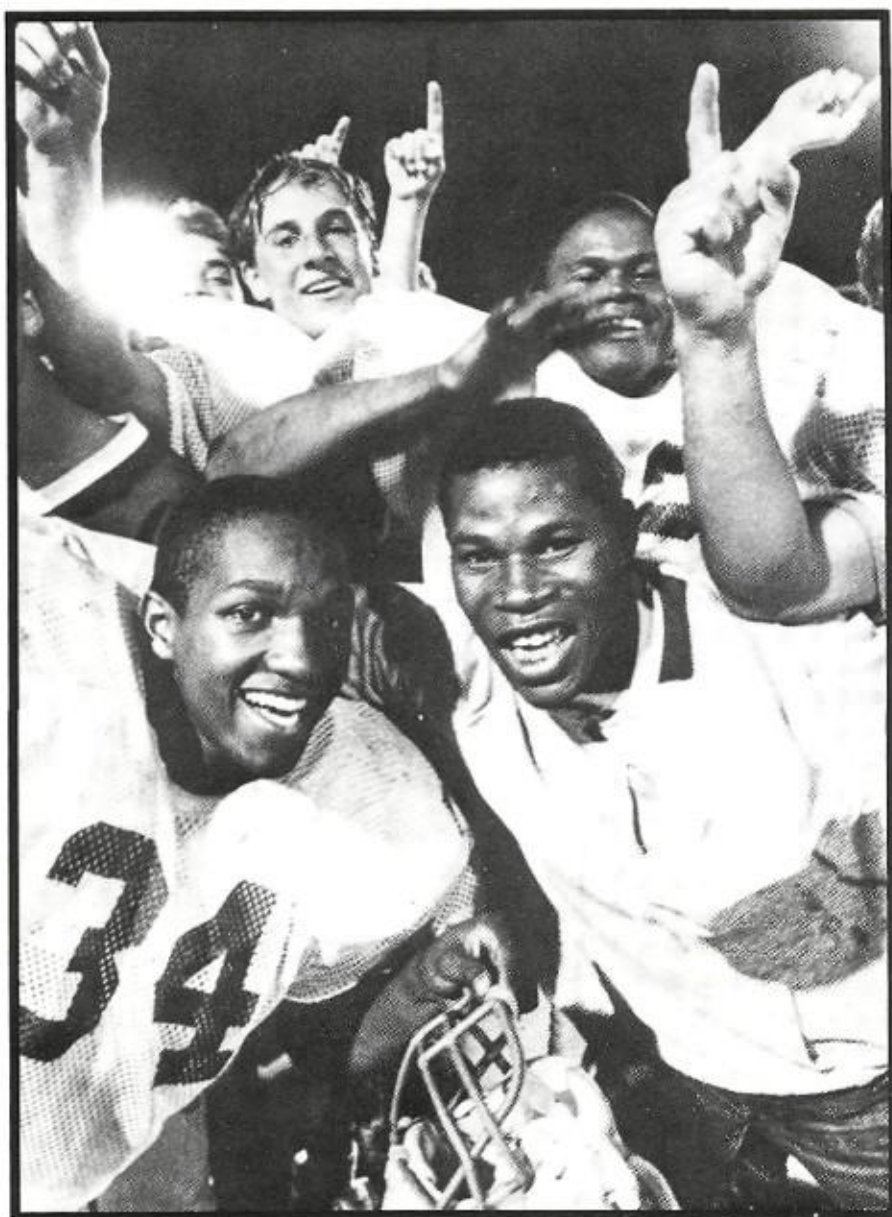

If you think you're outclassed, you are —
You've got to think high to rise.
You've got to be sure of yourself before
You can ever win a prize!

Life's battles don't always go
To the stronger or faster man,
But sooner or later, the man who wins
Is the one who thinks he can.

My Best Friend

Whenever I need a friend
you always seem to be there.

You help me with my problems, and
our joys together we share.

I can't imagine life without a friend
like you.

Once we get together we are
an indivisible two!

All the fun I've shared with
you can never be replaced

Together we've had many good
times,
and conquered the problems we had
to face.

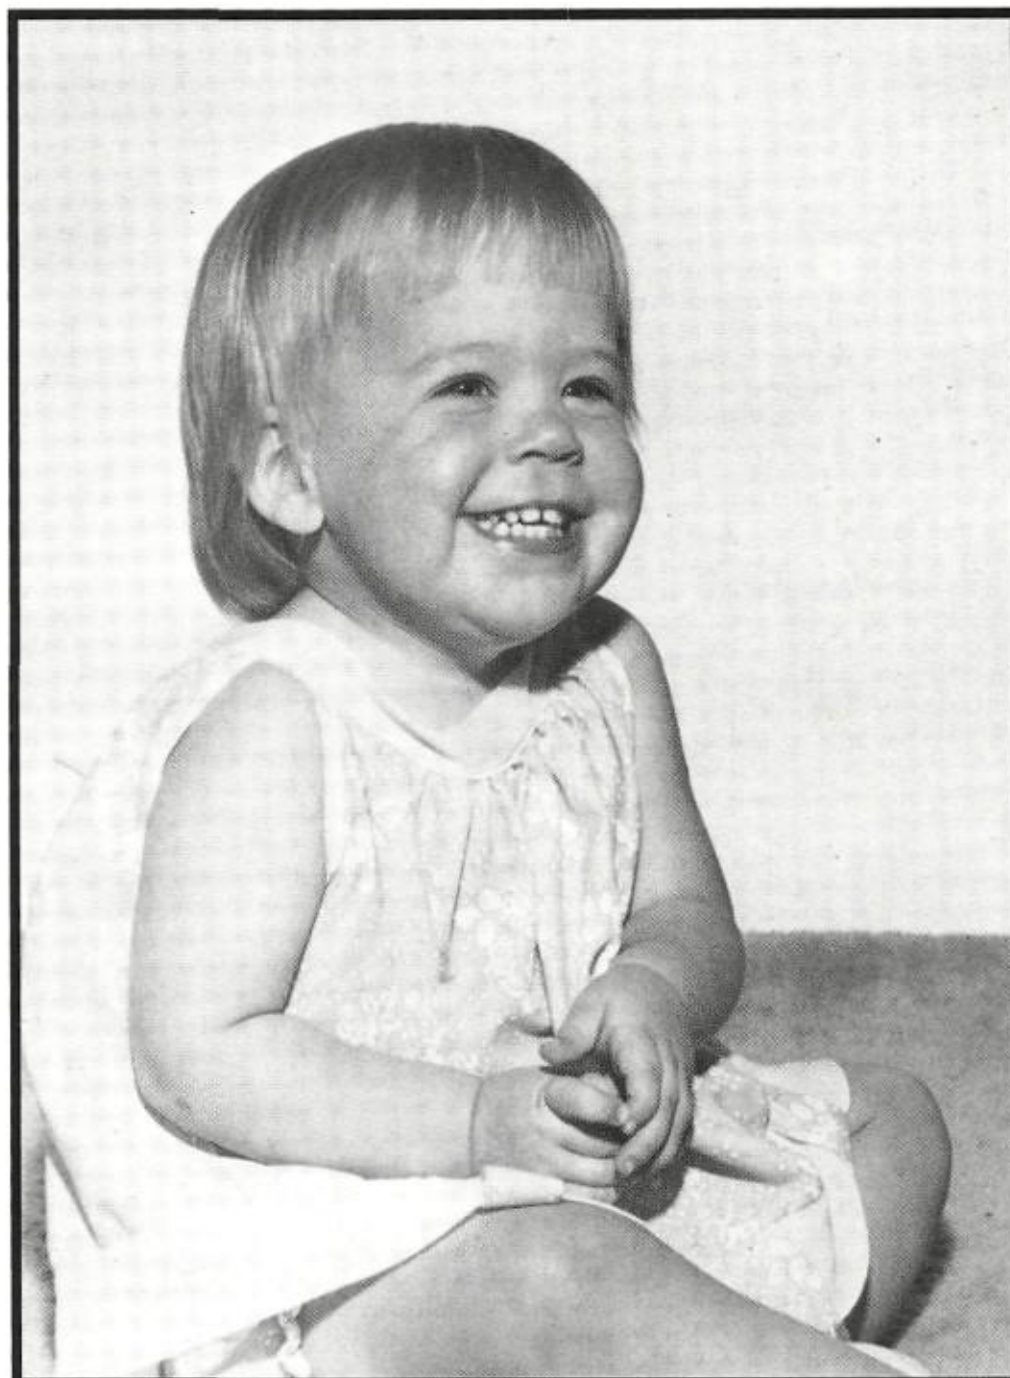

So I want you to know that I
am always here,

If you ever need a friend to
make your thoughts clear.

And when I must leave you, as
many good friends sometimes part,

I leave you with good memories and
an important
place in my heart.

Meskel,
you are very
sweet, and I
hope you'll always
be so kind to people.
You have a lot of
the very special
qualities that we
will always
remember Brebbe
for.

Dear Meskel,
It's been a pleasure getting
to know you. You are
a very unique person.
Take care and may
God truly bless you!
Best wishes,
M. Brent Chow.

Meskel,
It has been a nice
year with you in 6th.
You are a nice person, I
observed. Hope you have
a nice summer.

Meskel,
 Houdy! Surfs
 up. Well, not really.
 I haven't really
 gotten to talk to
 you much this
 year. Sorry about
 that. You're a nice
 girl. Stay that
 way. Be cool
 and have a fab-
 ulous summer,
 huh. Sup!

-Meshe!
It's been great
knowing you and
Brian this year. Even
though it was ~~hard~~ at first
I hope to see you next year.
During the summer you can come
and see me at the Corn-Dog at the
mall as I work. You two have one
great summer. Don't do anything of
wouldn't do. See you next year
Lylas! See you next year

Dear Mother
 It won't be long until you'll be
 finished with school and off to college
 It's a neat thing to watch all you
 youth growing up, but it makes me
 realize I'm getting older - Good luck!

Meskel, its
been fun in
Algebra class. Have
a rad summer. Terry Mann

Hey, sis! Sup? Here,
nothing much. Thanks
for telling me about
Pete. If it wasn't for
you I'd never known
who he was. I'm also
glad I was able to meet
him. You were right - he
is wonderful and very
sweet. Oh, his tape is
great to listen to, too!

David

Yes, rejoice! Bretke was
a Christian and we should
turn our mourning to
dancing. What a way
to go! Living in a mansion
and walking down those
streets of gold. Living in
a ~~mansion~~ ^{land} where there is
in the soul! What a
way to go!

Good luck in making
your grades and graduating
next year. I can't believe
it - my big sister
graduating next year.
Make sure you
work from 5-10
next year! I don't
really want to
ride the bus with
Hugh and Dummy
Bear (800) next year!

They'll really
drive me crazy!
Make sure
I stay away
from sweets
this summer,
so I can look
good for all
those good-
looking guys.
Okay? gup.

Stay
sweet!

Meskel,
Hi, it's been a
blast in 5th. Hope
to see you next yr.

Hey Sis! Sup. Nothing
much here. Just writing in
your annual. Thanks... for
being the best sister anyone
could ever have in the whole
universe! You're very sweet
and special. Thanks... for
sharing all the joy, laughs
and tears throughout the
last 15 years. You've been
too wonderful of a sister for me
to believe it. (Ha Ha) I'll always
remember you no matter where
you are, or where I am. I'll always
remember the joy and laughter
you brought me. Thanks for
bringing me happiness and being
with me through everything. No
matter where we are or what
we're doing, we'll still be sharing
our lives together. You have a very
wonderful boy friend too. Brian
is really neat. He's pretty cool (cool)
He's getting nice day today. He's
the best thing that's probably ever
happened to you (in your dating life) Ha. Ha!
Hold on to him, 'cause someone in
the course of his life, Brian will need
a really wife, so Moshel, make sure you
hold on to him wherever you are
whenever you're going or whatever you're

day. I'll be there to you
ever need me for anything.
I love you.
